EXPANSION SALE

GROWTH of business has compelled us to enlarge our store. In a very short time we will add to our third floor the rooms lately occupied by the Trades and Labor Council. This will give us 3,000 square feet more space for our Housefurnishing and Wall Paper Departments.

Workmen are already at work tearing out walls, etc., and getting this new addition ready for occupation. We must reduce our stocks on this floor so that the necessary alterations can be made. Therefore we commence THIS WEEK one of the greatest PRICE-CUTTING SALES in our history—Carpets, Rugs, Curtains, Wall Paper and in fact everything in home furnishings, will come under the axe and be sold at sacrifice prices.

We prepay all express, freight and postage charges on all goods, regardless of size or value. Send us your order by mail. Samples cheerfully submitted.

ACTON BRANCH A. M. Brown Manager

PRINCIPAL STEWART RESIGNS

Has Accepted Position at Parry Sound as Salary of \$3,000. OOMES NORTH FIRST OF JANUARY. The teachers of Acton School staff are evidently in demand. At a meeting of the Board of Education, High School, Mr. Stewart was elected Principal of the school for the coming year. Mr. Stewart has accepted a position at Parry Sound, Ontario, and will leave Acton on the first of January next, and Mr. Stewart is leaving with Miss Humphries with very tempting offers.

The Board met on Monday evening at the call of the chairman. Members present: John A. Mowat, Chairman, A. E. Nicklin, W. Thomas, John Williams, D. M. Henderson, Dr. E. D. Ault. Letters were read from Principal Stewart, stating that as he had been offered a salary of \$3,000 per annum to accept a position on the staff of the Parry Sound School, he had decided to accept, and therefore tendered his resignation as principal of the school and from Miss Humphries' position in the continuation department, stating that she had been offered a much more lucrative salary to accept a position on the staff of the Markham High School, but would remain in Acton at her salary, very recently increased by \$200 per annum.

The account of E. Macklin for \$1.25, for electric batteries and repairs, was passed. Moved by A. E. Nicklin, seconded by Dr. E. D. Ault, that the resignation of W. H. Stewart, the principal of the school be accepted, to take effect at the end of the present calendar year.—Carried. Moved by D. M. Henderson, seconded by W. Thomas, that the Board do not deem it desirable to grant the increase in salary requested by Miss Humphries at the present time.—Carried.

Moved by J. Williams, seconded by A. E. Nicklin, that the Secretary be instructed to advertise in the Globe and the Mail and Empire for a male principal for the continuation of the school, to take effect on the first of January, 1911, and to offer an initial salary of \$400.00 per annum.—Carried. In the retirement of Principal Stewart, Acton Schools lose a very worthy and efficient headmaster, and the town loses a Christian gentleman. Principal Stewart came to Acton seven years ago and he has in all respects fulfilled the duties of his important position, and has had a very successful record. Depopulation and improvement of the rural Ontario, it may be interesting to know that from 1890 to 1908 the taxes annually imposed in all the rural municipalities have steadily increased. In 1890 the average was \$1.07 per acre, and in 1908 it was \$2.35 per acre, or more than fifty per cent. During this period, the rural population fell off more than 61,000, and the tax rate per head of the rural population steadily increased from \$2.00 in 1890 to \$3.00 in 1908.—Weekly Sun.

A FAMILY AFFAIR The Family Herald and Weekly Star of Montreal may justly be called a "Family Affair," for in its 32 pages each week there are found columns of matter that interest every member of the family, whether old or young, and however numerous they may be. It is the best combination family paper printed, and any family not now receiving it should give it a trial for next year. The matter we are under consideration, contemplate elaborate improvements next year which will make it even more valuable.

COBALT, GOWGANDA AND PORCUPINE

Investors and prospectors are now flocking into the above regions and the splendid reports of new silver finds at Gowganda and gold at Porcupine indicate that before long there will be a rapid expansion in values and that the who more abundant the opportunity of getting in will be richly rewarded.

WOMEN SUFFER MORE THAN MEN

Women have more than their share of the ache and pain that afflict humanity. They must "keep up" in spite of constantly aching backs, or headaches, dizzy spells, etc. Mrs. Edward Catwood, of 121 1/2 Harold Street, Fort William, Ont., says: "I suffered with dull, miserable pain, soreness across my back and my sides for months. They would catch me so badly at times that I could scarcely move around. I would have dizzy spells, and altogether feel generally run down. After using a number of remedies without finding relief, I bought a box of Booth's Kidney Pills and found them an excellent remedy. They not only relieved me of the miserable pain and soreness in my back but cured me of my kidney trouble." Booth's Kidney Pills cure backache, dull shooting pains, Thick and Cloudy Urine, Gravel, Rheumatism and all diseases of the kidneys and bladder.

All druggists and dealers, 50c. per box or postpaid from The T. F. Booth Co., Fort, Erie, Ont. If you derive no benefit from your money will be refunded. Could we say more? Bold and guaranteed by A. T. Brown.

Deceased: Mrs. A. E. Mowat, on Friday, Dec. 1st, 1910, at the age of 84 years, after a long illness. Burial in the cemetery on Monday, Dec. 6th, 1910, at 10 o'clock. Interment in the cemetery of the Ontario Agricultural College.

The Acton Free Press THURSDAY, DECEMBER 24th, 1910 CHRISTMAS NUMBER NEXT WEEK

Owing to the extra time required to getting out the five two-color work on the suggestion of the Free Press Christmas Number, we find we cannot do the splendid edition justice and leave before next Thursday, 25th inst. The delay will enable us to get out a larger edition, so we can thank you in order for another week for copies wrapped ready for mailing at 10c each. Order to-day.

EDITORIAL NOTES

It is announced that the Ontario Government has decided to extend the Temiskaming and Northern Ontario Railway into Porcupine, Northern Ontario. An order-in-council has been passed for the extension from a point on the main line near Kelen to Porcupine—a distance of from 30 to 32 miles, and at an estimated cost of \$1,200,000. Canada's trade continues to show gratifying expansion. Our exports of domestic products for the last calendar year totalled \$270,247,000, nearly \$111,000,000 more than ten years before. Our imports for consumption aggregated \$275,881,000, of which \$227,291,000 were dutiable goods, and \$48,590,000 free. Of our exports something like \$127,000,000 worth, over 65 per cent. of the total, came from the farm.

Agriculture is progressing. It is the intention of the World Bank, Toronto, to collect the latest and best practices from the facts presented, from week to week, thus making it possible for our readers to appropriate for their own use, that which will enable them to get the largest returns for their crops, the greatest value for their labor, and the largest comfort from their surroundings. No effort will be spared by the publishers of The Sun to bring this about. The Sun should be every farm home.

CREWSON'S CORNERS

The oldest resident of this part of the county passed away last Friday night, when Paul Cripps, who was in his ninety-sixth year, was called to his reward. He was a son of the late John Cripps, who came from Philadelphia, Pa., about the beginning of the last century, and settled in Barton township, on the mountains just above Hamilton. Here the subject of this sketch was born in 1811. When in his youth the family moved to Erasmus. He was married 72 years ago to Elizabeth Soper, daughter of the late John Soper. Mr. and Mrs. Cripps lived happily together for 67 years, when the partner of his joys and sorrows was called home. The family comprised four sons and seven daughters, of whom the following survive: Mrs. Ellen Stevenson, Bookchinawau; Mrs. Alex. McIntosh, Grosvenor; Mrs. Mrs. Wm. Anderson, Acton; Mrs. Robert Stevenson, Acton; Mrs. Mich. Misses Emma and Cynthia, at home; John H. Eric; Alex. Superintendent of Construction of the Hamilton Co., Acton; and W. H., on the home, in 3, con. 7, Erasmus.

The subject was a man of quiet disposition, and enjoyed general esteem. He was one of the original members of the Disciples' Church at Everton, and continued his membership until his death. The funeral on Monday to Pearson Cemetery was largely attended. Rev. G. F. O. Welman, his pastor, conducted the service. The pallbearers were: Messrs. John H. Alexander, William, Edwin and D. Cripps, and Jim Barr.
