Splitting Cough.
Mr. J. H. Richards, 1862 Second Ave.,
East, Vancouver, B.C., writes: "Allow
me to write a few lines in praise of your
Dr. Wood's Norway Pine Syrup. Last
fall I contracted a heavy cold which left
me with a hacking cough and every time
I would get a little more cold this hacking
cough would become a lung-splitting cough
and I kept on getting worse until I kept on
spending money buying different cough
remedies until I found what you had
had over tried Dr. Wood's Norway Pine
Syrup. I told him I was willing to try
anything I thought would cure me, and
the same day bought two bottles. The
first bottle I used was used by my cough
but I had used a bottle and a half and my
cough was gone. I am keeping the other
bottle in case I should come again, but
I am sure I have a positive cure. Let
me recommend Dr. Wood's Norway Pine
Syrup to all who have a cough or
throat irritation of any kind."
