Relect Family Aleading

Jean Delmont's Brother By Elds R. Johnson

-Mrs. U. K. Smith.

ROFESSOR Simeon Bruce had spened the door unheard by the one absorbed occupant of the dining-room, and for a moment be stood on the threshold, his grey eyes wondering and amused.

The room was filed with the soft sound of young lips chanting over Latin verbs. This is itself was nothing the risborately fashioned gown from surprising; but the owner of the lips it, and bung it over a big chair. In- bour the two spent together we was brading a flushed face over a cidentally be noticed a somewhat fraught with more meaning for the snowy board, and with a heavy iron shabby shoe, and a skirt the worse for younger man, than either at the time of an elaborately fashioned white on one bind. He turned away and gar Delmont as he went down the co ped up by a heavy cyclopedie, was a on the table. JOHN MILLIAMS Latin grammar and from time to time the girl glanced in its direction and

she worked. The small clock which for the moment stood on the table ticked sweetly. inexorably, its hands pointing to the hour of nine ; the burn of Latin verbs was punctuated by the little metalic click of the beavy iron as It dillgently. painstakingly, smoothed and pressed; and at length a gush of wind pushed against the door on whose threshold stood-the professor, adding a new startling sound.

The girl looked up flushing uncertainly as abe new Professor Bruce. Immediately he came toward bee "I ought to sak your pardon, my dear, for savedropping. I've been standing there watching you. Your father was shoorbed with his business friend and so I slipped out thinking I'd find you. The professor's eyes twinkled in the most friendly way. "I-eren't you working rather late? And at tw things at once ! Most of us think our selves doing well if we are busy with

Jean Delmont laughed shyly. was impossible not to like this kindly unasstining professor, and it was a easy to forget that he was a most in fluential and authorative figure in the world out there, the college world

"It is late for this but I'm not tired sir." Her words were simple and direct. "Miss Evers wants this dress in to do the work." The blue eyes shone from now you will find them where the morning and I promised I'd have again, and the professor nervously they are to-day-looking reviously the morning and I promised I'd nave diagred the bethumbed Latin gram- towards the heights where stand the Fatrans-Le Aston, on March 13th, to it ready for her. And I often study diagred the bethumbed Latin gram- towards the heights where stand the Fatrans-Le Aston, on March 13th, to my Latin like this. I rather like it. I've almost gone over the lesson." Professor Simson Bruce opened I

been on the point of apologising for bls intrusion and leaving the girl fre to proceed with her Latin. He looked about him, A room rich in mahonany, allver and cut glass. What need then for the daughter of David Del red to her father and hercelf. mont to be tolling thus late into the night, for others? If the gown had been the girl's own, now-

"Who is Miss Evers?" saked professor gently and with polite interest. "She ought to be pleased your work, my dear. It is perfect." Jean finshed with pleasure. in Professor Bruce, and so she lets do It. She is a cousin of Mrs. Gordon next door, air.
