CANADIAN NORTHERN RAILWAY

Manitoba, Saskatchewan and Alberta

Alberta, the Province already noteworthy for its fertile lands and minbrious Climate—takes first place in the total of homesteads offering. But the wonderful Wheat Lands of Sarkatchewan are well represented in the free Farms which have been thrown open for entry. Manitobs—the oldest settled of the three—holds put a large number.

Manitoba, 21,800 Saskatchewan, 48,080 Alberta, 74,000 Western Canada is so big that pratically every farming condition is met with in the combined total. There is open prairie, the bind country, which needs some clearing, and sind the rolling land where loans and climate are admirably adapted to the needs of mixed farming. The atmosphere—Clear, Dry and Invigorating—makes this land the best land to live in.

The best Homesteads are rapidly being texturely, and intending settlers will be well advised to make their eclection without delay. Write for a free booklet giving the location and a description of the land being effered.
