

**BORN.**  
James — In Burlington Saturday, May 10, to Mr. and Mrs. Wm. K. Koenig.  
**DIED.**  
J. L. H. — At his home, 105 King St., Guelph, on Friday evening, May 10, 1910, aged 75 years, John McDonald, husband of James V. McDonald, formerly of Acton.  
Knewson — At the home of Mr. John McDonald, 105 King St., Guelph, on Friday evening, May 10, 1910, his daughter of Angus Kennedy, deceased, formerly of Acton.  
**IN MOURNING.**  
Answer — In loving memory of the late Robert E. —  
Two years ago we were still here, as time goes on we miss him more.  
There's none now but our father's place,  
A loving husband, a father dear.  
He left us, but we still have him.  
As long life and memory last.  
Signed by Widow and Family.

THURSDAY, MAY 10th, 1910

**EDITORIAL NOTES.**

It is many years since Great Britain counted a Queen Mother among its royalties that the table of precedence in use, fail to indicate what position she enjoys among her royal relatives. As a matter of fact, Alexandra, who prefers to be called the Queen-Dowager instead of the Queen-Mother, now ranks as the third highest lady in the land.

Two or three men in town have, no doubt, inadvertently laid themselves open for heavy fines for violation of the Local Option by law the past week. They have been doing wholesale business in a small way, however, and have fifteen bottles of whisky, and supplied as many men with a bottle each. The other went to the same town and brought back a sufficient supply of liquor and disposed of it similarly. The man who thus distributed the liquor is liable to fine each of \$100 to \$200 and costs or three months in jail, for the first offence and four months in jail without the option of a fine for second and subsequent offences.

The men who received the liquor are also liable to fine \$20 to \$200 and costs or one month in jail, \$10 to \$200 or two months for second offence, and three months for third offence. A bit risky isn't it? The man in Georgetown who did this wholesale business is also liable to heavy fine and to lose his license.

**A CITIZENS' MEMORIAL SERVICE**  
To be Held at the Town Hall at 12 o'clock Friday Afternoon

**THE RESERVE PROCLAMATION**  
At the meeting of the Council on Monday evening Reeve Hynds referred to the death of King Edward VII, and proposed that a memorial service be held at the town hall at 12 o'clock Friday to be participated in by citizens generally. He had decided to issue a proclamation requesting all business men and manufacturers to close their business places that day for two hours — from 12 to 2 o'clock, so that all citizens might pay special respect to the memory of our late beloved King. Nearly all the business men in town had been interviewed and all had willingly acquiesced.

The memorial services all citizens are requested to assemble at the town hall at one o'clock. Reeve Hynds will be master of ceremonies and will be supported by the members of the Council, Board of Education, Free Library Board and leading citizens. The town bell will be tolled, Acton Citizens' Band will play suitable hymns and brief addresses will be delivered by D. Henderson, M. P., Rev. Dr. Aniloff, Rev. R. F. Kellerman, B. A. Rev. Father Walsh, Rev. E. A. Karchman, B. A., and Rev. Mr. Hurrell.

At the conclusion of the memorial service the flag will be raised to the mast head and the band will play the national anthem in honor of the new King, George V.

Everyone is invited to the town hall will be desired for the occasion.

Every citizen should make an effort to comply with the Royal's proclamation and to attend the citizens' memorial service.

**GOOD ROADS ON SECOND LINE**

The Connecting Link to Acton Under Construction

The mile of road on the County Good Roads System, between the portion constructed last year on the second line and the corporation limits, will be built this season.

Last Saturday Mr. Duncan McDougall, who superintended the construction last year under Road Commissioner, staked out the section and the grading is now in progress. The road will be carefully graded, will be coated with a good depth of broken stone, and then be rolled down with the steam roller.

The section built by Mr. McDougall last summer was so satisfactory that the County Council was glad to secure his services for this year again.

It is hoped the County Council will also arrange to construct at least a portion of the road on the first line and the crossing into Nasawaway this year. No other road in the county needs repair so badly as this.

**MALTON REPRIMANDS**

The spring assizes at Halton were held at the Court House, Milton, on Monday, Judge Middleton presiding. The appointed High Court Judge, presiding as this was His Lordship's first appearance here since his elevation to the Bench, he was tendered the congratulations of those members of the bar who were present, to which he made a felicitous reply, expressing his appreciation of the kind sentiments expressed. There being no criminal cases to try, Sheriff Webster presented the Judge with a pair of white gloves. In accepting which His Lordship congratulated the entire court on the apparent absence of crime within its borders, and expressing the hope that it might long continue in that happy condition.

**Reformers**
