"Electrolene" is 220 per gallon, or 100 in 5 guilon lots Cans filled by day or night. g gallon lots delivered

"ELECTROLENE", is the front grade of temp oil refined, and is so far about of common American and Canadian Oils that once you have tried it you will not go back to the old-kind. It gives a whiter light, does not smoke up your chimneys, and is odorless when burning. We have steady customers who have never used any other kind for years and we can refer you to them. "Last week we installed a "Howser" selfmeasuring Oil Fump and Tank and now we claim we are in a position, to give even better satisfaction than in the past. This pump delivers oil direct lato the cans withour spitting of short measure, and will fill a s gallon can in one minute. This outfit is certified to by the Government, and we could not give you short measure even U we wanted to. Let us have a trial at your oil trade. WE OPEN THIS WEEK THE Dainty Little Tea Room New Soda Fountain

More Conveniences Installed at The Right House-You Can Spend the Entire

Day in the Big Store Now DT was some years ago when the first Acton patron of THE RIGHT HOUSE expressed the wish that some day it would be possible to come into THE RIGHT HOUSE and spend the entire day within these four hospitable walls, without even the necessity of leaving

the building for a light lunch. That Day Has Come-You Can Get a Light Luncheon in the New Tea Room

While THE RIGHT HOUSE does not wish you to understand that it is serving anything like a complete dinner in its new basement, the menu arranged will solve a problem that hitherto has bothered many of our patrons-where to get a tasty, quickly-served cup of tea or coffee and a sandwich, piece of cake or dish of ice cream to break

the gap between breakfast and dinner.

All Kinds of Delightful Drinks at the Soda Fountain The Fletcher Soda Fountain Co. has installed in the basement of THE RIGHT HOUSE one of the largest, handsomest brightest and most modern equipped Soda Fountains in Canada. Every known feature that guarantees-cleanliness, brightness, quick-service, etc., has been included in the equipment of this Fountain. The ice cream served at THE RIGHT HOUSE has been tested and highly approved by government experts. The water is filtered through

stone right on the premises-we trust no one else to do it. Remember to Visit These Delightful Additions to our New Basement on Your Next Visit to Hamilton'
