SAP SUPPLIES

We wish to remind The Maple Syrup makers that the sap season is now at hand and it is high time that they were looking up their supplies and seeing what they will need for this year. Our stock is in, but it is limited and we would advise anyone needing new pails, etc., to leave their order at once as nothing can be gained by waiting.

BRIEF LOCAL ITEMS

—March came in very lamelike. —Good Friday, three weeks from tomorrow. —It is not difficult to foresee the winter's finish now. —Many of the pavements were veritable water-courses on "Sunday and Monday." —Sneezing and coughing have been the vogue with the young people the past week or so. —Rev. Mr. J. Whiteley, of Toronto, presided in the Baptist Church last Sunday with much acceptance. —Assessor Harvey has been pushing forward his work the past week and is getting on well with the assessment. —Jesse Bennett has purchased from Edwin Atkinson the 50 acre lot adjoining his property on the 4th line, Kirin. —Six members of the Methodist Episcopal Band will hold services in the Baptist Church on March 18th (10th and 20th). —Municipal Officer Smith completed his year's engagement on Monday. His successor, Mr. John Harvey, is in full charge. —The mild weather and rain of the big February thaw on Saturday and Sunday reduced the depth of snow very materially. —Say doggie! You'd better keep your muzzle on and mind what your about; for the dog catcher'll get you if you don't watch out! —Alonzo Purgrave, who had his foot severely cut some four weeks ago while playing hockey at Acton, is able to go to work again.—Herald. —Sheriff Webster has purchased from Mr. Dice a lot on West Mary Street, on which he will erect a brick residence next Summer.—Milton Herald. —David A. Henderson has sold his farm, lot 13, con. 5, Nassagaweya, to Duncan Campbell, of Corwin, and took Mr. Campbell's saw mill in part payment. —Invitations have been issued by the gentlemen of Acton for an assembly at the town hall next Wednesday evening. The London Magazine will provide intel. —We have been informed that Mr. S. H. McMillan of the Clark House has about completed the purchase of one of the leading hotels in the city of Guelph.—Herald. —An interesting service will be held in the Baptist Church on Easter Sunday. Rev. Prof. Matthews, of McMaster University, Toronto, will be the preacher of the day. —Messrs. Kee & Carter, horse trainers, "Burlington," were here last Thursday and purchased ten fine horses. They will be at the Dominion Hotel to day and are asking for two, car loads. —The dog owners complied with the by-law very well. Only a few were remiss. About 120 muzzles were sold by the dealers. Funny isn't it? There were 51 dogs on the assessment roll last year. —Mr. H. Gregory has purchased from Mr. Edward Twissdale the lot at the corner of Church and Elgin Streets. He will make preparations the coming summer for the erection of a new residence. —The regular meeting of the Women's Institute will be held in the Council Chamber, on Friday afternoon at 8 o'clock. A demonstration in dress cutting and fitting will be the feature of the afternoon. All ladies invited. —The leather business is booming just now. Foreman White has two gangs on at Boardman & Co's leather warehouse at the G. T. R. station—day and night shifts. Heavy shipments of soft leather are being made. —J. B. MacKenzie, contractor, has leased from H. P. Lawson his planing mill at Georgetown, and purchased all his stock. He will continue his business and residence here, but has suspended contracts at Georgetown and this will facilitate his building operations there. —Palatable as Cream.—The D. & L. Emulsion, for those suffering from severe coughs and hemorrhages, is used with the greatest benefit.

NEWS OF LOCAL IMPORT.

Mr. Lehman's Appeal Case
The hearing of the appeal of A. J. Lehman against the conviction registered against him on the 10th February, for selling intoxicating liquor to a prohibited person, will be heard before the Hon. Judge Forham in the town hall next Thursday afternoon.

The Roads in Bad Condition
Owing to the bad roads few farmers were able to get into town from Wednesday until yesterday. The rain and thaw rendered the snow so soft that the horses would go through with every step. The attendance at the church services on Sunday was consequently much reduced.

Attractive Window Dressing
The last issue of Hardware & Metal contained an engraving of one of the attractively dressed windows of H. F. Johnston, hardware merchant, and says that the window was decorated for his big Christmas display. Mr. Johnston was awarded second prize for his big Christmas advertisement in the *PAINT* paper.

Death of Mr. and Mrs. Hughes, Eng.
These weeks ago Richard Hughes, Esq., of Kewington, was suddenly and unexpectedly taken to his last resting place on Thursday last week. His widow, Mrs. Hughes, passed away at the home of her grandson, Charles Stewart, Munroe Street, Toronto, both Mr. and Mrs. Hughes were over eighty years of age.

The Plan Might Work Well Here
"Talk about" early plowing. We noticed two men and a team plowing on Main Street on Tuesday. They were plowing the snow and ice on each side of the street in order to loosen it so that it could be thrown on the sidewalk and thence made so that in case a fire broke out the water could be carried down the street with out flooding the sidewalks and collapse of the stores.—Milton Herald.

Acton Losing an Esteemed Family
Mr. James Torrance, late of Toronto & Windsor, expressing his regret this week to his farm lot 30, con. 1, Kirin. During their residence here since 1907, Mr. and Mrs. Torrance, and Mrs. Torrance Sr., who has resided with them, have many friends. Their removal is much regretted. Mr. Torrance returns to the farm adjoining the one where he had formerly resided, which he purchased last year.

How Bureaucracy Treats Dogs
The Gazette says: At a recent meeting of the council, a new law in regard to dogs was passed. Under the old law the tax was \$1.00 per year for every male and \$2.00 for a female. The new tariff is \$3.00 for males and \$2.00 for females, and in addition an out of a tag, 25 cents, which makes it rather expensive to keep a canine. The tax must be paid before March 1st, and dogs must wear a tag as well as a license.

Very Sudden Burial
The very sudden death of Mrs. Robt. Fisher, Mill Street, which occurred at night on Monday, has left a sadly bereft home—a distracted husband and a very little motherless babe of a few hours. Mrs. Fisher was the daughter of Mr. Joseph Lally, and had been married some seven years. The sincere sympathy of the community is felt for the family in their great sorrow. The funeral yesterday afternoon was conducted by Rev. K. D. Silcox, Toronto, assisted by Rev. Wilson, of Acton, and Dods, of Rockwood, and was largely attended.

Mr. Boardman Has Appealed
Mr. W. D. Boardman, through his solicitors, has served notice on Toronto City Legal Department that he will carry his appeal in the electric power case to the Court of Appeal. Mr. Boardman seeks to set aside the city's contract with the Hydro-Electric Power Commission and prevent the city from "supplying power" to the citizens. In the high court before Chancellor Boyd, judgement was given against Mr. Boardman and leave to appeal direct to the Court of Appeal was not allowed. The case subsequently went to the Divisional Court, where the decision of Chancellor Boyd was sustained. From the decision of the Divisional Court the appeal to the Court of Appeal will be made.

WEAK KIDNEYS MAKE WEAK BODIES
Kidney Diseases Cause Half of the Common Diseases and Half of the Deaths.
Acton People

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking-down.

Overwork, strain, boils and other causes irritate and exhaust the activity of the kidneys and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.

"Aches" and "pains" and "languor" and "increased urine" and "there is an every increasing tendency toward rheumatism and fatal Bright's disease." There is no real help for the sufferer except kidney help.

Booth's Kidney Pills, sold in Acton at Brown's Drug Store, not directly on the kidneys and cure every kind of kidney trouble are proof.

Mr. Gen. Morley, of Milton, Ont., says: "After having tried many advertised kidney pills for inflammation of the bladder that caused me to suffer with severe pains in this region, I commenced the use of Booth's Kidney Pills. This remedy was highly recommended for trouble of the kidneys and bladder and I have found by using nearly two packages that it is all that is represented to be for I have been greatly benefited by its use. It has done me the most good of anything tried so that I can with gratefulness and pleasure recommend it to others."

OBITUARY CORNERS

Wall, March is very lamelike. The February thaw has placed the people in an impossible condition. Mr. John Burnside has rented Mr. Robt. Gibbons' farm and will remove to it about the middle of the month. Mr. Gibbons intends having a sale on the 10th of March and will return to Acton. The community regret very much the removal of Mr. and Mrs. Gibbons and Mr. Robt. Muller from this vicinity.

Deep regret is felt by the many friends of Mrs. Robt. Fisher in her death which occurred at her home in Acton on Monday. The sadly bereaved husband and relatives have the sincerest sympathy of all in their sad bereavement.

Miss Knolly J. Carroll, a graduate nurse of Boston, Mass., who has been nursing in New York for the past two years, has been visiting at her home here, also spent a few days with her brother, Mr. Herbert Carroll, who is at present attending Toronto University. Dr. Auld's Educational Sermons
Rev. J. O. Auld, D. D., preached two scholarly and powerful sermons in the Methodist Church last Sunday, the occasion of the Educational Anniversary. Members of the congregation freely express the opinion that they never heard more appropriate discourses on the subject. The evening sessions, "In the Light of the World," John 8:12, was masterly and showed in most convincing contrast the vast difference between the Christian era and the most cultured environments of the past; days of Greece and Rome; and the education before Christ's advent.

Mass Meeting of Citizens
A mass meeting of citizens will be held in the town hall next Tuesday evening, 8th inst., to receive the final report of the Citizens' Committee appointed by the electors last spring to carry on the Local Option Campaign. It is proposed at the meeting to organize a Citizens' League to take up the matter of enforcement and seeing that accommodation is provided for the travelling public. On the first of May Local Option will come into force. It will come to stay, and all good citizens will be interested in its successful operation and the betterment of the town. The meeting on Tuesday evening will be of keen interest to ladies and gentlemen and there should be a large attendance.

The Late Peter Mann
The Orlia Times says, respecting the late Peter Mann, in last issue: "After a very brief illness Mr. Peter Mann, aged 67 years, died at the home of Mr. Samuel Shivas, West Street, Orlia, on Thursday, February 18th, at 11 p.m. Deceased had been working for Mr. Shivas, market gardener, for some time and took cold two weeks ago being obliged to keep to his bed on Monday of last week. Deceased was troubled also with Bright's disease, and he gradually became unconscious and just slept away. The funeral was held from the residence of Mr. Shivas on Friday afternoon to the Grand Trunk Station and the service was conducted by Mr. H. W. Bonner, internment taking place at Acton. The father of deceased and a sister live at Acton and deceased was a cousin of Mr. D. D. Mann, of McKensie & Mann. Mr. Mann, Sr., is 80 years of age. Deceased was a good living man and a great reader. He was exceptionally well informed."

FOSTER-MACDONALD LABEL SUIT
Unanimous Verdict of the Hon. Macdonald, Editor of the Globe

Toronto, Feb. 28th.—The fine days' trial of the Foster-Macdonald label suit came to an end at 8:45 o'clock on Saturday night with a victory for the editor of the Globe.

The cause of action was the speech of J. A. Macdonald at Orlia, on Oct. 20th, 1908, in which he charged concerning Mr. Foster: "That he asked for a private sale-off in a deal with trust funds, that he directed the suspension way in which that personal sale-off should be paid, and.... that he had no right or title to that money. A writ was issued on Oct. 22nd, 1909, for \$20,000 against Mr. Macdonald for slander and libel.

The trial commenced on Thursday morning, February 17th, and concluded on Saturday night, February 20th. The verdict was unanimous and was as follows: "We, the jury, do agree in view of the evidence presented to us, that Mr. Macdonald was justified in making the statements published by him in the Globe of Oct. 21st, 1908.

"We find that while Mr. Foster acted in good faith, while acting in the capacity of manager of the Union Trust Co., his actions are open to criticism, and that he is not entitled to recover damages from Mr. Macdonald."

The costs will be about \$10,000, to be paid by H. M. Foster.

An appeal may be entered.
