EDITORIAL NOTES

The jury in the Adams murder and suicide case at Waterloo brought in a suggestion in connection with the verdict which is worthy of consideration. It was as follows: "We strongly recommend that some way of stopping the sale of firearms making the sale subject to license be enacted."

The Provincial Department of Agriculture has issued the findings of the 570 Women's Institute meetings throughout Ontario during the coming year. This is over 20 more than last year and creates a departmental record. All the constituents will be covered, except a few in Eastern Ontario, and organization meetings will be held in those districts which were never served before. It is interesting to note that this number includes over 100 meetings in Northern Ontario, which indicates the growth of settlement and agricultural effort in the newly-organized districts.

The Journal of Commerce of New York, editorially deplores the timidity of the United States Government on reciprocity with Canada, saying in part: "Senator Aldrich and other extreme conservative leaders, are responsible for the past rebuff to the Canadian Government, and if President Taft has any earnest desire to 'make good,' his assurances to the Governor-General of Canada and to the Minister of Finance of the Dominion and accomplish anything substantial in the way of re-adjustment of trade relations 'on broader and more liberal lines,' he will have to assert himself, take the initiative and make an appeal at once to public sentiment of the country."

It is now evident that the influx of immigrants into Canada this year will very much overshadow all previous records. The immigration authorities state that with regard both to quality and numbers the records of past years are being exceeded. According to present indications fully 120,000 United States citizens will settle in Canada during the year. To date this invasion shows an increase of 50 per cent over last year and the average amount brought into the country in cash or in settlers' effects has been \$111 for each man, woman and child. This means that during the year about \$12,600,000 will be brought into the country from this source alone. From Great Britain, France, Ireland, Australia and elsewhere, 1,000,000 immigrants are expected, while settled there are well equipped with money. The total immigration for the year is expected to run close to 300,000, or an average of one new citizen for every 21 now here.

A by-law was passed at last meeting of Brampton Council which provides that no chairman or member of a committee shall have the right, without the sanction of the council, of spending more than \$500, and under certain circumstances up to \$1,000, authorized to expend a sum not exceeding \$22,000 without the consent of the council. The by-laws set forth the duties of each committee. The law and order committee shall see that the laws of the town are properly observed, and it is the duty of the Chief of Police and his assistants to make reports to this committee and to receive instructions from them. The by-laws provide that the Chairman of the respective committees at the first meeting of the Council in December are to present statements showing purchases made during the year, and how the same were disposed of and the supplies on hand. This is transacting business on sound business principles.

THE BOARD OF EDUCATION

All the Members Will Visit the School and Presentations to Look into Necessary Repairs

COUNTY GRANT FOR OUTSIDE PUPILS

The Board of Trustees of Acton School met on Monday evening in regular monthly session.

Members present: J. A. Mowat, Chairman, A. E. Nicklin, W. Thomas, Jim Williams, Dr. K. D. Ault, and D. M. Henderson.

The Committee on Finance presented their fourth report and recommended payment of accounts as follows:

O. H. Elbrough, reporter \$1.00
Nelson & Co., books 3.65
3.65

The report was adopted.

The Chairman of the Property Committee suggested that the Board as a whole visit the school grounds some evening and decide upon such repairs and improvements as are desired necessary.

Rev. Mr. Hynde, Chairman of the Committee of Education of the County Council, waited upon the Board. He stated that he had been unable to represent the Board at the meeting of the Educational Association at Toronto; with reference to the extra grant to the Continuation School.

In view of the number of County pupils attending Acton School, he said the matter was still under consideration by the County Council.

The Board adjourned at 8.30 o'clock.

Ferrovine, the invigorating tonic, contains Beef, the most strengthening food in the best hair iron, which makes rich hair and gives strength and vitality to the whole body, and just enough pure Spanish Sherry Wine to stimulate the digestion and thus aid the assimilation of the Iron and Beef. \$1.00 per bottle at drug stores.

ACTON LAWN BOWLING CLUB

Omaha Elated with an Interesting Year's Crop in View

CENTRAL ASSOCIATION TOURNAMENT HERE

The annual meeting of Acton Lawn Bowling Club was held in the Council Chamber on Monday evening, when a good representation of the members was present. President W. McNabb occupied the chair.

Steve Hynde, gave the most interesting report of the season of 1910.

The officers for the year were elected as follows:

President, W. A. Stover.
Vice-President, D. M. Henderson.
Secretary—Joseph Holmes.
Treasurer—George Hynde.

Committee—A. J. Macklin, W. S. Chisholm, Joe Holme and the Secretary-Treasurer.

MANAGING COMMITTEE—John R. Kennedy, H. P. Moore, W. J. Gould, Goo. Hynde, A. J. Macklin, Joe Holmes, D. M. Henderson, W. McNabb, H. P. Moore, W. S. Chisholm, James McIntosh.

The membership fee was fixed at the same sum as last year.

The Secretary was authorized to have Acton Club affiliated with the Ontario and Central Lawn Bowling Association.

The season will in all probability open several weeks later than usual. There will be special interest in the fact that the tournament of the Central Association is to be held in Acton in June. This will bring along 100 of the expert bowlers from Guelph, Berlin, Waterloo, Galt, Waterloo, Ayr and Brantford to town, for several days.

It is expected the bowling green will be in superior condition this season.

TRAGIC DEATH IN NASSAGAWAYA

Frank Watson killed at the G. P. H. Guelph Junction Crossing on Saturday.

HORSES BECOME FRIGHTENED

Frank Watson, a young man who lives with his parents, was unable to stop his team of horses from crossing the G. P. H. at Guelph Junction on Saturday afternoon. The young man was racing from Guelph, driving a wagon and team of horses. The horses were frightened by the train and became unmanageable, and in spite of the young man's efforts, they dashed on the crossing just as the train was passing. The pilot of the engine struck the front wheels of the wagon, smashing it to pieces, and throwing the occupant several yards ahead, where he fell into one side of the track. The train stopped immediately, and the crew did all that was possible for the victim of the accident. They telephoned for Dr. L. Clark, of Campbellville, and hurried to the scene to render first aid.

The Coroner, Dr. McColl, of Milton, was called, and after examining the other injured, the funeral took place at Campbellville, Monday afternoon. Frank Watson was a popular young man. He was twenty-two years of age, and was unmarried, living at home with his parents.

LIMOUSINE

The house of Mr. and Mrs. John McGill was the scene of a very pretty wedding on Wednesday afternoon, fifth inst., when their eldest daughter, Margaret, was united in marriage to Mr. John Frederick Downing, Beachville. The ceremony was performed by the Rev. H. F. Cameron, B. A., George Town. The bride entered the drawing room on the arm of her father to the strains of Lohengrin's wedding march played by Miss Agnes Barber, cousin of the bride. The bride wore a beautiful dress of white embroidered muslin with the orthodox veil, and carried a bouquet of cream roses. After conclusion of the gaudy repast in the dining room, where a very dainty lunch was served.

The bride and groom left on the 6 o'clock train for their home in Beachville. The bride travelled in a navy blue suit with lace waist and Duncan hat, trimmed with black plumes and black velvet ribbon. The presents were very numerous and beautiful, showing the high esteem in which the bride and groom are held.

Among the guests were Mr. and Mrs. J. Downing and Miss Mary Downing, Beachville; Mr. and Mrs. J. A. McGill, Prescott; Mrs. Scott, Mrs. Wm. Barber and Miss Agnes Barber, Linelhouse, and Mrs. James McMillan, Acton.

SOME OBSERVATIONS

Halley's comet has "arrived" that is, in sight. It has a long way yet to come for whom the earth and the sun meet the combined speed is 2,372 miles a minute. There is not much tail yet to be seen and we cannot notice the immense rate of travel, but in the case of the fast trains coming down the grade into Acton, one would need to be standing to one side to judge the speed of approach, or the length of the white streak.

Steve Hynde, gave the most interesting report of the season of 1910.

The officers for the year were elected as follows:
