CHEAPER TO BUILD THAN NOT

lecause the Government and Other Orante dry Much Larger With . Koulpment than Without . FINE ADDRESS BY DR. WAUGH

The meeting of citizens held on Monday evening to discuss the proposed addition to the school buildings, as required by the government, was not very largely attended. It was withal highly interesting, and those who at tended were grateful to Dr. Waugh for the very intelligent, edifying and convincing manner in which he discussed the question.

Dr. Waugh interpreted the small attendance as showing that the property owners were entirely satisfied vote, having every confidence that the ton. School Board and the Council will do ing population.

Henderson, M. P., took the chair and in those days as possessing a famous man pro tem of the Board.

TO THOSE GOING WEST If you need a watch or a clock you will find that it will cost you much less get ting it here than out there I warrant every one I sell in this way that I will pay the postage both ways on watches during the year of warrant, and always after wards when you send them for repairs. If yours needs cleaning, you had better have it done before you go, as you do not know the watchmakers out there, and bosides, the prices are much greater. I have some good secondhand watches which would do for the boys until they grow up; prices \$3.00, \$3.50 and \$4.00 and \$5.00. All oft hem are in good running order. I get a great many back from the west to repair, and none have ever gone astray or have been broken in the mails, as I am so careful about the packing, and don't forget, I will pay the postage both ways, and guarantee you will get the watch in good order. - PRINGLE.
