## The Acton Free Dress

THURSDAY, NOVEMBER 21, 101 EDITORIAL HOTES

MR. BEAIN, of Paul, has given notice that he will present the following resolution in the Commone: "That i the opinion of this House, wherever rural telephone system exists or hereafter quabilished in any rural to Buffalo, and in company with Mr. section of Canada, a telephone should be placed in each post office in such

section by the post office department.

bar-room is growing in nearly all brother, Fred, of Kansas City, Mo. sections of the North American continent. For the first time in history yesterday morning. every town between Rochester and The funeral was announced for Oswego on the Rome, Watertown & Tuesday afternoon, at three o'clock, Ogdenaburg division of the New York and at that hour the burial service Central Rallway has voted for no was conducted by Archdescon Davidlicense, and after the present liquor son, of Guelph. Owing to the noncertificates expire the long dry belt arrival of Mr. Fred, interment was dewill actually exist, greatly to the bene- ferred until yesterday afternoon. fit of this extensive section of New York State.

MR. LANGASTER, member of the and brothers over fifty years ago and House of Commons for Lincoln, has spent his boyhood days here. About proposed an amendment to the Mar- twenty-five years ago be went to S riage Act, asserting the validity of Catharines and ten years later settled every marriage solemnized in Canada in Buffalo. Here he completed his law form such coremonies, no matter what city. He enjoyed very high esteem in his religion or the religious of the Buffalound was especially well thought contracting parties. Mr. Lancaster of by the judges and lawyers of the said that a doubt had been cast upon city. "Mr. Second never married, the validity of certain marriages by the decision of a court in one of the provinces. Such doubts should not, he felt, be allowed to exist in Canada.

FOR THE PIRST TIME In the bistory

of Capada the Dominion parliament was opened by royalty. Special colat marked the formal opening of the first session of the twelfth parliament owing to the circumstance that for the first time the Vice-regal throne in the Senate chamber was occupied by a prince of the blood, who read the speech from the throne, first in English and then in faultiese French, much to the delight of the French-Canadian members of the House. In opening his address he said: "It is with much estisfaction that I meet for the first time the Parliament of Canada, and avail myself of your advice and assistance in tulfilment of the important charge which has been entrusted to me b His Majesty the King. I can assure you that I esteem it a privilege to b called upon to administer the affaire of this prosperous and growing Do minion, and to associate myself with you in the important duties which you are about to approach. It affords me great pleasure to congratulate you upon the continued and increasing prosperity of the country. Our trade both with British and with foreign countries, is rapidly expanding, and there is every prospect that its volume

Sloppy, leaky wooden troughs, or clean, durable Concrete?

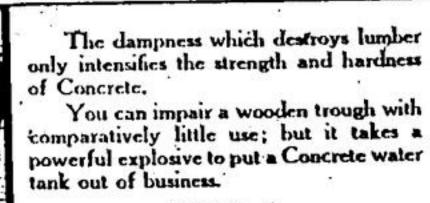

Wooden drinking troughs are about as reliable as the weather.

They are short-lived and require replacing every few years-not to mention continual patching to keep them in repair. The best of wood cannot withstand, for long, constant dampness and soaking. Its tendency to rapid decay soon shows itself in leaks and stagnant pools of

water around trough. Contrast with this the durability. cleanliness and well-ordered appearance
