Icy Roadway Caused a Spill

Last Thursday morning as Dairyman Clarridge was delivering milk on Agnes Street the icy hillside caused the sleigh to slide down rather rapidly and the horse started down at a good pace, when turning on to Elgin Street the sleigh upset and two full cans of prime Acton Diary milk capsized, and their contents enriched the street.

The bride was becomingly attired in cream voile over silk. Little Miss Jean Mackenzie acted as flower girl. The Methodist Special Services

The evangelistic services are being continued this week. Rev. G. W. Barker continued his earnest sermons and exhortations on Thursday and Friday evenings. His assistance during the week was much appreciated by the pastor and people. On Monday, Tuesday and Wednesday evenings of this week Rev. Joseph Dinnick, of London, Eng., who has been attending the Chapman-Alexander meetings in Toronto, has given the addresses. Many items of interest from the Toronto services have been given. Yesterday afternoon a children's service was held in the school room at 4.30, at which appropriate addresses were given by Dr. Antliff and Mr. Dinnick. Dr. Antliff and the local workers will conduct the services to-night and to-morrow night.

A Lively Runaway on Saturday

The icy roadway was the cause of an exciting runaway on Mill Street on Saturday afternoon. Mr. Hiram Fisher, of Erin, had his team at Taylor's blacksmith shop being shod and his son was driving them down Main St. when the icy roadway caused the bobsleighs to slew from one side of the street to the other. This frightened the team and they came down the street at a rapid pace. At the corner of Mill Street the rig struck a telephone pole, threw off the box and young Fisher was thrown out. He was dragged for a block under the sleigh but became extricated at the post office, somewhat bruised but not much hurt. The team ran up Mill Street, over the G. T. R. tracks and as far as Wellington Street, where they got into deep snow and stopped. The box was badly smashed but otherwise not much damage resulted.

Jno. A. Paterson, K. C., on Missions

Missions was the topic for the service in Knox Church last Sunday morning, and Mr. Jno. A. Paterson, the eminent King's Counsellor, of Toronto, was the speaker. Mr. Paterson gave a very interesting resume of the missionary enterprise, especially since the inception of the Laymen's Missionary Movement, showed the very manifest duty of the Christain church for the evangelization of the world, and the privilege all should appreciate in having a share in this great work. He explained the action of the church in Canada in accepting definite portions of the heathen world as their share for evangelization during the present generation, and gave interesting statistics showing what is being aimed at by local churches, and what is being accomplished where intelligent, enthusiastic and consecrated efforts are being made for the accomplishment of the end aimed at. Mr. Paterson pleaded for more generous and systematic givings for the missionary cause, and suggested that the congregation should aim to reach the minimum amount fixed by the church —ten cents per week, or $5 per annum. Mr. Paterson also spoke fervently and with much interest in the Knox and Methodist Sunday Schools in the afternoon. His zeal is tempered with knowledge and his enthusiasm is born of a whole-souled vision of God's will, and a determination on his part to carry it to a successful consummation.

SAD FATAL COASTING ACCIDENT

Herbert Gamble, Son of Thomas Gamble, Fatally Injured Monday Evening

FIVE COMPANIONS HAD NARROW ESCAPE

On Monday evening while coasting down Brock Street, Herbert S. Gamble, youngest son of Thomas Gamble, Church Street, sustained injuries through coming in contact with a heavy bobsleigh at the foot of the hill, which terminated fatally a couple of hours later.

Herbert, in company with his boon companion, Arthur Kenney, and Misses Nellie Williams, Bertha Brown, Nora and Frances Kenney, had been coasting down Agnes Street during the evening on a coasting bobsleigh. They went up to Victoria Avenue and negotiated the hill to Fairy Lake for several trips, and then made a call at the home of Mr. Ed. Gamble, brother of the deceased, on Victoria Avenue. Shortly before nine o'clock they left Mr. Gamble's to return home, and decided to coast down Brock Street. This street terminates before reaching Main Street in a very sharp declivity. The hill was coated with ice and a terrific speed was attained. After crossing Main Street the swiftly running sleigh struck with terrible force a pair of heavy bobsleighs which were standing in the shadow near the corner of N. P. McLean's blacksmith shop, and not discernable to Herbert, who who was steering. The poor fellow's head struck the standing sleigh and and the impact fractured his skull causing concussion of the brain. The others were thrown in a heap, but beyond a few scratches and bruises escaped unhurt.

The injured young man was carried into the residence of Mr. N. P. McLam and Drs. Holmes and Gray were promptly in attendence. He never regained consciousness and passed away about eleven o'clock.

Herbert Stanley Gamble was born in Acton on the 3rd July, 1901, and was the youngest child of Thomas and Mary Gamble, esteemed residents of Acton for many years. Herbert was a bright, manly, good natured young fellow, affectionate in disposition, and a most dutiful son. For several months his father has been in poor health, and he exerted himself in every way possible to relieve the father and mother from any anxiety regarding affairs of the home. He was a regular attendant at the services of Knox Church, the Sunday School and the Young People's Society, and at the annual meeting last week was elected to the office of Assistant Secretary of the Sunday School. He was a young man of excellent character and chose for his closest friends young men who aim to live good and helpful lives.

The tragic event has filled the hearts of all with sorrow and sincerest sympathy for the parents and friends bereft. Mr. James Edgar Gamble is his brother, and Mrs. Wm. Laird and Mrs. Sidney Gunton his sisters.

The funeral will be held to Fairview Cemetery after a service at the home at two o'clock this afternoon.

Death of Frank Dowler, Guelph

Mr. Frank Dowler, for 25 years a well-known dry goods merchant, of Guelph, and only recently retired from business, dropped dead at his residence on Monday evening. He was in his usual health, and had just come in from a drive when in a severe fit of coughing he ruptured a blood-vessel and expired immediately. Deceased leaves a widow and a family of grown-up daughters.

Farmers' and Woman's Institutes

In the Town Hall this afternoon at two o'clock, Mr. G. Barbour, Cronshill, will address the men on "Beef Cattle." At three o'clock, Mr. R. M. McCurdy, Vienna, will speak on "Farm Drainage." The women's meeting at three o'clock in the council chamber will be addressed by Mrs. F. M. Watts, of Clinton, on "What Mothers and Daughters Should Know and Remember." The evening meeting will be held at 7.30. Addresses by Mr. R. M. McCurdy on "The Short Rotation and Hoed Crops in Relation to the Weed Evil"; Mrs. F. M. Watts on "Happiness in the home," and Mr. G. Barbour on "Present Day Needs of Ontario Agriculture."

Success Attending His Pastorate

Respecting the annual meeting of Chalmers' Church, Toronto, last week, the World says: "Rev. H. A. Macpherson's salary was increased by $200 a year, and an additional $100 was presented to him as an honorarium for his services in the past year, which proved the best in the history of the church. One hundred and sixty-eight new members were received and the membership roll stands at 1150. Receipts from all sources were $17,156.47, including board of managers $11,191, missions $2251, Sunday School $1508 and woman's association $506. The duplex envelopes were introduced at first of year and increased the number of contributors by 50 per cent. During the year a new primary class room was built, costing over $3000, all paid for. There was also paid $500 on mortgage account. Social settlement work has been well supported. A house has been secured where two widows and seven children are being at present cared for."

HOW TO GET FREE

A 50c. BOTTLE OF PSYCHINE

(PRONOUNCED SI-KEEN)

The white corpuscles of the blood—the Phagocytes, as they are known scientifically—are the policemen of the scavengers of the body.

Not a germ of disease can invade the body anywhere but these white corpuscles get after it. And, if they are strong enough or in sufficient numbers, they devour it.

If they're not strong enough or in sufficient numbers, then the invading army of disease germs triumphs and disease holds the body.

Any preparation that strengthens these white corpuscles or that increases their number, will not only preserve health, but will build up its defences so strongly that contagion or infection are impossible.

* * *

Herbs have always been great curative agents from time immemorial.

They have been styled nature's own remedies.

Certain herbs more than others are noted for their curative powers.

And it has been found that those herbs that are most effective in maintaining or restoring health, do so by building up the white corpuscles or Phagocytes.

* * *

These herbs are incorporated in Psychine.

And it is the tremendous curative power of these herbs that is responsible for the unequalled record of this splendid preparation.

Think of it. In Psychine we have a preparation that has been in use a third of a century. That has cured hundreds of thousands of many kinds of diseases.

For which we have received hundreds of thousands of unsolicited testimonials.

Indigestion	Catarrh of Stomach
Poor Appetite	Night Sweats
Chills and Fevers	Obstinate Coughs
Sleeplessness and Nervous Troubles	Laryngitis and Dyspepsia
After-effects of Pleurisy, Pneumonia and La Grippe.	

Now we don't ask you to take our word for the tremendously beneficial effect of Psychine. Fill out the coupon below, mail it to us and we'll give your druggist an order (for which we pay him the regular retail price) for a 50-cent bottle of Psychine to be given you free of cost.

And we do that to show our entire confidence in this wonderful preparation.

A confidence that has been based on our third of a century's experience with this splendid preparation with a full knowledge of the hundreds of thousands of cures it has made.
