This contest is along the same lines as the one which was so successful last year, except that there are three times as many prizes, and therefore three times as many chances for each contestant to win. Every farmer in Canada who uses "Canada" Cement is eligible to compete. The conditions are such that large and small users of cement have equal opportunities to win a \$50 prize.

The contest is divided into three classes, and there are first, second, third and fourth prizes (\$50, \$25, \$15 and \$10) in each class. CLASS "A"— Prime to be awarded to the four famous in such province
