**BRIEF LOCAL ITEMS**

The fruit on the cherry trees is reddening attractively.

Very enjoyable weather was provided for Dominion Day holiday making.

The Board of Education has just been advised that the regular grants to the Co-operation School this year will be \$10,000.

Notwithstanding the hot weather

65 books were issued from the Public Library in June. About 300 of these were in classes of fiction.

Dr. Urquhart, Oakville, has disposed of his 100 acre farm near Brindis for \$50,000. The farm will be subdivided and sold in small holdings.

Mr. Robert Leslie has sold his 125 acre farm as the Leslie home stand being lot 22, in the 10th concession of Eglinton township, to Mr. Joe Beaumont, of Georgetown.

James McIntosh, a blacksmith from Brampton, while driving a ride from Georgetown on Dominion Day evening, fell off his car with his hands tied behind his back. He lost the right hand at the wrist and three fingers of the left hand.

**Hydro-Electric to be Rushed**

Two Hydro-Electric engineers were here during the week laying out the town for the new system. Part of the material has already reached town and work will commence in a few days. The orders of the Committee of the Co-operation Company for the transmission line from Guelph are "Hush the Hush to Action." In all probability the system will be in full operation by July 15.

**Cooperative Teachers' Salaries**

At last meeting of the Board a resolution was passed fixing the maximum salary of \$200 per year for the forty teachers with an increase of \$25 per year until the maximum is reached, the minimum to be \$450. Teachers were re-engaged at the following salaries: Mr. Mills \$1000; Miss Ryan \$800; Miss Harrison \$750; Miss Bradley \$675; Miss Langen \$750; Miss Rice \$650; Miss Fife \$600.

**Georgetown Gas Company Shows**

The Gasoline Mercury says: "Citizens of Georgetown are complaining of the manner in which some of their workmen are allowed to fill up with liquor in Georgetown. They claim that the Georgetown hotelkeepers have shut down on them." The Herald says: "Frank Quigley, of Acton, was arrested at the Grand Trunk station last evening on a charge of drunkenness. He spent the night in the police cells and this morning was allowed to go back to the day towns."

Look on a Visit after Thirty Years

Mr. George Schubert, who is now the oldest employee of the Toronto Street Railway, having been for twenty-six years continuously engaged with the Company, visited Acton on Tuesday.

Mr. Schubert was a member of Company No. 6, Acton, under Col. Allan. He enlisted here in 1889 and was one of the veterans who went as far as Oakville when called out during the Fenian raid.

Mr. Schubert renewed acquaintance with a number of old friends.

During his stay in town he was the guest of his former comrade, Mr. W. Leishman.

**Mr. Dean's Thrift**

The Oakville News says the Court of Revision concluded its labors last week after eight sessions. It pays this compliment to a former Acton boy: "Complainant L. P. Snyder was able to give full information on each appeal, which was very valuable to the Court. Mr. Snyder must have spent a great deal of time on the memorandum roll, to be able to have every thing on his finger tips, as to value and location. Very few men would give such valuable service gratuitously."

Although there were no new cases to hear, the court adjourned for the day.

L. P. Snyder became a citizen of Oakville and, long may he continue to be one."

Many farmers will remember that last year the prospect for clover seed was rather poor in the usual seed producing parts. This year it is, if anything, worse, and it will pay farmers who have fields of clover to keep the second growth for seed. If any are fortunate enough to have clover pasture they should run the mowers over the heads and let the grass grow off the stalks most of this month. If the plants are retained for hay the grass will be done early, when the clover begins to bloom nicely, so that the second growth may have a better chance. Farmers who were able to raise seed last year profited well by it and in view of the probable scarcity of seed this season, every available field should be utilized for seed production.

**How's This?**
