NEWS OF LOCAL IMPORT.

Rev. Mr. Draper Max Sunday
Rev. Chas. D. Draper, the new
pastor of the Methodist Church,
is expected to arrive in Acton with his
family this evening. He will occupy
the pulpit next Sunday morning and
evening.

Had a Fine Fishing Excursion
Meers, O. C. Speight, W. Bauer, J.
Sharp, and R. J. McNabb, who had
joined them the first of the week,
turned home from their fishing trip to
Nottawasaga Bay, near Stayner, on
Sunday evening. They had a very
successful and enjoyable outing, and
were generous to their friends here in
the disposition of their splendid catch
of bass, pike, pickerel and shad.

Their First Communion
Sixteen children of St. Joseph's
Church partook of their first communion
last Sunday. Rev. Father Traynor
had the class in preparation for
some time. On Sunday morning
they met at St. Joseph's parsonage,
where the girls took the veil, and all
marched in procession to the church.
Interesting services followed and
Father Traynor in very earnest but
tender words of counsel addressed the
children upon the great responsibilities
that they were taking.

New Home on Willow Street
Mrs. D. McKeown has had the building
at the corner of Willow and Agnes
Street torn down and has let the
contract to Contractor Cameron for the
erection of a double house on the site.
The building torn down was one of
the landmarks of the town. It was
erected about sixty years ago by the
late John Speight for a paint shop for
his carriage works. Later the original
building was enlarged and used as
a furniture warehouse by J. Speight &
Son, until the death of Mr. J. A.
Speight seven years ago.

Manitou Garden Party—14th July
The public is already talking with very
pleasurable anticipation of the
manitou garden party to be held in
the park on Tuesday evening, July
14th. The famous Sherlock Male
Quartette, whose reputation is continental,
and Miss Euphemia McDonald, the
renowned soloist, will provide a most
attractive programme. The
quartette comprises Mr. J. M. Sher-
lock, 1st tenor and director; Mr. Arthur
Haxter, 2nd tenor; Mr. W. N.
McKendry, 1st bass, and Mr. W. H.
Norris, 2nd bass. Everyone of these
gentlemen is a specialist. Miss Laura
Eliza Gray will be the accompanist.

Re-Upon of High School Students
A quarter-century re-union of the
students of Georgetown High School
will be held at the school on September
1st and 2nd. The first day will be
spent in a general reunion of the
class of 1886, a second day will be
spent in a general reunion of the
class of 1887.

Prayer Meeting
There will be a banquet
on the trees of the recreation
grounds, a tablet to the memory of
the late Joseph Barber will be unveiled,
and there will be entertainments
and events of interest crowding the
two days with pleasure. Dr. H. D.
Watson is chairman of the reunion
committee. Action alone has over 100
participants.

Patrols League Shows
In view of the near approach of our
national birthday, the League service
this week was of a patriotic character.

In order to have Mr. D. Henderson,
M.P., address the meeting, the service
was held on Monday instead of Tues-
day evening. Mr. Henderson spoke of
the magnitude of our fair land, its
geography, wealth, population, etc.,
and then told, in a very interesting
manner of many of the things he had
seen in his travels between the two
oceans. He was tendered a vote of
applause for his kindness in addressing
the League. The school room was de-
corated with flags, etc., and the patri-
otic songs were rendered by the
League choir. The meeting closed with
the National Anthem.

The Dominion Day demonstration

organized by the Fire Brigade will
bring large crowds to town. In addition
to the long list of foot races,
games and athletic contests three ex-
citing base ball matches will be
arranged. At 10:30 St. Patrick's, of Toronto,
will play Acton. At 1:30 Bell-
fairs, of Toronto, will play a crack
team from Morriston, and at 3:30 the
winners of the above matches will
play for the championship of the day.

The band will be in appearance. A
large number of visiting firms and
other organizations will be present.

And now, brethren, I command you to
God, and to the word of his grace,
which is able to build you up, and to
give you an inheritance among all
those which are sanctified. I cannot
claim much of the excellencies of
Paul's ministry, but I have earnestly
tried to uphold the gospel of Christ as
he did. Paul preached with humility,
but this is the first principle which
characterizes the ministry. No minis-
ter who feels as he ought the responsibil-
ity of his office will ever lift up his
head with pride. The man behind
the sermon is what counts. His life
must be beyond reproach. He must
be tender and faithful, diligent and
courageous. His doctrine must be
repentance towards God and faith in
our Lord Jesus Christ.

In concluding a very tender and
effective sermon the Dr. exhorted the
congregation to pray for their minis-
ter and for the officials, and pray for
him. For the pastor who is con-
cerned to you. If you pray you will not
criticise, for praying and criticising
never go together. I know you have
been faithful, but there are greater
things to come than present. And
you will come to this experience. Get
ready for it. Do all the work you can
for God and for your fellowmen. I
commend you to God and the word of
His grace.

At the Sunday School in the after-
noon Dr. Antill spoke very feelingly
to the members of the school, and
what he said has been spoken to him
since by many others, since he
has had my confidence.

John, a bricklayer, had a
very narrow escape from serious
injury during a visit to Guelph
yesterday. He was having
a glass of beer at a pub on Wyndham
Street, when he slipped and fell
over some stones on the floor, and
the glass of beer fell to the ground,
knocking him to the floor, and
he was unconscious for a few moments.
He was soon recovered, however,
and wanted to get back to his hotel.
A doctor examined him and found
nothing serious. He was brought
home on a stretcher and the evening
train. In fact, he had the pangs of
a severe attack of appendicitis, which
was painful but not dangerous.
He also sustained internal injuries
but, however, he was not seriously
hurt. He was taken to a hospital
and was visited by a doctor who
which filled the stomach.
