PUT-OFF TOWN

Did you ever go to Put-off Town. Where the houses are old and tumble down. And everything tarried and everything dead. With dirty streets and people in rags? On the street of Blue River Old Man Wait. And his two little boys named Linger and Lifer. With ancient heads, towed hair. And a naughty little sister named Don't Care. Grandmother threw lives in this town. With her two little daughters, called Fret and Frown. And old man lay three all alone. Around the corner on the street Post-poor. Did you ever go to Put-off Town? To play with the little girls Fret and Frown. Or go to the house of Old Man Wait. And while for his boys to come to the gate? To play all day in Terry Street. Leaving your errands for other feet. To stop, or shrink, or linger, or frown. Is the correct way to this town town. Unknown.

WHERE HE WAS LACKING

A man who had served two terms in Congress was making a campaign for a third term. In the course of a speech in the town hall at Brookmorn Junction, a village near the farther boundary of his district, he said: "It is true, fellow citizens, that I have not always been able to do much as I should like to do in the matter of internal improvements in this district, but I have never lost sight of your interests a single moment. You have no idea of the obstacles that lie in the way of a Congressman who tries to appropriate for public buildings, the improvement of navigable streams, and the like, for the benefit of his constituents; but I want to assure you, fellow citizens, that I have labored constantly in your behalf to the very best of my ability." "We know it!" shouted an old farmer in the audience. "That's why we want an abler man!"

CITY CIRCULATION AGENT

Of Leading Montreal Daily

London GIVE long years of suffering from kidney trouble. Two boxes of GIN FILLS—and it's all gone. That has been my experience. My kidneys were so bad that I had to get up every night and urinate. I had been treated by some of the best physicians but without relief and I lost over fifteen pounds. One day I met one of our leading hotelkeepers, who had been cured by your famous GIN FILLS, and he advised me to try them. So I bought two boxes of your drug and before I had used one box I felt a big change. Before I finished the second one I was completely cured. I can assure you I can hardly believe it for I had been so weak that I could not now I would not have spent over one hundred dollars for nothing when two boxes of GIN FILLS cured me.

NECESSARY

"Do you believe in divorce?"

"No."

"Then you are in favor of abolishing it?"

"Oh, no, I don't believe in wet weather, but it seems to be necessary sometimes."—Chicago Herald.

SUFFERED FROM Catarrh of the Stomach For Thirty Years.

Catarrh of the Stomach is generally caused from some interference with the action of the liver, and is a malady that affects the whole body.

Some symptoms are burning pain in the stomach, constant vomiting, abnormal thirst, loss of appetite, etc.

On the first sign of any of these symptoms, take a box of Dr. Williams' Pink Pills for Pale People. They are a specific for all diseases which arise from a weak condition of the liver.

Mr. Michael Miller, of Montreal, writes: "I suffered from Catarrh of the Stomach for thirty years, and was unable to eat or sleep. I had tried every remedy, but without success. I then bought a box of Dr. Williams' Pink Pills for Pale People, and after taking a few boxes I was completely cured. I can now eat and sleep as well as ever, and I feel like a new man."

THE QUALITY OF MURDER

A notorious mountain moonshiner, familiarly known as "Wild Bill," was recently tried before a federal court in Georgia and was adjudged guilty. Before pronouncing sentence the judge lectured the prisoner on his long criminal record, and at last, informing him that the court entertained no feeling of anger toward him, but felt only unmitigated pity, sentenced him to six years in the federal penitentiary at Alcatraz. Bill stoutly shifted the quilt of tobacco in his mouth, and turned to leave the courtroom with the marshal. "One outside, the only thing he said was this: "Well, I snuck an aim he wasn't used to."

A WONDERFUL DISCOVERY

An eminent scientist, the other day, gave his opinion that the most wonderful discovery of recent years was the discovery of Zam-Buk. Just think! As soon as a single layer of Zam-Buk is applied to a wound or a sore, such injury is insured against being made into a chronic disease. Not one speck of microbe has been found that Zam-Buk does not kill! Then again, as soon as Zam-Buk is applied to a sore or a skin disease, it stops the smarting. That is why children are such friends of Zam-Buk. They care nothing for the science of the thing. All they know is that Zam-Buk stops their itching. Mothers are forever forgetting this. Again, as soon as Zam-Buk is applied to a wound or a skin disease, the cells beneath the skin's surface are so stimulated that new healthy tissue is quickly formed. The burning of fresh healthy tissue from below is Zam-Buk's secret of healing. The tissue that formed is worked up to the surface and literally casts off the diseased tissue above it. This is why Zam-Buk cures are permanent! Only the other day Mr. Marsh, of 161 Desorimier Ave., Montreal, called upon the Zam-Buk Co. and told them that for over twenty-five years he had been a martyr to eczema. His hands were at one time so covered with sores that he had to sleep in gloves. Four years ago Zam-Buk was introduced to him, and in a few months it cured him. To-day—over three years after his cure of a disease he had for twenty-five years—he is still cured, and has had no trace of any return of the eczema! The Zam-Buk Co. will send you a trial box of Zam-Buk, or we will send free trial box if you send the advertisement and a 1c stamp to pay return postage. Address Zam-Buk Co., Toronto.

Troubled With Weak Heart. Was All Run Down.

Many people are unaware of having anything wrong with their heart till some excitement, overwork or worry causes them suddenly to feel faint or dizzy, and have an all-gone sinking sensation. On the first sign of any weakness of the heart or nerves, you should not wait until your case becomes so desperate that it is going to take years to cure you, but avail yourself of a prompt and perfect cure by using Milburn's Heart and Nerve Pills. Mr. Thomas A. Stevenson, Harris, Ont., writes: "I was troubled with weak heart, and was all run down for a long while. I was almost in despair of ever getting well again, until a friend recommended me to try Milburn's Heart and Nerve Pills. After the first box, I was much better, and three boxes cured me. I am now, as well as ever, and I highly recommend them to any one else troubled with a weak heart." The price of Milburn's Heart and Nerve Pills is 50 cents per box, or 3 boxes for \$1.25. For sale at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

ARE OCCASIONED BY BAD BLOOD.

No one can expect to be free from some form or other of skin trouble unless the blood is kept in good shape.

The blood can easily be purified and the skin disease cured by the use of Burdock Blood Bitters, that old and widely known blood medicine.

It has been on the market for over 35 years and its reputation is unvaried.

Mr. Little Mitchell, Guelph, Ont., writes: "I was troubled with eczema. My body was covered with awful itching skin eruptions. Although I tried many different remedies I could get nothing to give me relief. Finally I got a bottle of Burdock Blood Bitters, which completely cured me."

A COLD However Slight MAY TURN INTO BRONCHITIS.

You should never neglect a cold, however slight. If you do not treat it in time, it will, in all probability, develop into pneumonia, pleurisy, asthma, or some other serious throat or lung trouble.

On the first sign of a cold or cough it is advisable to cure it at once, and not let it run on for an indefinite period.

For this purpose there is nothing so equal Dr. Wood's Norway Pine Syrup, a remedy that has been universally used for the past twenty-five years.

You do not experiment when you get it. Mrs. Louis Leland, Pocomoke, Md., writes: "When my little boy was two years old he caught a cold which turned into bronchitis. I tried everything to cure him, even to doctor's medicine, but it did him no good. One day I was advised to give Dr. Wood's Norway Pine Syrup a trial, and before he had had a bottle used, he was cured. I would advise all mothers to try it, as good results will follow. My home is never without it."

See that you get "Dr. Wood's," as there are numerous imitations. It is put up in a yellow wrapper, a blue trade mark; the price, 25 and 50 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

WHAT WILL MAKE YOU GLAD?

When the years have slipped by and memory runs back over the path you have trod, you will be glad you stopped to speak to every friend you met and left them all with a warmer feeling in their hearts because you did so.

And you will be glad that you were happy when alone, for the small everyday things of life that you savored the best you could in life's lowly round.

You will be glad that men have said along your way: "I know I can trust him; he is true as steel."

You will be glad that there have been some rainy days in your life. If there were no storms, the fountain would dry up; the sky would be filled with poisonous vapors, and life would cease.

You will be glad that you stopped long enough every day to rest carefully, and with a prayer in your heart, some part of God's message to those in love.

You will be glad you brought smiles to men, and not sorrow.

You will be glad that you have met all the hard things which have come to you with a hearty handshake, never dodging one of them, but turning them all to the best possible account.—Selected.

They Cleanse, While They Cure.—The vegetable compounds of which Parnelee's Vegetable Pills are composed, gently cleanse and unobtrusively clear the stomach and intestines, of deleterious matter and restore the deranged organs to healthy action. Hence they are the best remedy for indigestion available to-day. A trial of them will establish the truth of this assertion and do more to convince the sinner than anything that can be written of these pills.

Gloves were first worn in England in the reign of Edward III.

THE BLESSING OF MOTHERHOOD

Healthy Mothers and Children Make Happy Homes

Motherhood is woman's highest sphere in life. It is the fruition of her dearest hopes and greatest desires; yet thousands of noble women through some derangement have been denied this blessing.

In many homes where children are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong. This is evidenced by the following letters which are genuine and truthful:

London, Ont.—"I wish to thank you for the benefit I received by taking your famous medicine, Lydia E. Pinkham's Vegetable Compound. Before my baby was born I was so ill I could not stand long or walk any distance. I had to lie down nearly all the time. After I took your medicine I felt like a new woman. I could work from morning till night and was happy and well. I certainly think it relieves pain at childbirth and recommend it to every woman who is pregnant. You may use this testimonial if you like. It may help some other woman."—Mrs. Pearl Corbett, 122 Adelaide St., London, Ont.

Brooklyn, N.Y.—"I was ailing all the time and did not know what the matter was. I wanted a baby but my health would not permit it. I was nervous, my side ached and I was all run down. I heard that Lydia E. Pinkham's Vegetable Compound was good and took the medicine. I have now a beautiful baby and your Compound has helped me in every way."—Mrs. J. J. Stewart, 296 Humboldt St., Brooklyn, N.Y.

It Has Many Qualities.—The man who possesses a bottle of Dr. Thomas' Eucalypti Oil is armed against many ills. It will cure a cough, break a cold, prevent sore throat; it will reduce the swelling from a sprain, cure the most persistent sores and will speedily heal cuts and contusions. It is a medicine chest in itself, and can be got for a quarter of a dollar.
