

KATEER MOON

The purple flower, surging on its flaming wings, the dawn of the East. Over winter's seal and regions triumphing...

DON'T LOSE YOUR TEMPER

Don't lose your temper. The amount you lose control of yourself you are a dissembler, and you are almost sure to say things that on calm reflection you would give much to have left unsaid.

It is fatally easy to say things in the heat of a moment, but very hard afterward to do away with the best impression they have made.

Our duty to our competitors. Compliments the life of other things than their. Be thankful to the people who do things better than you do, who make you realize the deficiencies in your manner, the defects in your language, your short-comings in general.

There never was and never will be a universal panacea to one remedy for all ills to which flesh is heir. What would relieve one ill in turn would aggravate the next. We have known in Quinine Wine, when obtained in a sound, undiluted state a remedy for many and grievous ills.

It is easier to keep a secret than it is to keep a promise. The lightweight is almost sure to feel that he is called to be the light of the world.

Invest 25 cents in a box of Davis' Menthol Salve ("The D. & L.") and be prepared for a hundred ailments, which may not be dangerous but are very annoying and painful, like neuralgia, caries, sprains, burns, bruises, insect stings, cuts, piles, etc.

WILL MAKE HAIR GROW BEARINE. Prepared from the grease of the Canadian Bear. Delicately perfumed.

AN EFFICIENT MISTRESS. Mrs. A. who had a shifless colored maid, was hurrying through her morning's work in order to go out with a friend in the afternoon.

TO FIND WATER. "Thirty days hath September." Every person can remember! But in how many cases do you know when Easter's come? You know when scholars come.

The Firm Behind NA-DRU-CO

Medicinal and Toilet Preparations

When your doctor gives you a prescription and your druggist fills it, you have confidence in that medicine. You have good reason for that confidence, for behind the medicine is the professional skill as well as the honor of two men whom you know and respect.

When you buy what are ordinarily known as patent medicines at your druggist's, what guarantee have you of either the formula or the compounding? Your druggist can give you none, for the makers do not take him into their confidence.

Take for instance headache cures. Many people hesitate to buy them because they don't know what may be in them. Not so with NA-DRU-CO Headache Wafers. Your druggist can get the list of ingredients from us for the asking.

Can you think of any article you buy with which it is more important that you should have a definite guarantee, made by responsible men, than medicinal and toilet preparations?

When you buy preparations bearing the NA-DRU-CO Trade Mark you have this guarantee, made by the National Drug & Chemical Company.

A Guarantee that Carries Weight. The National Drug and Chemical Company of Canada, Limited, is one of the largest wholesale drug firms in the world, having a Paid-up Capital of over Five Million Dollars.

A Comprehensive Guarantee. Every formula used in compounding NA-DRU-CO articles has been given years of careful study and practical testing, proving beyond question its value and its safety.

- The following is a partial list of the NA-DRU-CO preparations: Astringent and Laxative Pills, Coughs and Colds, Liniment and Plasters, Toilets, etc.
