CONSTIPATION CURED BY THE USE OF MILBURN'S 'LAXA-LIVER PILLS'

Constipation is one of the most frequent, and at the same time, one of the most serious of the minor ailments to which mankind is subject, and should never be allowed to continue.

A free motion of the bowels daily should be the rule with every one who aspires to perfect health.

Mrs. Fred. Hall, 209 Hillieria Road, Montreal, Que., writes:—"Having been troubled with constipation for many years, I tried everything I knew of, a friend advised me to use Milburn's Laxa-Liver Pills. I used four or five pills and I am completely cured. I can gladly recommend them to all who suffer from constipation."

Milburn's Laxa-Liver Pills are 25 cents per box, or three boxes for \$1.25, at all druggists, or mailed direct by The T. T. Millburn Co., Limited, Toronto, Ont.

Castoria, Ont., Feb. 7, '10. The W. A. Jenkins Mfg. Co., London, Ont.: Gentlemen—We have been using Royal Purple Poultry and Stock Specific for the last three weeks, and must say that we are very much pleased with the results.

Mrs. W. A. Jenkins Mfg. Co., London, Ont.: Gentlemen—Last Fall we had in our stable a young mare belonging to Miss Clouston, of Montreal. We could not feed her any grain on account of causing violent scouring, consequently raising her to become weak and thin. We commenced using your Royal Purple Stock Specific, and the results were wonderful.

After using it three weeks, we found we could feed the animal grain or any other food, without any further trouble. We actually took on in this time twenty pounds of flesh, we were working her at the same time through 150 lbs. of hay. I can truly say that your Royal Purple Stock Specific is a great benefit to all other tonics and stock food on the market combined. Yours truly, ANDREW HICKS.

A TRUE STORY

Mr. Cook had an extraordinary fall after he had had his gas stove one month. Protest to the gas company brought no explanation, so he went to the cook for one and opened the subject with:

"How do you like the gas stove, Mary?"

"I haven't had to light the stove but once since it came."

A BAD COLD

Developed into BRONCHITIS.

Neglected Bronchitis is very often the direct cause of Consumption, and on the first symptoms appearing the Norway Pine Syrup should be used and the Bronchitis cured.

The symptoms are, first, a sore throat, chest, sharp pains and a difficulty in breathing, a secretion of thick phlegm, at first white, and later of a greenish or yellowish color, coming from the bronchial tubes when coughing, especially the first thing in the morning.

Mrs. Dan. J. McCormack, Cleveland, N.H., writes: "My little boy two years old caught a bad cold which developed into Bronchitis. He was so choked up he could hardly breathe. Realizing that your wonderful medicine, Dr. Wood's Norway Pine Syrup, I decided to try a bottle and with such good result I got another which completely cured him, without having a doctor. I cannot say too much in its praise. I would not be without it in the house as I consider it a sure cure for Colds and Bronchitis."

The price of "Dr. Wood's" Norway Pine Syrup is 25c. It is put up as a yellow wrapper. Three pence more in the trade mark. The same and accept no substitute for Dr. Wood's.

Manufactured only by The T. T. Millburn Co., Limited, Toronto, Ont.
