Strale out, in hood of blue

That was her real name and not a Schillous one, as many people believe. Elizabeth Foster was born in Charlestown, Mass., a town near Boytans, she was reared, as other little maldens then were, "to be industrisew and spin. On Sunday she went to the meeting boose and sat demurely quiet through the long termon, and on

learned to read, write and count. Little Elizabeth was, nevertheless, mirth-loving child and greatly beloved

by her playmates. History does not tell de how early she began to produce her little rhymes. At the age of twenty-seven she was woord by a widower named leave Mr. C. C. Henderson was bome from Goose, who had ten little motherless goelings. Her family, and indeed Klip Mr. Thomas MoGladdery, of Fergus, sheth bereelf, opposed the match, but spont a few days this wook with friends at longth ber kind beart was softened by the pitiful plight of Father Goose

> Then six children of her own were added to the number making sixteen She probably sung them to sleep at night to "Rock-a-bye, baby, on the

His tree top," or by "Bye-o, Baby Bunting maide in a tub." When Joshua and Gliffittan took the pails and went to the top of the bill behind the boose for water and disas-
