Class on Thursday Evening

IN METHODIST SCHOOL ROOM The King's Urderlies Hible Class for dered a complimentary hanquet las Thursday evening in the Methodist School Room, to the members of the Bunday School Krecutive, the Church Chuir and the Orchestra.

The event was unique and very eq joyable and the guests of the evening appreciated very much the kindly and generous spirit which prompted the young men to undertake the splendil bospitality provided. The menu was certainly creditable

popular teacher.

The young men were uniformly at tired in white coats and cape. They had a perfect organization for receiv ing, seating and serving their guests, and their arrangements were carried out with utmest credit.

proposed by Principal W. H. Stewart Mr. A. T. Brown, the grandson of the first Huperintendent proposed the tout to "Our Hunday Hohool," and If P. Moore, Superintendent, replied. "Our Choir and Orchestrs," was prothe choir, and Jno. U. Hill, leader Moore offered the tosst, "Our Country," with Mr. J. P. Boarrow to ruply Mr. A. K. Nicklin and Mr. Frank Kee nedy responded. The tossis were in terspersed with musical numbers ! the Male Quartette, the Orchestra, th Ladies Quartette, the Choir, and the King's Orderlies, who were jocularly

likely to stick. The motto of the Kings Orderlies is a position with his old company. The "We Mean Business." This was amply Toronto Electric Co. manifested on this occasion and not only in the menu and the toast list but in the general table appointments, the attractive decorations and the floral arrangement was this spirit in tastoful and creditable evidence.

THE OLD HOME TOWN

joy to see the town develop from rural bamilet, through successive stages, until it has become a busy, prosperous manufacturing centre, with pleaded public buildings, handsom somes, lumenes industrial concerns streets. An occasional visit roubles the pride of birth in Aston as its im

On Monday I came to Actou to vote for the Hy-law to unlarge the Public School, - a most tangible evidence of the growth of the town. But as walked along Mill Htreet, that mornlas there were in evidence some indications of a development which is not critic betterment. In the walk from more drunken men that I have even in drunken guffaws attracted attention. must have got at their drinks very felt was necessary to Auton's progress.

corner of Mill and Willow Streets, and apparently both had been drinking. was operating part of the wire-drawing to the other. "No, I've had enough," plant. A little before I s. m. one of blocoughed his companion as he stagged away. Surely these twelve days experience' with license, has opened on a "block" or large reel. He was the eyes of those citizens who voted dragged in and whirled around the for Hoones last January. It seems impossible that anyone who is no financially interested in the liquor traf fic. or a fettered slave to the drink habit, could favor the return to license reveal any increase of business since lloenee came into force, and the spend ing so much money for that which always degrades and demoralizes, by those who evidently depend upon their day's wages for their day's bread clothing and homes, must result in the purchase of less food, less, clothing, less home comforts, and less of the things that help, instruct and uplift.

> months, and pineteen days of the reign of liquor license will be a term hard schooling as to the serious offect upon business, property, domestic comfort, and personal well being in my pative town. educational campain with pledge-sign ing, both for adults ton children be helpful; would it be possible to make sociable ornires either the public schoo or the churches, where friends could meet, letters be written, innocen games introduced, and even some bright lectures or concerts be held thus meeting the social influence of the bar rooms.
