A NEW LEAF

ite came to my deek with a quivering The lesson was done.

"Dear teacher, I want a new leaf," he "I have spoiled this one." In place of the leaf so stained

I gave him a new one all unspotted And into his sad eyes emiled, "Do better now, my child."

I went to the throne with a nuivering The old year was done. "Dear Father, hast thou a new for me?

I have spolled this one. He took the old leaf, stained And gave me a new one all unspotted

And into my sad eyes smiled,

"Do better now, my child."

WHEN YOU LOSE YOUR TEMPER have undergone a somewhat compil-

tion may reveal. offensive or pathetic, as the case may need hardly say that they are brought ba. If you could stand to one side and up on the same fairle stories, because watch your own flushed face, and hear | many of our favorites come from (leryour own unreasonable words you many.-Dr. I. K. Hirshberg, In would not wonder that your friends | Christian Intelligencer. treat you at such times as an unreasonable child, and your foes, as a dangerous maniac. When your temper gets away with you, you lose at the same time a portion of the confidence of your fellow men.

With the loss of your temper a portion of your self-control goes slong with it. When a horse has run away once, he is more likely to run away a second time. After half a dozen such occupation he becomes worthless. Ill owner will be wise to put a bullet through his head. Any loss of temper makes another lapse more likely, till the impaired, undermined self-control

is likely to give way at any momen This does not exhaust the list by any means. Many physiologists believe that fits of anger generate poisons which entail a serious loss of healt We do not need any outside testimony to prove that it means loss of happiness and opportunity. In the loss the temper we lose so much that is of value that instead of looking on it as a trifle it should be counted among the great misfortunes.

HAPPINESS

Two schoolmates met, after many years had passed. James had, by various lawful but unfair methods, grown very rich. Joe was not rich but he was out of debt and owned a nest little farm.

"Helto, James I" cried Joe, "I bear you are rich and happy: Congratule

"Yes, I'm rich enough," answered James. "I could buy and sell this old town, if I chose, But I can't say that I'm especially happy. Heaps of happiness and heaps of gold don't seem to go together. How are things with

"Just so-so," said Joe, "I'm no exactly poor. The old town could buy and sell me without half trying, but there isn't money enough in the country to buy one year of happiness I get out of living on that little farm revivifying and salutary effect upon of mine."-Brchange. .

WHERE CHILDREN DO ORRY

As a rule, German children of al classes are treated, so children and taught the elementary virtue of odedlence. "Das Hecht des Kinds" is norw cry with some of the people, but nevertheless, Germany is one of the remaining civilized countries where the alders still have rights and privileges. I heard of an English woman the other day, who said that she had never eaten the wing of a chicken because when she was young it was always given to the older people and now that she was old it was saved for the children. If she lived in Ger-

many, she would still have a chance, provided she kept away from a small, loud set who in all matters of rducetion and morality would like to turn the world upside down. In most German homes the noisy,

spoilt American child would not be

endured for a moment, and the little

tyrant of a Pronch family would be taught its place to the comfort and advantage of all concerned. I have dined with a large family where eight When you lose your temper you young once of various ages sat at an overflow table and did not disturb cated loss. More has been sacrificed their elders by a sound. It was not than indicated in the simple phrase. because the elders were barsh or the No one who feels his self-control young folks repressed, but because wrenched out of his hands by the pull Germany teaches its youth to behave of anger, can very soon feel the same. The little girls still drop you a pretty degree of self-confidence that be felt old-fashioned courtesy when they before. He has learned his own greet you. The little boys, if you are weakness in such a fashion as to make staying at a house with them, come him afraid of what another tempta- and shake hands with you at the most unexpected times when they arrive In locing your temper you lose a from school, for instance, and before portion of the respect of other people. I they go out for a walk. They play the Anyone in a rage becomes an object | same games as English children, and I

CASTORIA The Kind You Bave Always Bongh!

POLLOWED HIM A pervens commuter, of his dark and loosly way home from the rail road station, heard footsteps behind him. He had an uncomfortable feeling that he was being followed. He increased his speed. The footsteps quickened accordingly. The commutor darted down a lane. In desperation he vaulted a fence and rushing into a church-yard, threw-himself panting on

one of the graves. "If he follows me here," he thought foorfully, "there can be no doubt

bis intentions." The man behind was following. He could hear him acrambling over the fence. Visions of highwaymen maniace, garroters and the like flashed through his brain. Qivering with

"What do you want?" he demand

"Say," said the stranger, mopping his brow, "do you always go home like this? Or are you giving yourself special treat to-night? I am going up to the Brown's, and the man at the station told me to follow you as you lived next door. Exquee me for asking you, but is there much more to do before we get there?"

Just because you can't see your ow children's faults is no sign that you need the service of an oculist. A Standard Medicine. - Parmelee

Vegetable Pill. compounded of entirely vegetable substances known to have a the digestive organs, have through position that they rank as a standard medicine. The ailing should remem ber this. Simple in their composition. they can be assimilated by the weakest stomach and are certain to have besithful and agreeable effect on the sluggish digostive organs.
