EARLY AND LATE

Go to bed early, wake up with joy, Go to bed late, cross girl or boy...

WALLS OF CHINESE OFFICE TO BE TORN DOWN

The decision to demolish the ancient wall surrounding the Chinese city is an interesting sign of the times...

George of coolies, says North China News, are at work with pick and shovel on that portion of the city...

The first section to be removed is that stretching from near the old yamen along by the Grand gate...

The owners and inhabitants of the houses on the wall have been ordered to remove them...

Some of the houses along the wall have been ordered to be torn down...

Another view of the wall is shown in the illustration on the opposite page...

A WONDERFUL DISCOVERY

An eminent scientist, the other day, gave his opinion that the most wonderful discovery of recent years...

Two of the principal gates in the city wall of Haggberg have been removed...

At Ontario the Republic of Gov. ordered an investigation to be made...

It is said that opportunity knocks once at every man's door, but it is a mistake to once suppose that opportunity always presents herself...

John Binyan's prison cell did not seem a favorable spot for a man of his accomplishments...

She may be concealed in your school books, or waiting for you on your father's farm...

WHAT A BOY SHOULD KNOW: Joseph French Johnson, Dean of the New York University School of Commerce...

"He should know how to spell accurately any word," writes the Dean. "He should know arithmetic thoroughly, and the English language and the 'why of it'..."

"I would add to the boys equipment besides a high school education, a special study of American business, the banking and stocks and bonds..."

AN ARIZONA SANDBOW

One of the prettiest sights to be witnessed in travelling through Arizona is the sandbow...

Of course, everybody has seen a rainbow, which is simply a reflection of light on the particles of moisture in the atmosphere...

This sandbow is not so brilliant as the rainbow, nor are the second and third bows often seen within the first...

If we could examine the sand of the sandbow, we would find out, so scientists say, that it is not an ordinary sand that refracts and reflects the light...

FAT AND HIS PURCHASE: An Irishman was in the habit of getting drunk. His wife told him he must not come home when he was drunk...

"Have you been drinking?" "No," he answered, "I have been buying you some chrysanthemums..."

"No," he answered, "I have been buying you some chrysanthemums..."
