The Acton Free Press

THURSDAY, JUNE 10, 1913

EDITORIAL NOTES

CANADA stands fifth among the nations that import from the United Kingdom. The total amounted to £23.531.311 for 1012. Germany, Australls, United States and France came in the order named. Nearly all the imports were manufactured, and tak ing Canada's population into consideration, this country is an important

market for Britain.

THE QUESTION of bye-elections for the vacancies in the House of Com mone has not yet been considered by the Government, but the impression prevails that they will not likely occur before Autumn, and that the voting will take place on the newly-prepared lists. The vacant seats are South Lanark, Houth Bruon and Kast Middlesex, in Ontario, and Chateauguay, in

ROD AND GUN for June shows striking picture of a mountain climbing scene on Mt. Robeon, the highest known peak in the main range of the Canadian Rockies, which Director Wheeler of the Aipine Club of Canads says may this summer witness race for its summit that will only have been eclipsed by the celebrated rane for the summit of the Matterborn by Edward Whymper and Glordano.

THE HON. COL. SAM HUGHES, Minister of Militia, is making a record is the enforcement of the militia regulation, which prohibits the sale of intoxicating liquor in training campe To make rules effective he has ordered that no mait liquors of any kind shall be supplied, even though a claim i made that such liquors contain e small a percentage of alcohol as not to be intoxicating.....

VIGOROUS DENUNCIATION of th liquor traffic and emphatic demand for prohibitory legislation, are features of most of the representative religious gatherings which have been held durthe past few weeks. Presbyterlans, Methodists, Congregationslists, and Baptists have been especially outspok on in the denuncation of the har-room system and in declaration of the desirability of its total suppression

ACCORDING to a judgment delivered by the Appellate Division at Osgoods by Railway and Express Companies conditions are printed on the back. unless the party receiving same actu ally accents to the conditions. Conse quently such companies cannot limit their ability to pay the full value of any baggage entrusted to their care, if the same is lost or damaged.

CONTRACTOR PROCTOR IS HERE

Costoms House Building LARGE EXPERIENCE ON GOVERN

MBMT BUILDINGS

Ground was broken on Tuesday for the new federal building at the corner - of Mill and Willow Streets. George A. Proctor, of Sarnia, the general contractor for the edifice, is here to have the work commenced. He intends to rush the work forward and expects to

Mr. Proctor is a practical builder and has had large experience in carrying | half cost of covering of ironforcement out government contracts on buildings | bridge on town line, \$2.40, total, \$34. such as the Acton Post Office and Ous | 79; Jas. CONTRACT LET FOR SCHOOL

Swaskhamer Agrees to Erect and Complete the Building for

HEATING AND FURNITURE EXTRA The Board of Education met on Frisy evening in the Secretary's office. Members present : O. O. Hpelght, Malrman ; N. Forbes, IL Scott, Jno. Kenney, John R. Kennedy.

The Hecretary reported that letters had been received from Misses Bennett. Clark, Holmes, White and Robertson, teachers, declining to accept re-engagement on an increase of \$25.00 each

Jno. R. Kennedy, that the Secretary be instructed to write to the teachers the attendance of visitors from a diswhose re-ongagement was passed at the last meeting, on the basis of an Increase of \$25 in salaries, but who gagement at the salaries named, that the Board feels that the limit has bee reached for salaries in the departments interested, and inserned as the salar les offered are as high or higher tha the average paid for similar position 1.22 In the other towns of the county, that 8.30 a further opportunity be given these teachers for re-engagement, before advertising for teachers to fill the positions now held by them .- Carried

H. Hwackbamer, for the erection of the addition to the school building were then opened. Each tender was Brantford. accompanied with a marked cheque After careful consideration it wa moved by Robt. Scott, seconded by John Kenney, that the tender of 1 Hwackhamer, for building and our pleting the addition to the public school, as per plans and specifications including that part of specifications

The tenders of J. H. McKepzle and

under the heading of repairs to the old building, for the sum of four thousand two hundred dollars, be accepted, the sald tender being the lowest .- Carried J. H. Coleman, janitor, handed Eil.55 for work done outside. The Board then adjourned.

A DISTINGUISHED VISITOR HERE John Burroughs, the Great Natural let, Was Here Fishing

THE GUEST OF MR. FIRSTBROOM visit from John Burroughs, the dis linguished naturalist, of New York. He was the guest of Mr. John Firstbrook at the Fiels Ponds. Mr. Burroughs was spending a few days in Coronto and accepted Mr. Firstbrook's invitation to visit Acton. enjoyed his visit exceedingly and was favorably impressed with the attractions of this locality. Upon his return to Toronto, Mr. Burroughs was inter-Movid by Thos. Coxe accorded by viewed by the Star, which reported

"It's a rolled to get away from th Hall on Monday baggage checks issued and required to initial all corrections, sensational press which afflicts some reductions, alternations, and additions of our cities on the other side," he made by this Court in the Assessment said. "The papers here are not so week. Roll for the year 1913, and that the screaming; they appear to have a truer sense of the relative importance of the and corrected, be passed by this various items of news. They seem to be less commercialized, also. I would that we had a few like them in New York."

Yesterday Mr. Burroughs accompanled friends to a trout reserve at Acton to try his luck with the rod and line in Canadian waters. One of his hosts. mindful of the 70 years of the distinguished guest, was somewhat doubt ful as to the wisdom of asking him t sleep under a tent in the open. The venerable naturalist ridiculed a sug gestion that he should rest elsewhere Why," he smiled, "I'm not used t having even a tent over me when camp in the woods, nor have I often had a cot under me. I used to hollow out a little place in the earth, fill it with leaves, and sleep all night like a I'll admit that the ground seems a little harder than it did a few years back. I suppose that the earth gets harder with age, just as humans

and exercise the oredit for my good | crowns them? condition," said Mr. Burroughs, in answer to a question. "I have lived the so-called 'simple life' as long as Moved by Thos. Coxe, seconded by can remember. I have never used to Thos. Cleave, that the treasurer pay becoo or other stimulants of any sort. the following sums: Fred Cook for and even deny myself such mild exroad through his property, this road bilarators as tea or coffee. I consider to be kept open if required till the tobasco particularly bad for the bridge in Glenwilliams is completed, nerves. I know many men younger James McDowell \$31.75 statute labor | than I who are so nervous they can Fisher \$149.75 statute labor in division | most cause it is due to excessive use of

In appearance and manner Mr. Bur-Tought is a typical-out-of-doors man. Thos. Cleave, that the treasurer pay H. Though in his seventy-seventh year, W. Ruddell statute labor performed he stands as straight and walks as in Division No. 7, \$02.25; Mr. Brown- gracefully as a young Indian. His ayes ridge for operating grader. \$4.00; are clear and strong ; no speciacles for commission for pathmaster \$15.00, 78 him! His skin, instead of being faded and wrinkled, as in most men of his age, has the health glow of an ath lete. His hands are steady, his nerves

sautrong se in his youth. "People often ask me what sort of exercise I take to keep in trini. they only know it, walking through the woods and over hills is as good as anything else a man cap do. I am socustomed to walking long distances, but I never count the miles, because I am always interested in the myriad activities of nature which are constantly going on about me. When one is trained to observe things, a soil tary tramp may become one of the most interesting experiences possible "I also spend a good deal of time working in my garden. I like to dig in' the ground, and take delight in watching the result of my efforts at cultivation. I'm not a fancy gardener by any means, but my fruits and vegotables can stand comparison with any I've seen in my part of the country. If you happen down the Hudson Valley this fall I'll show you some of the fin-

excepting California." Mr. Burroughs is one of the world's greatest naturalists and authors on subjects of nature study. Several of the text books used in Acton High
