Successful Rally Meeting.

Last Friday afternoon the Womans' Institute held their fall rally meeting on the lawn at the Methodist Church and a very enjoyable and profitable time was spent by the large number of ladies present. A fine programme was rendered in the schoolroom of the church, and consisted of songs by Mr. (Dr.) Mercer, Miss Emma Bent, Miss Ethel Watson, of Toronto, and Miss Clara E. Moore, and a very helpful paper by Mrs. M. Holmes.

"Reasons why we should can our own fruit and vegetables." Refreshments were afterwards served on the church lawn.

Raceway Escape at Rockwood.

While attempting to board the 6:17 east-bound train at Rockwood last Friday evening, a passenger, who is supposed to have been a former G. P. R. conductor, had a narrow escape from death. The train was just pulling out of the station when this man in attempting to board it, missed his footing, and fell between the platform and the train. Heavily but precisely enough to keep him suspended by his hands to his side and roll him off the platform, as when the train was stopped he got up, shook some dirt from his clothes, and went in a coach to read an evening paper. He took it all more easily than some of the passengers who saw the affair.

Ahead of That All, Again.

Several years past Mr. Joseph McGuire, Church Street, has been the first taxpayer to pay his taxes, and this year he again leads the rest.

The first instalment of taxes is not due until Saturday, but bright and early last Thursday Mr. McGuire sought out Collector Harvey and handed over the necessary coins. It is well that he did not wait a day or two longer or he would not be wearing that happy smile now, as Mr. Holt Brown, Sr., Bank Avenue, got his tax bill paid by his dues on a telephone. These are the first to pay their taxes for 1910. Wonder who'll be the last? Don't let it be you. Collector Harvey will be at the lower hall on Saturday to receive the first instalment.

Happily Wedded at Milton.

A very pretty and quiet wedding was solemnized on Thursday last, at the home of Mr. and Mrs. Wm. Evans, Milton, when their beloved daughter, Charlotte Ade, was united in the holy bonds of matrimony to Mr. Edwin James Landshamer of Galt, by the Rev. Mr. McQuillan. The bride, who was given away by her father, entered the drawing room at 12 o'clock noon, and was becomingly gowned in a delicate blue satin gown and carried a shower bouquet of white roses and asters. The wedding party was costly and numerous, showing the high esteem in which the young couple were held. Mr. and Mrs. Landshamer left on the 4:45 train for Acton, and showed off their finery and book value—\$200.

Going to the heavy showers on Lake Ontario and the inability of many persons to attend the Canadian National Exhibition, Mayor Geary has proclaimed Saturday afternoon as a public holiday for Toronto citizens.

Teachers of Acton, Georgetown, and all public schools in the township of Esquinton are requested to send the number of scholars on their rolls to Secretary Tracy, Esquinton P. O., in order that all may be supplied with admission tickets to Esquinton Fall Fair to be held at Georgetown on Oct. 4th and 5th.

A brother of Mr. George Plant, of this town, and one of the world's famous jockeys, was thrown from a horse in England about three weeks ago and very seriously injured. His nose and four teeth were broken and the base of his skull crushed in. He is attended by Prof. Pepper, surgeon to the king, and it is still doubtful whether he will recover or not. Brampton Conservator.

Shiloh's Cure quickly stops coughs, cures colds, heals the throat and lungs. 25 cents.

Happily Wedded in Michigan.

The St. Clair County Press gives the following account of the marriage of Mr. Edward J. Miller, 21, of Toledo, Mich., nephew of the author of the Famous Pill, to Miss Ada H. Stewart, of Marine City, Mich.: "Mr. Edward J. Miller, son of Mr. and Mrs. Lyman Miller of St. Clair, and Miss Ada H. Stewart, of Marine City, were married at 7:30 Monday evening, August 29th, at the home of the bride's parents, Mr. and Mrs. Albert Stewart. Dr. Thaler performed the ceremony. Miss Miller, daughter, a sister of the bride, was the maid-of-honor. Mr. and Mrs. Robinson, of Port Huron, was the best man. The gift of the groom to the bride was a gold watch and chain, with a diamond set in the dial. The young couple left Toledo morning for Turon, and points in the east. After their return they will reside in Marine City."

There is a new CURE in this section of the country that all other disease put together, and until the last few years, physicians have pronounced it a local disease and presented it as a cure for all diseases. It is now known that it is a constitutional disease and therefore requires constitutional treatment. This CURE is the only constitutional cure on the market.

The CURE is a simple diet, consisting of fruits, vegetables, and grains.
