OH! DINNA ASK ME GIN I LO'E THEE.

Oh, dinna ask me gin I lo'e thee;
Troth, I dunna tell,
Dinna ask me gin I lo'e thee,
Ask it o' yoursel'.

Oh I dinna look sae sair at me,
For weel ye ken me true;
O, gin you look sae sair at me,
I dunna look at you.

When ye gang to yon braw, braw toon,
And bonnier lassies see,
O, dinna, Jamie, look at them,
Lest ye should mind na me.

For I could never bide the lass,
That ye'd be mair than me;
And O, I'm sure, my heart would break,
Gin ye'd prove false to me.

—From Peter Buchan's "Minstrelsy of the North of Scotland."

TO CLEANSE PLASTER CASTS

When plaster casts become soiled with either dust or finger marks make a creamy solution of dry starch and cold water and apply it with a soft brush, carefully wetting all crevices and depressions. Set the cast aside to dry, then remove the starch with a stiff brush, and it will be perfectly fresh.

FILLING FOR CUSHIONS

A splendid filling for soft cushions may be made, says a correspondent of Spare Moments Magazine, by taking a dime's worth of cotton batting, cutting it into small squares and heating it in a baking pan in the oven for half an hour, care being taken not to let it scorch. Each small square will puff up to twice its size and will be as light and fluffy as a feather.

Rheumatism Cured by Fig Pills

Not often do you hear of a 25c preparation being sold with a guarantee to cure you. An absolute guarantee goes with every box of FIG PILLS. They will cure Rheumatism, Backache, Bladder Trouble, Frequent Urinating, Burning Sensation, Painful Stitches, Sluggish Liver and all Stomach Trouble. If not, your money back. At all druggists.

SCIENTIFIC SINGING

It is said that a gentleman from the country attended church one Sunday where they have scientific (quartet) singing, and was surprised at the difference between scientific singing and that he had been accustomed to sing in the backwoods. He bought a specimen of the style, which he copied from the original:—

"Wa-kaw, awaw draw aw raw,
Thaw saw thaw law aw wawa,
Wa-kaw taw thaw raw vaw yaw braw,
Aw thaw raw jaw aawawa."

Which, when translated into plain English, reads as follows:—

"Welcome sweet day of rest,
That saw the Lord arise,
Welcome to this reviving breast,
And these rejoicing eyes."

Our friend says that in the country they are green enough to think it necessary for good singing that the words of the hymn should be sung.

LIGHTNING RODS SCIENTIFIC

The proposed equipment of the White House at Washington with lightning rods calls attention to the fact that such safety devices have a genuine scientific standing. The business was a large one forty years ago, but there was so much swindling in the sales and installations that people became wary of the lightning rod agent, and his name became a synonym for all that is tricky and unscrupulous. Fire insurance companies, however, have recently carried on experiments showing that the rod is a potent instrument in saving buildings, and its use is strongly recommended.

BABY'S TERRIBLE ECZEMA

Hands Tied to Prevent Scratching. Five Doctors Failed to Relieve but Zam-Buk Worked a Cure

Mrs. Chas. Levere, of Prescott, North Channel, Ont., tells how Zam-Buk cured her baby. She says:—"My baby's head and face was one complete mass of sores. The itching and irritation were fearful, and the little one's plight was so serious that at times we feared her ears would be eaten off by the disease.

"We had to keep her hands tied for days to prevent her rubbing and scratching the sores. Doctor after doctor treated her in vain, until we had had five doctors. They all agreed that it was a frightful case of eczema, but none of them did any permanent good.

"As a last resource we were advised to try Zam-Buk. The first box did so much good that we felt sure we were at last working in the right direction. We persevered with the treatment until we had used thirteen boxes, and at the end of that I am glad to say Zam-Buk had effected a complete cure."

Mrs. Holmes, of 30 Guise Street, Hamilton, is quite eloquent in her praise. She says:—"Zam-Buk cured my boy of boils and eruptions when he was so bad that he had been unable to mix with other children. Zam-Buk is a wonderful preparation, and mothers throughout the land should always keep it handy."

For eczema, eruptions, rashes, tetter, itch, ringworm, and similar skin diseases, Zam-Buk is without equal. It also cures cuts, burns, scalds, piles, abscesses, chronic sores, blood poisoning, etc. All druggists and stores at 50 cents a box, or post free for price from Zam-Buk Co., Toronto. Refuse imitations.

Dropsy—

Given up by Doctor

"I had dropsy, and was told by my family physician that there was no chance for me. My family also gave me up. My limbs and body were swollen one-third larger than natural, water collected around my heart and I had to be propped up in bed to keep from smothering. I took Dr. Miles' Heart Remedy until I was entirely cured. This was in 1902, and I am now able to do any kind of work on my farm. My cure was certainly marvelous."

L. TURLEY CURD,
Wilmore, Ky.

Dr. Miles' Heart Remedy has been wonderfully successful in relieving heart trouble. Its tonic effect upon the heart nerves and muscles is a great factor in assisting nature to overcome heart weakness.

Price $1.00 at your druggist. He should supply you. If he does not, send price to us, we forward prepaid.

A Remedy for Earache.—To have the earache is to endure torture. The ear is a delicate organ and few care to deal with it, considering it work for a doctor. Dr. Thomas' Eclectric Oil offers a simple remedy. A few drops upon a piece of lint or medicated cotton and placed in the ear will work wonders in relieving pain.

It's easier for a woman to talk on any subject than it is for her to stop.

Will Make Hair Grow

Every up-to-date woman should have radiant hair.

There are thousands of women with harsh, faded, characterless hair, who do not try to improve it.

In England and Paris women take pride in having beautiful hair. Every Canadian woman can have lustrous and luxuriant hair by using SALVIA, the great American Sage Hair Tonic. E. J. Hazard sells a large bottle for 50 cents, and guarantees it to banish Dandruff, stop falling hair and itching scalp in ten days, or money back.

Lost Five Children With DIARRHOEA

Saved the Sixth One With DR. FOWLER'S Extract of Wild Strawberry.

Mrs. John Firth, Craigburst, Ont., writes:—"I have had six children and lost them all but one. When young they would get Diarrhœa and nothing would stop it.

As I lived in a backward place, I did not know of Dr. Fowler's Extract of Wild Strawberry.

I saved my last child, who is now eight years old, but I owe it to Dr. Fowler's Extract of Wild Strawberry. Had I known about it before I feel that I would have saved the others. I shall forever praise and bless it and will never be without it again."

"Dr. Fowler's" has been on the market for over sixty-five years, and has a world wide" reputation for curing all Bowel Complaints.

Do not be imposed upon by any unscrupulous dealer who wishes to substitute the so-called Strawberry Compounds for "Dr. Fowler's." Price 35 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

The Real Liver Pill.—A torpid liver means a disordered system, mental depression, lassitude and in the end, if care be not taken, a chronic state of debility. The very best medicine to arouse the liver to healthy action is Parmelee's Vegetable Pills. They are compounded of purely vegetable substances of careful selection and no other pills have their fine qualities. They do not gripe or pain and they are agreeable to the most sensitive stomach.

One may get along without doctors, lawyers, and preachers, but the grocery-man is indispensable.

A Pill That Is Prized.—There have been many pills put upon the market and pressed upon public attention, but none has endured so long or met with so much favor as Parmelee's Vegetable Pills. Widespread use of them has attested their great value, and they need no further advertisement than this. Having firmly established themselves in public esteem, they now rank without a peer in the list of standard vegetable preparations.

Severe Pains In The Liver.

Had Several Doctors.

A COMPLETE CURE EFFECTED BY A FEW VIALS OF MILBURN'S LAXA-LIVER PILLS

Mr. F. H. Wood, Crystal, Ont., writes: "For several years I was greatly troubled with severe pains in the Liver. I had several doctors attend me but without any success. At last I was advised to try Milburn's Laxa-Liver Pills, and after taking a few vials I was completely cured. It is, now, about six months since I took them, and I have had no return of my trouble since. I can honestly recommend them to every person who is troubled the same as I was."

Milburn's Laxa-Liver Pills are 25c per vial or 5 vials for $1.00, at all dealers or will be mailed direct, on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

FRIENDSHIP EVANGELISM

A short time ago Governor Marshall of Indiana made use of these words:

"I am a thorough believer in what is known as the evangelism of personal contact. It seems to me that the efforts now used look too much toward moving humanity as a mass. If I have ever done any good in my life it has been by first making myself a friend of some individual man, associating with him, and convincing him; not of the perfection of my own life but of my desire to do the right thing. Then, if I convinced him my motives were right, however faulty my conduct might be, I was in a position to explain to him that something more than morality was needful. It does not do much good to sweep a house and leave it tenantless; it does good to arouse remorse and regret in a man's soul and straightway leave him to his own devices. In a way, reform is a good thing, but you and I know that regeneration is the needful thing. Therefore, cultivate the soil of an individual man's heart, which soil is friendship.

If you and I have the right sort of faith, a higher Power than yours or mine will implant in this cultivated soil a seed which will grow up into a new life. Big meetings and fervent speeches are desirable, but what humanity wishes to-day is the same thing that is cried for in old Galilee—a friend."

Troubled with Heart

NERVES WERE ALL UNSTRUNG

Mrs. Oscar Hamilton, Forest Glen, N.S., writes:—"I can truthfully say that Milburn's Heart and Nerve Pills have been a great friend to me. A few years ago I was very much troubled with my heart and my nerves were all unstrung. I had terrible pains all through my body. I was weak and had frequent and severe dizzy spells, and was continuously having to consult doctors. I had Milburn's Heart and Nerve Pills recommended to me and after having taken a box they appeared to help me so much I continued to take them, and was soon able to do my work again. For this I am very grateful and would advise all people with weak heart or unstrung nerves to give them a thorough trial."

Milburn's Heart and Nerve Pills are the original heart and nerve cure and are sold at all dealers for 50c per box, or 3 boxes for $1.25, or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

"After taking two boxes of Doan's Pills I was completely cured and feel as well as I ever did."
