IN MEMORIAM

WALLACE—In loving remembrance of Susanna O'Neill, beloved wife of Benjamin Wallace, who died March 25th, 1910.

A precious mother from us has gone,
One voice we loved is still,
Her vacant chair is empty now,
And never can be filled.

One year has passed,
It seems but yesterday,
Often we hear her footsteps
And see her smiling face.

As years go by we'll miss her more,
Only our sad hearts can tell;
We'll never forget the cross she bore
With patience to the end.

We would never call her back
From her peace and happiness;
Though with sorrowful hearts we mourn
The loss of a loving mother.

She's now asleep in Jesus,
Blessed sleep, from which none ever
wakes to weep;
Calm and undisturbed repose,
Unbroken by the last of foes.

EDITORIAL NOTES

The Texas legislature, which adjourned two weeks ago, voted to submit to the people, at a special election on July 22nd, an amendment to the constitution, providing for state-wide prohibition. Under the local option system in Texas 156 of the 246 counties have already voted out the bar rooms. It will soon be time for Ontario to follow suit.

The Customs revenue of the Dominion for the fiscal year, closed with March, shows the unprecedented gain of $12,280,030 over the fiscal year ending March 31st, 1910. For the twelve months ending March 31, 1911, the total revenue was $72,343,803.07 as compared with $60,061,026.56 for 1910, the year just ending being the biggest in the history of the country.

The nearness of the opening of ocean navigation at St. Lawrence ports makes interesting a statement recently published concerning the amount of traffic which has gone through the port of St. John, N. B., during the past winter. Up to date the value of the exports leaving by that port has exceeded $13,000,000, showing a substantial increase over the business done for the same period last year. The rush of immigrants is unusually heavy for so early in the season. In one week of the present month no less than 3,803 immigrants were on the seas en route from Glasgow, Liverpool and Havre bound for the port of St. John.

Attention is directed to the letter of the China Famine Relief Committee in another column. The Committee have undertaken this praiseworthy charity with enthusiasm and last Saturday Mr. S. J. Moore, the treasurer, was able to forward $24,000 to the properly authorized authorities in China to aid in the relief movement. The FREE PRESS willingly gives its support to the efforts for relief and emphasizes strongly the need for prompt action on the part of all disposed to lend a helping hand. If our readers so desire we will gladly forward their contributions to the treasurer of the General Committee, and will acknowledge all amounts received from week to week in our columns. If any prefer to send direct to Toronto the end aimed at will be thereby accomplished. Prompt action is desirable in any case.

The people of Oakville are taking a very laudable interest in beautifying the town, by removing the unsightly features and enhancing the appearance of the beauty spots. A public meeting was held last week, at which the mayor presided and a large number attended, when the subject was discussed under very favorable auspices. Mrs. Annette C. McCrea, of Chicago, an experienced landscape artist of very artistic and observant experience, addressed the audience at length. She spoke of the unsightly ash piles and garbage littering some streets and back yards, the atrocious bill boards, and the lack of color harmony in the stores and residences. She recommended a park and improvement commission of citizens and showed the advantage of a "municipal cleaning day" to any town. Such civic improvement should appeal to every resident of a town. Acton could well afford to have a similar meeting for the discussion of civic betterment in general appearances.

WHEEL TRANSPORT RESERVE CORPS

The Annual Mobilization of the Acton Corps before Capt. Bell

The annual mobilization of the Acton Wheel Transport Reserve Corps of the Western Ontario Army Service Division was held at the drill hall here last Wednesday forenoon, before Capt. Bell, of Toronto, who is in command of the Division, and Capt. Gamble, inspecting officer.

The following members of Acton corps mobilized, each with team and service waggon: A. T. Mann, Donald Mann, Arch. McGregor, Joseph Flynn, Neil Lynd, R. N. Brown, Jas. McMillan, A. R. Murray, John Black, James Gamble, W. Y. Grey, R. H. Wansbrough, Peter Hilts, John McGregor, Wm. McGregor, Robert Wallace, and W. D. Anderson.

Capt. Bell spoke in highly complimentary terms of the character of the teams and equipment mobilized and was well satisfied with the turnout.

ELECTRICIAN SNODDY ENGAGED

He Has Been on Trial at the Power House for the Past Month

AND HAS PROVEN SATISFACTORY

The Reeve and Councillors were well present at the regular meeting of the Council on Monday evening, at 7.30 o'clock.

The seventh report of the Finance Committee was presented, and payment of the following accounts recommended:

Johnstone & Co., supplies	$ 7 47
" " charity, fun-	
eral expenses, Walter babe	6 00
W. D. Anderson, teaming	12 00
G. T. R., freight and advances	
on coal	87 04
Canadian Westinghouse Co.,	
meters	11 90
Bell Telephone Co.	50
Hamilton Engine Packing Co.,	
supplies	21 71
	$147 52

The report was adopted.

Matters pertaining to the town's electric lighting system occupied the Council's time for the remainder of the session.

As the month for which Electrician Snoddy, of St. Marys, had been engaged closes to-day, it was necessary for the Council to decide on his permanent engagement or otherwise.

The Reeve threw the matter open for discussion, and as all the members agreed that the electrician's services for the past month had proven entirely satisfactory, it was decided to engage Mr. Snoddy at the salary of $55 per month. The form of agreement, stating duties of electrician, was read and prepared for Mr. Snoddy's signature.

Applications have been received from several parties for electric light current, but considering the overload which is being carried now, the Council had no alternative but to refuse all applicants.

The Reeve stated that he had been approached recently by representatives of three different coal companies, regarding the corporation contracting with one of them exclusively for the year's supply of coal. No advantage is gained in price by such a contract, but it ensures prompt shipment, and, in event of a strike, contract orders are first filled. Last year the Council paid $4.00½ per ton for its coal, while this year it is quoted by the companies referred to, at $3.08, $3.03 and $3.78.

Before entering upon a contract it was decided to be the better plan to try a sample car from each of the firms and have the electrician report on qualities of each.

There was a quiet little discussion as to the proposed roadwork for the year, also regarding the new fire tanks to be built this spring, but nothing definite was decided on.

The Reeve reported that while a complaint had been made about the piano in the town hall not being in first-class condition, he had made enquiries of local musicians who declared it to be perfectly satisfactory.

Council adjourned shortly after nine o'clock.

CHINA FAMINE RELIEF COMMITTEE

DEAR MR. EDITOR:

We are writing the editors of our Dominion asking their co-operation in securing help for the famine-stricken provinces of Anhui and Kiangsu in China, where nearly three million people are destitute and perishing.

The conditions there are appalling. The harvest was all destroyed by the terrible flood, and no food can be had from the soil until June or later. Many villages were entirely swept away and the people left homeless and in dire distress. Multitudes gather together in great camps; those who are strong enough wander over the hills, pulling up roots of weeds for fuel in cooking the pittance of rice they may receive from the relief agencies.—The suffering is terrible. Thousands of tottering babies, boys and girls clad in rags—if clad at all—are about everywhere; old men and women hobble about leaning on sticks for support, or lie by the wayside, their eyes staring up in mute appeal. Many thousands have perished, and it is estimated that over a million will die unless help is immediately sent.

The Chinese Consul-General at Ottawa writes that the distress is indescribable. The Honorary Secretary of the Distributing Committee in Shanghai, cables that the famine area is larger than at first believed. Bishop White, of Honan, cables an urgent appeal for help.

The one hundred thousand dollars asked from Canada to help meet this awful situation should be easily and immediately secured. One dollar and fifty cents will save a human life. How many lives will your readers save?

The editors of our country can do more than any other class to assist in this work. We ask you to make a strong appeal through your paper, making use of this letter as you may think necessary, noting that His Excellency Earl Grey, His Honor, the Lieut.-Governor, J. M. Gibson, and the Hon. Sir James Whitney are giving this movement their hearty support. We suggest that in making the appeal you give your readers the alternative of sending contributions direct to the Treasurer of the Central Committee, Mr. S. J. Moore, 445 King Street West, Toronto, or sending to you, and that in the latter case you acknowledge all such contributions through your columns, and remit weekly to the Treasurer, Mr. Moore.

Trusting that in response to this cry of suffering humanity you will do all you can and that we may receive a reply from you, and a copy of the paper containing your first appeal.

On behalf of the Committee, we are,

Yours sincerely,
W. A. CHARLTON, Chairman.
J. H. GUNDY, Secretary.

ADDRESS AND PRESENTATION

An Interesting Evening at Last Meeting of Greenock Literary Society

On Thursday evening, March 30th, Greenock Literary Society held their monthly open meeting, Mr. J. E. Pearen presiding. Owing to several circumstances this meeting was one of unusual interest and was very largely attended.

A good programme was given by members of the society, consisting of readings, recitations, speeches, solos, organ duetts and mouth organ solos, interspersed with selections by Greenock Orchestra.

The chief feature of the programme was a very interesting debate on the subject of "Reciprocity". That afternoon of the speakers on the affirmative found that it would be impossible for him to attend, so Mr. Basil Johnston kindly agreed to act as substitute. The affirmative was supported by Messrs. W. P. Near and Basil Johnston, and the negative by Messrs. A. Storey and J. Cole, of Acton. Decision was given in favor of the negative. The judges were Messrs. Johns, Dayman and H. Lambert. A hearty vote of thanks was tendered to Messrs. Storey and Cole for their invaluable assistance.

At the close of the programme a presentation was held for Mr. and Mrs. S. McLachlan and family on the eve of their departure for Alberta.

The chairman called upon Mr. James Kirkwood, ex-M. P. P., who read the following address:

TO MR. AND MRS. MCLACHLAN:

It is with feelings of deepest regret that we have learned of your intention to sever your connection with this community to take up your abode in the far west.

During the years which you have lived amongst us you have, by your walk and conversation, won the respect and esteem of all with whom you came in contact, and our associations with you, whether in business or in the social circle, have been of the most pleasant nature. You were ever ready to lend a helping hand in every good work, and this very countenance but intensifies the loss which we shall sustain by your removal from our midst.

As you go to your new home we pray that God's richest blessings may accompany you, and that he may grant you prosperity, and make your influence a strong factor in moulding and developing that community into what He would have it to be.

We trust that you may, ere many years have elapsed, return to visit your old neighborhood, and we assure you that you shall always find an open door and a hearty welcome.

Before going from us we ask you to accept this purse, not for any intrinsic value it may possess, but for the kindly feelings which prompted its bestowal. We hope that in future days it may remind you of your old friends in Greenock and surrounding community and prompt kindly recollections of the donors.

Signed on behalf of your old friends and neighbors:

W. P. NEAR — JOEL W. LESLIE
FRED WORT — WILLIAM K. NEAR
ALEX. THOMPSON — JAMES KIRKWOOD
HOWARD LAMBERT

The presentation was made by Mr. Joel W. Leslie.

Mr. McLachlan made a very suitable and feeling reply on behalf of himself and Mrs. McLachlan, warmly thanking his friends for their gift and for the kindly sentiments expressed. In the course of his remarks he said he hoped to better his circumstances by his change of location, but that he could never hope to find a better community in which to live than that which he was about to leave, and assured his friends that he would never cherish other than the most kindly feelings toward them.

Mrs. J. E. Pearen was then called upon and read an address to Miss Cecile and Messrs. Harold and Frank McLaughlin.

At the proper time Miss Margaret A. K. Near and Mr. Fred West presented them with volumes of Byron's Browning's and Heman's poems on behalf of the literary society. Mr. Harold replied on behalf of himself and his sister and brother, cordially thanking the literary society for their gifts and kind sentiments.

Mr. McLaughlin and son Harold leave next week for Cautor, Alberta.

We have been busy this past week fixing up a lot of second-hand watches which are perfectly good time-keepers, but a little old-fashioned. They are far better than that dollar and two dollar trash, because they were well made in the first place and are good for twenty or thirty years yet. We have tested them thoroughly and proved them to be in good order.

The prices are $3, $3.50 and $4, and are warranted for a year the same as new ones. — Pringle, the Jeweler, Guelph.
