CANADA exported to the United Kingdom 21,552 100 hundredweight of wheat during 1912. This places her second among the nations who export this commodity to Great Britain, British Rest Indies ranking first with 25,879,400 hundredweight. Britain's total imports of wheat/during the year were 100.382.539 hundredweight, Un Ited States comes third in exports to Britain with about 20,000,000 hundredweight, and Argentina fourth with 18,788,700 hundredweight. In 1911 Canada sent 14,000,000 hundred weight.

UNDER THE Honorary Presidency of Field Marchall, His Royal Highness the Dake of Connaught, Governor General, the twelfth arreion of the International Geological Congress will be held in Canada next summer. The Government of every country is being officially invited through the regular diplomatic channels to send delegates to the Congress, for which extensive preparations have been in progress for the last two years. Thirty-six countries were represented at the last Congrees held at Stockholm by an attendance of 625 persons.

A DEPUTATION from local councils of womes in Ontario waited on the Ontarlo Government the other day and asked for certain changes in the law. They wanted the law altered so as to make the mother equal co-guardian with the father of their legitimate children under ten years of age. Another change requested was that the wages of a man convicted from wife desertion and sent to prison should be employed at industrial labor at jail and that the proceeds be turned over for the support of the wife and family. Also that illigimate children be maintained at the expense of the father.
