O, the summer! glowing, blowing... O, the warmth and sweetness knowing...

FALL FAIR ARE COMING

List of exhibitions which readers of the Free Press in this section will probably attend:

TO MY SON, LIVERPOOL

Perhaps the most amusing case of ready identity happened at the Liverpool Post Office. A letter was received merely addressed "To My Son, Liverpool..."

Ladies of Culture and Refinement

Use Salvia Hair Tonic... Ladies of Culture and Refinement use Salvia Hair Tonic...

That Dandruff is caused by germs

is accepted by every sensible person. Dandruff is the root of all hair evils.

HALVIA will kill the dandruff germs

and remove dandruff in ten days, or money back. It will grow hair, steady scalp, falling hair, and make the hair thick and abundant.

Colonel Roosevelt, in an interview

in Schenectady, said, apropos of charges that had been made against him: "In Africa I knew two farmers whose farms lay side by side. A river ran through both properties, and it was full of fish. One day these two farmers fell into conversation of the fish that have been caught, to hear all the details of disputes and to settle out of court."

To Wash Cotton Blankets

Cotton blankets are washed differently from those made of wool. They should be washed in hot water, and then they should be soaked in cold water. Wash them in an hour or so in a boiler of hot water, and then wash them in several waters. Use a little bluing and dry them on the wrong side. Quite the contrary is the process of washing woollens. They cannot be washed in hot water. They should be soaked in a tub of cold water containing a half-ounce of turpentine to set the color.

Had a Weak Aching Back and a Nasty Sick Headache

Mrs. W. H. Hodges, Fielding, Sask., writes: "A few lines highly recommended Doan's Kidney Pills. For this last week I have been troubled very much with a weak aching back, and a nasty sick headache, which caused me much misery for I could not work, and had been very badly off for some time. I had been taking many kinds of pills and medicines but it seemed almost in vain. I began to give up in despair of ever being well and strong again, but when I read of Doan's Kidney Pills, which I did, and am thankful for now I am never troubled with a weak aching back or nasty headache. I will always say Doan's Kidney Pills for mine and one highly recommended them to any sufferer."

HEIRESS WEDS INSTRUCTOR

Rich Glasgow Girl Eloped With Man at Hotel Here.

The daughter of one of Glasgow's wealthiest merchants recently eloped with a skating rink instructor. The young man, who is a native of Glasgow, and who is a skater, was employed at the rink at the time of the elopement. The attraction was mutual, and during the winter of last year she was a constant visitor at the rink. In due course she returned to her home in Glasgow, and after a short stay she returned to her father's home in Glasgow, and shortly afterwards she was married to the young man at a skating rink in Glasgow. At that time she was only sixteen years of age, and her father was a wealthy merchant. The elopement was a surprise to the community, and the young man was a skating rink instructor. A Statesman's Quasi Ambition

The great fact of his life was his ambition for above politics. He had no other ambition, but that did not satisfy his soul. There was talk of England, and Gray and other statesmen were mentioned. The statesman who had been mentioned in the history of his country was a man of an opera date in London Saturday Review.

TRAIN MILK AND A HALF LONG

A Centennial train, believed to be the longest the world has ever seen, passed through Tucson, Ariz., recently from the Imperial valley. The train consisted of 130 cars, was one and one-half miles in length and contained more than 1,000,000 pounds of cantaloupe.

Children Cry FOR FLETCHER'S CASTORIA

To Men who Live Inactive Lives. Exercise in the open air is the best tonic for the stomach and system generally. But those who are unable to follow sedentary occupations and the inactivity tend to restrict the healthy action of the digestive organs and sickness follows. Parke's Vegetable Pills regulate the stomach and liver and restore healthy action. It is wise to have a packet of the pills always on hand.

It is a good thing to learn caution

by the misfortune of others. "Fryer" is estimated that the laundries of London use 750 tons of soap in a week.

The Terrible Pains of INDIGESTION

Mr. Wm. H. MacKinnon, Mount Byron, N.S.W., writes: "For more than a year I have suffered with the terrible pain of indigestion, and my life was one of the greatest misery. It did not seem to me any difference whether I ate or not, the pain was always there, accompanied by severe bloating and belching of wind. I did not even get relief at night, and sometimes tried many remedies but to no avail. I had a doctor who said I would never be well again. At this time my brother came home on a visit, and urged me to try MILBURN'S LAXATIVE PILLS, and got me a few. By the time I had taken one I began to feel better and could eat with some relief. I was greatly pleased, and continued taking the pills until all traces of the trouble had disappeared, and I could now eat all kinds of food without the slightest inconvenience. I am so firmly convinced of their virtue as a family medicine I have no hesitation in recommending them. MILBURN'S LAXATIVE PILLS are 25c per box, or five for \$1.00, at all druggists. Mail order direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont."

Dr. Miles' Nervine Raised Me From the Grave

This is a strong statement to make, but it is exactly what Mrs. Thomas Taylor, of Blum, Texas, said in expressing her opinion of this remedy.
