OPENING GAME OF BASE BALL

Acton and Brampton and Won by the Viettore

> THE OPENING CEREMONIES The old Halton Feel League has been revived again under the auspices of the Mathedist Athletic Association and the opening game was played bere on Baturday between Acton and

.The licero was in the box for the opening ceremonies with Rev. J. U. Wilson at the bat and Councillos A. T. Brown as catcher, while Dr. Lake "filled" the position as umpire It was rather comical to see Reeve Monday from a visit with Toronto Hynds go through all the motions of professional pitcher, but at the muthing it stopped. It seemed impue albie for him to get the ball on the right bat while Councillor Brown seemed

side of the reverend gentleman at the quite worried trying to think which way the ball was coming next. And the stately Dr. stood in the umpire's box and "called them when they were over." Finally one came on the right side of the batter and with a run and

After; the preliminaries the real game started and if size has anything to do with baschall it certainly looked like a finish for Acton when the first man came up. To see Sammy Edmonde in the pitching box and a man the size of Gleany at the bat it sure looked like the big and the small of it, and valleys that had scarcely even Brampton led off in the third by having three men cross the bome plate. and then in the fourth Acton followed | mal system of protection for game Brempton's example and tied the and forest; and the construction score. However, in the fifth Bramp ton scored two while Acton scored only one. This seemed to take the heart out of the Acton boys and the sight visitors scored two in the seventh, one in the eighth, and two in the ninth

fatal for Brampton if it had come earlier in the game. Hammy Edmonds placed a nice one which was followed up by another from Eddie Ryder and three runs were scored making the

final score 10-7 in favor of Brampton. The following was the line-up : Acton -F. McLean, L. f.; Ryder, Y h; White, u. v.; Clarke, c. f.; Wilda. 3 h.; Edmonds, p.; Smith, r. f.; Laird c. : Hildenbrand, I b.

Brampton-Glenny, c. f. ; Rumoll

C.1 Bratty, p.; J. Algie, s.s.; Lyons,

3 h.; W. Algin, I h.; Stephens, X h.; Gardener, r. f.; Chicolm, c. f. The Score by lunings : Acton..... 1 2 3 4 5 6 7 8 0 000310003-7

Immediately after the game a very dainty ton was served to both teams in the basement of the Mathodist Church by the members of the Knworth Longue. Another echedule game will be played here on Saturday when Georgetown

and Acton will be the contestants. Georgetown beat Milton in Georgetown Jasper came to the park and to its last Saturday by 97. A very exciting largest lake. game is anticipated. This will be the last scheduled rame here until July

LAWN BOWLING TOURNAMENT the 10th June

Arrangements for the third appeal RoyalCity Lawn Bowling Tournament | the worse for Ler experience, though have been about completed by the she states that her eyesight has been Guelph Lawn Bowling Club, and they anticipate having, if possible, an even more successful tourney this year than of Hope, who had the distinction o of the Ontario Agricultural College, to when a price was being offered for his ngals the Houorary Secretary, of the Tournament. Announcements have been sent to all the clube in western Ontario, and it is expected that the Mrs. Crawford was then a child of which is the date set for the pomthis is probably the first tournament | searching soldiery. of the season, many bowlers will

TO HELP SMALL BREEDERS Canadian National Exhibition Waklas tipoolal Effort to Encourage the Small Exhibitor

The prize list of the Canadia National Exhibition, Toronto, August Mith to September 8th, is being distri buted and it shows that the Management have given special attention to the Agricultural department general ly, and to the encouragement of the smaller exhibitor in particular. In cattle, more money is given to

both the beef, and dairy classes, and

the list has been extended so that in some clarece, as many as eight prizes are given. Thus, the small breeder with a good animal is practically sure of redouping, at least a part of the expense of shipping to Toronto. More money is also given to Horti culture, Pinriculture and Poultry The entire list totals \$55,000, and ar no prized are given for manufactures every dollar of this goes to the products of the home, the school, the

farm and the garden. The special attractions this year are featured by three high-class bandsthe Irish Guards, and one other from England, and Conway's band from Chicago, while of the spectacle, "The Burning of Rome," It is enough to say that is will be staged by John Henderson, of Rogland, who has put on all

SAVING THE HERITAGE

Josper Park to Canada's I'ewest Hational Playeround. It is Canada's gain that conservation - that mutually profitable cooperation of nature and n.an - had erun to come into its own while yet the country possessed theusands of savens and auntouched forest. Canada has seen in other countries the teardrop of experience in time protect the quiet breath of nature's

It was thirty years ago that this country stepped in with a determinaplicity. The first transantinental, siming for the Rocky Mountains ou is way to the Bucific coast. The mountains of British Columbia were stierly unknown, except where a few intrepld engineers had struggled through in nearch of a way for the But even the clow-making wheels of officialdom began to revolve in time, and stock was still away out volution, the entire rester : slope of the Rockies was set spart as a huge reserve, a five-hundred-mile strip where the native wealth of the country might find permanence and peace. But not for twenty-five years or at the game (?) Rev. J. C. Wilson bit a dom develop into a complete system of conservation able to meet all contingencies that could ari ' from sudden corporate or individual greed. In 1900 the construction of trans-

continental lines became the policy of the two other great Canadian railways. One hundred and fifty miles north of the C.P.R. line the Yellowbead Pass was discovered to offer a way to the Pacific through mountains the blanket reservation of the early eighties, but so far north there had never been found necessary any forcamps of the Grand Trunk Pacific Railway were fast nearing this unappraised treasure house without a legal guardian of the old informal law in

turn, and again a single sweeping movement established special protecmaking the score 10-4 in favor of the tion for five thousand square miles Hramptonites when Acton came to bet | along the route to be followed by the new milway. Before the first marks Then in the ninth there was some of coestruction, rangers were sent into this area, and to Canada has nice hitting which might have proved been preserved a realm of primeyal glory probably unsurpassed on the

Jasper Park, as it was named, comnonion, Alberta. Westward it continned to the summit of the Yellowhead Pass, the dividing line between Alberta and British Columbia, and the watershed that sends its streams in one direction to the Pacific Ocean and in the other far up to the Arctic. Jasper Park derives its name from man whose life was spent in the shadow of the Rockies, and whose memory is preserved in much of the comenclature of the district. In 1817 Jasper Dawes was placed in charge. of the Hudson Bay trading post estab-lished seventeen years before in the centre of what is now the park. Dawes' industry and his popularity among the Indians made this post one of the most profitable in the pos-

It, was from his shock of hair came the name Yellowhead, applied to the pass he discovered, a lake and a river. The French of it, Tete fifty miles beyond the summit, to an Indian village near which Bawes established a cache, and now to one of hose blights of civilization, an endof-steel village.
