FOR MOTHER'S SAKE
Do you know that your soul is in my soul's such part?
That you seem to be able and cure of my heart's the accommodations
None other can please me as you, dear, can do?
None other can please me or praise me as you.

Remember the world will be quick with its blame
If it know or stain even darken your name.
"Like mother like son" is a saying so true,
The world will judge largely of "Mother" by you.
Nobody knows the work it takes
To keep the home together,
Nobody knows the stress it takes,
Nobody knows—but Mother.

MOTHER
Mother! Dear, sacred name,
Sweet!
How slow we are to prove,
The height and depth and deathliness
Of perfect mother love.
We see the tender daily care, just
As the thoughtless flowers
Look up to God for daily light,
So we must look to live without
Her presence and her prayer.
Tis then that the name of mother is
To us both things and souls,
And, hovering low, we seem to feel
The shelter of a wing.
—Linda Harding Underwood.

SURPRISED THE WAITER
A Boston man travelling through the South was obliged to stop over in a small town where there was but one hotel, at which the accommodations were hardly to be called elaborate. When the colored waiter brought his dinner, Mr. C. found that he was to have roast beef, stewed tomatoes, corn, peas, potatoes and coffee, the vegetables served in the usual stucco blue cases.

Presently he said to the waiter "Dick, pass the spoon."
"Dick, pass the spoon."
The waiter rolled his eyes in genuine amazement.
"Spoon, sah! What you want with the spoon? There's yo' spoon in yo' corn."

COULD NOT RAISE MY RIGHT ARM
OLD BRIDGEPORT, C. R.—
For the past six years, I have been suffering with Rheumatism. When I read in the paper that GIN FILLS would positively cure rheumatism, I went to a free clinic to try. I could not raise my right arm because of the awful pain in my shoulder—was not able to drink. After taking a few GIN FILLS, I was able to lift my hand and put it on the top of my head.

I went to the Islands of St. Pierre and Miquelon and met an old fisherman named La Pape. His limbs were stiff from Rheumatism and I gave him some GIN FILLS. I met him again in a few days and he told me he would lift his arms, which had not been able to do for ten years. ADOLPH R. MAERLBERG, for \$5.00 money back for not satisfied. Sample free. For young or old suffering from these complaints it is the best medicine that can be produced.

I tried most every kind of medicine, but when I saw the advertisement for your Laxa-Liver Pills, I decided to try them. I had not long taken them when I felt the relief and I am now perfectly cured.'"
"I would not be without them if they cost twice as much."

Suffered With Nerve Trouble For Two Years.
WAS IMPOSSIBLE FOR HIM TO SLEEP.
Mr. Chas. W. Wood, 31 Torrance Street, Montreal, Que., writes: "For two years I suffered with nerve trouble, and it was impossible for me to sleep. It did not matter what time I went to bed, in the morning I was very weak, work-worn, dignified, wise, and with a wondrously loving. Thousands of people have misunderstood Thomas Carlyle, and done deep injustice to the faithful love he bore his gifted wife. Unless one is in the manner born and knows by intuition the peculiar loyalty and tenderness of the heart, one may perhaps be pardoned for injustice to the Carlyles in the strangely misinterpreted story of their married life. No one, however, has failed so comprehensively the exquisite devotion of Carlyle to the old mother in the little home where she was so occupied by solicitous care and never neglected by his gifted and famous son.
Some men think they have peace of heart because they have cobwebs in the brain.
"The progress of man has been measured by the progress of his ideas."—Mr. Norman Angell.

Don't let repairs eat up your profits
Whether they represent actual cash outlay, or only the time of yourself and your help, repairs are waste just the same. When you make an improvement—no matter how small its cost may be—let it be permanent. Then it is a real investment, something on which you can realize, in cash should you decide to sell your property; and something that will pay you constant dividends in convenience, sightliness and comfort as long as the farm remains your own.

HAIRS AS ALLIES
No one can succeed if his habits are not good. Talent and industry are futile if they are not coupled with the habit of indolence, of careless thinking, of self-indulgence. Start in early to form such habits as will be valuable allies, by and by. For habits and industry have a most beautiful effect upon the secretions of the digestive organs. The dyspeptic and all who suffer with liver and kidney ailments will find in these pills the most effective medicine in concentrated form that has ever been offered to the suffering.

SEVERE COLD DEVELOPED INTO PNEUMONIA
DOCTOR SAID HE WOULD NOT LIVE.
Next to consumption there are more deaths from pneumonia than from any other lung trouble.
There is only one way to prevent pneumonia, and that is to cure the cold just as soon as it appears. Dr. Wood's Norway Pine Syrup will do this quickly and effectively.
Mr. Hugh MacLeod, Heterberg, Sask., writes: "My little boy took a very severe cold, and it developed into pneumonia. The doctor said he would not live. I got some of your Dr. Wood's Norway Pine Syrup and he has recovered. He is now a strong, healthy child, and shows no signs of coming back."
Do not be talked into buying any other Norway Pine Syrup, but insist on getting the original "Dr. Wood's." It is put up in a yellow wrapper; three pine trees the trade mark; price, 25 cents.
Manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

DOCTORS ADVISE OPERATIONS
Saved by Lydia E. Pinkham's Vegetable Compound.
Swarthmore, Penn.—"For fifteen years I suffered untold agony, and for one period of nearly two years I had hemorrhages and the doctors told me I would have to undergo an operation, but I began taking Lydia E. Pinkham's Vegetable Compound and am in good health now. I can all swear the Change of Life and cannot praise my Vegetable Compound too highly. Every woman should take it at that time. I recommend it to both old and young for female troubles."—Mrs. EMILY SUMMERHILL, Swarthmore, Pa.
Canadian Woman's Experience: "Port William, Ont.—'I feel as if I had not taken it for years. I had been taking Lydia E. Pinkham's Vegetable Compound for some time, and I soon gained health and strength and could not sleep better. I know other women who have taken it for the same purpose and they join me in praising it.'—Mrs. Wm. A. RUFF, 631 South Vicar Street, Port Williams, Ontario.
Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?"
If you want special advice write to Lydia E. Pinkham, Medica Co., (South Central) Lynn, Mass. Your letter will be answered, read and answered by a treatise bold in strict confidence.
