GIVE YOUR BOY A FARM

Every farmer wants to provide for his sons, but seldon will the old homestead, developed with toil, suffice to meet their needs. The boys have been brought up to the land. They are familiar with all the phases of farming. They should have land of their own, How is the farmer going to meet this?

The Logical Answer is Western Canada—Thousands of acres, divided into the acre farms, are being thrown open for entry by the Dominion Government along or near the lines of the Canadian North-The land gives a wide choice. There are some plots on the open prairie and others again in the well-wooded, well watered districts in Mantoba, Sashatchewan and Alberta. A large number of these hemesteads are particularly adapted to mixed tarming.

write or Enquire To-day. Any agent of the Canadian North-ern Railway, or the undersigned will be glad to send, on application, full information as to the location of these homesteads and the way to secure and reach them. Write for "The Bread Basket," "35,000 Proc Homosteads" and our Peace River booklet. You will be interested.
