EDITORIAL NOTES

"I PLEDGE you my word," Sir James Whitney told the big gathering at Markdale, "I am looking forward with satisfaction to the time when I will be able to see our way clear to the adoption of legislation which will do away forever with that miserable, wretched, childish, and ridiculous habit of asking people to drink, when they don't want to drink." The Prim's Minister's statement was greeted with a roar of applause.

CANADA took $41,102,570 worth of coal from the United States in 1912. Geography, always an important factor in trade, is responsible largely for the increasing exchange of goods between these two countries. Since 1908 United States has taken from 3-8 to 3-7 of Canada's total exports. On the other hand from 1-3 to 3-8 of Canada's imports have come from the United States during the same period. In 1908 the total was 33.77 per cent. and in 1912, 65.09 per. cent., there having been an almost steady growth.

PROSPERITY has put a halter on itself. This sounds paradoxical. Prosperity, especially in Canada, has, however, been chief cause of money stringency in curtailing the growth of prosperity. To fill demands for necessities in this country, much more money is needed than is forthcoming. Every department of industry has been calling for advances, and failing to get them, they have been unable to fill their orders. In this way prosperity has been checked. War and over speculation in land came simultaneously, though they have been minor factors, and they have rendered the situation more severe.—Bradstreets.

SOME OBSERVATIONS

"School's out", and now the question, anxious, almost to point of torture with the matrons of Acton, is, "what will we do with the youngsters during the long holidays?" Likely nearly every farmer in the neighborhood will have an opportunity of engaging juvenile help, but the trouble is, busy farmers will probably think they have enough to do without taking care of village children. Some of them, however, might be very useful.

* * *

It does seem a pity that the law lays such a long period of idleness upon young restless minds, who will certainly not allow themselves to be really idle. That's what is troubling the heads of the house. And still it would be a calamity if the juveniles were to be still and quiet, as often as they will probably be exhorted to be. The experiments of outdoor summer classes and supervised playgrounds, which are being tried in Toronto would likely work well in other urban communities where the effects of running the streets are deplored.

* * *

"School's out," and this year there was a pathetic interest in the event as the old—very old—school bell, according to announcement, pealed across the town not only the final closing, but also its own final requiem as a school bell. Awaking from its long sleep of twenty years it again clanged forth to relapse into a final silence. It's tones were probably heard in imagination all over the continent, as from the notice given old scholars would be thinking of the occasion. And a greatly added interest would accrue from the fact of one of the oldest remaining of those who used to hurry in to their books at its call—the venerable Chairman of the Board, Mr. Speight—was doing the final ringing.

* * *

The old bell in its time on the old belfry has witnessed many changes in the personnel of the actors on the playground, and in the activities of the community, for fifty years is a long time, and the old teachers Moore, Ross, Little, Brolsy and McPhee, with their scores of assistants could not possibly know what use would be made of the "young idea" they trained "how to shoot."

* * *

But the old order changeth, giving place to the new, and the new school and the new bell, both already twenty years old, and the coming addition this year, are all steps in the onward march, for the world must go on, die who will, and a pathetic thing about it is the young world cares very little about who or what were those who went before.

DAY OF CALEDONIAN GAMES

Splendid Weather and Fine Turnout of Local Lovers of Athletics

THE LUCKNOW PIPERS' MUSIC

The committee in charge of the first annual Caledonian Games under the auspices of Ivanhoe Camp, Sons of Scotland, last Wednesday, carried out the programme arranged with faithful adherence to the published lists.

The attendance of local patrons was all that could be desired, but the patronage by visitors from a distance was somewhat disappointing. However, the weather was delightful and the beautiful June day outing was enjoyed by all participants.

The Lucknow Pipers' Band was a feature which created much interest. The experienced players composing this band ably sustained the wide reputation they enjoy, with the stirring Scottish music they discoursed so generously both afternoon and evening. They enlivened the proceedings on the streets, in the park, at the town hall, and played several parting numbers when they reached the railway station enroute for home.

The athletic contests in the park attracted a large assemblage of visitors and a number of experienced competitors from Toronto, especially from the Toronto Police Force.

Prizes were won during the day as follows:

Highland Fling—Angus Fraser, Alex. Munroe, Don. Sinclair.

Sword Dance—Angus Fraser, Alex. Munroe, Don. MacPherson.

Reel O'Tulloch—Angus Fraser, Alex. Munroe, Wm. Drummond.

Sailor's Hornpipe—A. Fraser, A. Munroe, Don. Sinclair.

Irish Jig—A. Munroe, W. Fitzell.

Highland Fling (Boys and Girls under 16)—Willie Ross, M. Munroe, D. Dunbar.

Sword Dance (Boys and Girls)—M. Munroe, Willie Ross, Don. Dunbar.

Sheen Trews (Boys and Girls)—M. Munroe, W. Dunbar, Muriel Snider.

Best Dressed Highlander, plain—F. Dunbar, A. Fraser, D. MacPherson.

Best Dressed Highland Girl—M. Snider, M. Munroe, G. Fitzell.

Best Dressed Highland Boy—Willie Ross, Don. Dunbar, S. Patterson.

Marches—C. Dunbar, D. MacPherson, N. MacPherson.

Strathspreys and Reels, piping—D. MacPherson, Chas. Dunbar, Major Benton.

Pibroch, piping—D. MacPherson, C. Dunbar, Norman MacPherson.

Novice Pipers' Marches—A. MacPherson, Wm. Dunbar.

Hornpipe (under 16)—Marjorie Munroe, James Easton.

Irish Jig (under 16)—M. Munroe, Jas. Easton, Muriel Snider.

Tug of War—6 men, best 2 in 3—Brampton team.

Putting 16 lb. Shot—Jno. Bowie.

Throwing 16 lb. Hammer—McLarty.

Tossing the Caber—McLarty, McArthur, Holmes.

Throwing 56 lb. Weight (high)—Holmes.

Running Long Jump—Tom O'Neil.

100 yd. Race—Tom O'Neil.

The dancers who gave exhibitions of national dancing were among the most expert in Canada and the crowd assembled had the satisfaction of seeing and hearing champion artists both among the dancers and the pipers.

Respecting the parts taken by members of Toronto Police Force the Star says:

"When it comes to athletics the Toronto policeman can make them all sit up and take notice.

A squad of athletic cops went to Acton for the Caledonia games, and they swept all before them. When they got through grabbing all the prizes in sight, a dray was necessary to haul the trophies to the station. The Blue Coats came home laden down with prizes. Well, they just won ten firsts. Here is what they did:

McLarty and Tom O'Neil, the champions, were tied with three firsts. McLarty won the running high jump, clearing the bar at 5 feet 4 inches. He nearly tossed the hammer into the woods when he hurled the bulb 140 feet and then came right back and won the Caber with a heft of 41 feet 4 inches. McArthur and Holmes crowded McLarty hard in this event. McArthur lost out by one inch while Holmes fell one inch behind McArthur. Bob Clark won the half mile in a gallop. John Bowie put the 16 pound shot 40 feet.

Holmes nearly lost the 56-pound weight in the clouds when he threw it 15 feet 10 inches in the air. This is a very creditable performance."

Tom O'Neill, the champion of the force, won the 100, 220 and then collared the running broad jump. He did 21 feet 3 inches. O'Neill is fast working into an athlete of great promise and has a brilliant career ahead of him. Every time out he shows improvement.

It is doubtful if there is another police department on the continent that could beat the Toronto officers in an athletic duel."

The concert in the town hall in the evening was a marked success. The management are certainly to be commended upon the results of their efforts in getting together such high-class talent to provide what proved to be one of the best concerts of the season. Mr. F. S. Mearns, Grand Chief S. O. S., of Toronto, made a few well-chosen complimentary remarks, by way of introduction, complimenting Ivanhoe Camp upon the manner in which the proceedings of the day had been conducted. Ex-Reeve H. A. Swackhamer, Secretary of the Committee, occupied the chair. The programme was opened with a Scottish reel, cleverly executed by four of the prize winners of the afternoon, Messrs. Fraser, Munroe, Sinclair, and Miss Marjorie Munroe. Miss Munroe then danced an Irish Jig and was heartily encored. Mr. George Neil, Scottish tenor, of Toronto, stirred the blood of all the sons of old Scotia in the audience with his rendering of "The March of the Cameron Men" in his splendidly sweet, yet powerful voice. Miss Pearl O'Neil, elocutionist, of Toronto, gave several readings and each time was heartily received. The skill and ease with which Master Willie Ross executed the sword dance, high land fling, etc., with which the programme was frequently interspersed, showed him to be well worthy of the medals bestowed upon him by the judges during the afternoon. But it was the selections of Jimmie Fax, the well-known comedian, of Toronto, which seemed to particularly appeal to the audience. A very life-like manipulation of the figure of "Mither" in "Mither and I" was a feature worthy of especial commendation. The concert was closed with the singing of "Auld Lang Syne," all the talent leading in concert. Special mention must be made of the accompaniments of Miss Annie McKay, pianist. She is one of the leaders in her profession and her execution was much enjoyed.

ACTON SUCCESSFUL AT BOWLS

At the Central Bowling Tournament at Brampton

SKIP GOULD IN SEMI-FINALS

The annual tournament of the Central Bowling Association, held at Brampton last week was a most enjoyable event.

The attendance was large and the contests keen.

Acton sent two rinks skipped by W. J. Gould and D. M. Henderson. Both were successful in holding places in the trophy competitions well through the game. Mr. Henderson's rink made a splendid record the first day but owing to one or two of the players finding it impossible to return for the second day he was obliged to default his well-earned position in the line-up for the trophy.

Gunner Gould and his men played the tournament through to the finish and reached the finals where they were given a very creditable Waterloo by Buckingham, one of Guelph's most successful skips. Each of his men brought home a handsome brass jardiniere as a result of their high-class bowling.

The Acton bowlers were:

A. J. Macklanon
Jos. Holmes
Jas. McIntosh
W. J. Gould, skip.

F. A. Maclean
E. J. Hassard
Geo. Hynds
D. M. Henderson, skip

The annual meeting of the Central Lawn Bowling Association was held in Brampton. J. J. W. Weir, of Berlin, was elected President and M. Schiedel, of Berlin, was elected Secretary. The tournament will be held in Berlin next year.

HAPPY JUNE WEDDING

The Nuptials of Mr. W. E. Moore and Miss Minnie Holmes Solemnized Yesterday Morning

An exceptionally pretty wedding was celebrated at the home of Mrs. Robert Holmes, Main Street, yesterday morning at nine o'clock, when her only daughter, Mary Rachel, (Minnie) became the bride of Mr. W. E. Moore, of Medicine Hat, Alta., formerly a leading merchant here.

The bride entered the parlor on the arm of her uncle, ex-Councillor Alexander Bell, to the strains of Lohengrin's wedding march, played by Mrs. J. B. Mackenzie. She wore a beautiful dress of white silk crepe de chene with trimmings of satin point venise lace and pearls, and carried a shower bouquet of pink roses. Rev. J. G. Wilson, B. A., the bride's pastor, officiated. The bridal couple were unattended. The home was decorated with white carnations, white and pink peonies and roses.

After congratulations the company, which was confined to the immediate friends of the contracting parties, sat down to the wedding breakfast. The bride and groom left on the 11.34 train for Niagara and Buffalo, the bride wearing a suit of Copenhagen blue broadcloth with silk blouse to match and a white Milan hat.

The groom's gift was a set of Haviland china. Many other bridal tokens of value and utility were bestowed by friends of the bride. Among these was an assortment of table silverware, presented by the congregation of Knox Church at the close of the prayer meeting last Thursday evening. In making the presentation Rev. Mr. Wilson spoke feelingly of the removal of Miss Holmes, whose activities in the church have been most practical, helpful and dependable. "We will miss Miss Holmes greatly," he said, "in fact I would as soon be obliged to say farewell to one of my elders as to her."

Mr. and Mrs. Moore will leave shortly for their new home in the west.

THE PROVINCIAL CURFEW LAW

Children Under Sixteen Must be kept off the Streets at Night

THE PROVISIONS OF THE LAW

The new Provincial Curfew Act went into effect this month. The act will be enforced all over the Province, and by it the police have the power to arrest, after one warning, any child under sixteen years of age who is found in the public streets, or any place which the public has access to, after nine o'clock at night unaccompanied by parent or guardian.

The FREE PRESS has been asked to give the provisions of the law and we present same herewith as passed at last session of the legislature:

"No child (under sixteen) shall loiter in any public place after nine o'clock in the evening, or be there unless accompanied by parent or guardian to accompany such child.

"A child found in a public place after the hour named in sub-section 1, unless so accompanied, may be warned to go home by any constable or probation officers, or officer of a Children's Society, and if after such warning the child is found loitering in a public place, such a child may be taken by the constable or officer to its home or to the Children's Shelter.

"A parent who permits his child to violate this section shall for the first offence incur a penalty of $1.00 without costs, for second offence $2.00, and for third or any subsequent offence $5.00.

"'Public place' shall mean a street, highway or lane, whether a thoroughfare or not, and a tavern or other place of public resort, and generally any place to which the public have or are permitted to have access."

CREWSONS CORNERS

A veritable Mother in Israel passed away here on Friday when the spirit of Mrs. John Murray took its flight. She had been in poor health for some time, and on the 8th of April sustained a stroke of apoplexy. Later she rallied and for several weeks was considerably improved. Last Thursday morning, however, she suffered from a second stroke and remained in a comatose condition until her death. Deceased was the daughter of the late John Swackhamer, one of the esteemed pioneers of this section, whose home was on lot 32, con. 4, Esquesing, now owned by Mr. John Denny. She was married to her sorrowing husband in 1856, by the late Rev. Hiram Denny, the founder of the Congregational Church, Churchill, near her father's home. Two sons resulted from this union, James A., of Acton, and William, of Crewsons Corners. It is a remarkable fact that during the fifty-seven years since the formation of this home, the death of Mrs. Murray, on Saturday, was the first break in the family, and in her closing hours all the members were at her bedside. Mrs. Murray was the last of the ten children of her parents, the last four having died within the past two years, Mrs. Edward Nicklin and Mr. Brock Swackhamer, Acton, and Mrs. Stafford Zimmerman, Portage La Prairie, Man. Mrs. Murray was held in the highest esteem. She was a wife and mother whose first consideration was the duties of her home and the comfort and happiness of her family. For many years she was a member of the church of her childhood at Churchill, but since the removal of the family to Crewsons Corners, the Methodist Church being so convenient to the home, she and her husband transferred their membership there. The funeral on Monday afternoon was very largely attended and was conducted by Rev. T. R. Clark. Interment took place in Fairview Cemetery, Acton. The pall-bearers were Messrs. H. Gibbons, J. Leslie, R. Wanaborough, G. Graham, J. Brown and T. Ryder.

Mr. H. H. Brown, of the Royal Bank, Guelph is holidaying at his home here.

Misses Maggie Crewson and Belle Cripps visited friends in Rockwood last week.

Mrs. Jackson, Bracebridge, is visiting her sisters Mrs. M. Crewson and Mrs. H. Dampier and other friends here.

Messrs. Charles and John Lambert who have been ill with measles are better but are still in quarantine. Mr. N. Lambert, of Acton, is doing duty as mail carrier for them.

A baseball match was played here last Saturday evening between Crewsons Corners and Erin which resulted in a victory for the home team. They play again on Thursday at Leslie's School at the Old Boy Re-union.
