PROMINENT RAILROAD MAN

STRONGLY ADVISED HIS FRIENDS TO BUY THE COMPANION. "I have been a Pullman Conductor on the G. T. R. and Michigan Central during the last three years. About four years ago, I was laid up with intense pain in the spine, a very sore back, and suffered most severely when I tried to urinate. I treated with my family physician for two months for gravel in the bladder but did not receive any benefit. About that time, I met gentle, reliable man who had been similarly affected and who had been cured by taking Gil Pills, after

having been given up by a prominent physician who treated him for diabetes. He is now running on the road and is perfectly cured. He strongly advised me to try Gil Pills and I did, with the result that the pain left me entirely. PRICE 5 CENTS. BOWMAN, N. Y. Write for circular and sample box, 105

The RIGHT HOUSE HAMILTON'S FAVORITE SHOPPING PLACE ESTABLISHED IN 1843. SUPERIOR MERCHANDISE. NOW FOR THE GREAT HOLIDAY BUSINESS! Every One of our 50 or More Departments is Ready with Fresh New Lines for Personal Use or for Gifts—And an Army of Salespeople is Waiting with a Cordial Welcome. It is not too early to speak of Christmas. In the store all is bustle and eagerness for the coming of the shopping host. Fresh new merchandise of all descriptions, and from all corners of the globe, has filled in the great gaps made by the Anniversary Sale. Every salesperson is enthusiastic over the wonderful array of novelties and exceedingly special values that our increasing buying powers have enabled us to display. One woman told us last year that it was "all very well for us to talk of shopping early, but if we had to meet the monthly expenses of running a household, we'd understand why there was always a last minute rush." All that Remains, is for You to Come Here and Shop to Your Heart's Content. This was our answer: "If you do not feel that you can spend Christmas money out of November's income, talk it over with our Credit Office. If you are a dependable sort of person, we're more than ready to help you—to extend to you the same credit that business houses all over the world extend to each other—credit that entails no loss of dignity on your part, and which means that nothing is added to the purchase price of anything you desire, and that no interest will be charged." THE RIGHT HOUSE HOME FURNISHING CLUB is part of this liberal plan. Why not come in next week and get the brunt of your Christmas shopping done NOW? Railway fares Refunded. Have Lunch in the Tea Room. Thomas C. Watkins, Limited King and Hughson Sts. HAMILTON, Ont.

WHY NOT PLAN TO INSPECT OUR EXHIBIT OF FURS More Complete Assortments Than can be Seen Later on Will Make the Visit Productive of Great Pleasure. We've brought our display of Furs to an earlier completion than usual this season, for the prospect of great promise that should every one wait until the "eleventh hour" it will be practically impossible to serve everyone satisfactorily. So we urge you to visit our exhibit as a safeguard against last minute worries and consequent dissatisfaction from such. The woman who is not already the possessor of a handsome fur-lined coat will surely want one this season, for all present indications point to a pronounced popularity for this serviceable garment, and in the single pieces and sets as well as the larger shapes seem to prevail. But there are too many models to be justly told, we're positive you'll find SOMETHING much to your liking. Why Not Look Your Best? You will find beauties in your figure that you never dreamed of when you see it fitted with the exact model suited to your need in Blue Pilled Corsets. If you have never tried this make you have never seen yourself at your best. Every woman's figure, whether slender or full, tall or short, has beautiful lines if properly corseted, and the Blue is decidedly the best fitting corset you can buy. Come in and be fitted. Runs Itself Half the Time. OPERATION The secret of ease in operating the "ONE MINUTE" WASHER lies in the fly-wheel under the tub running on ball bearings. A compound lever makes it possible to run this wheel at any speed you desire. The dolly of clothes agitator on the inside of the tub throws the clothes against the corrugated sides and bottom (the washboard) twice as often as any other machine, forcing the soapy water through the clothes often and therefore does the washing in half the time required by all other machines. Four five minutes is the time required to wash a tub full of clothes with this machine. You push the handle one way of the stroke and a tub full of clothes with this machine.
