

THE ANVIL

Last week I passed beside a blacksmith's door. And heard the anvil sing the vesper chime. Then, looking in, I saw on the floor the old hammer, worn with beating years of the day.

How many anvils have had their day? How many hammers have had their day? How many hammers have had their day?

And so, I thought, the anvil of God's word.

For seven thousand years have been upon it the hammer of the Holy Spirit.

Yet, though the noise of falling blows is heard no longer, the anvil is unbroken.
