DEATH OF MR. ALEX. RAMSHAW

An Esteemed Resident, for Years Dead Suddenly in Toronto on Monday.

INTERMENT HERE THIS AFTERNOON

The sad news of the death of Mr. Alexander Ramshaw at his home at 255 Pacific Avenue, West Toronto, on Monday evening, came as a shock to the friends here. Mr. Ramshaw was 65 years of age.

He had, however, while enjoying general good health, and being the possessor of a rugged constitution, been subject for years to heart trouble, and it was this ailment which caused his death.

On Monday he was not feeling very well and did not go to work, but was at home most of the day. In the evening he was writing a letter to his brother-in-law, Mr. H. A. Swachamer, in Acton, respecting some business he was looking after for him in the city, and had just completed it when he fell back and expired almost immediately.

Deceased was the youngest son of the late Williamson Ramshaw and came to Acton with his parents from the Scotch Block, Esquimaux, when he was but a lad.

He was married to Gertrude, the daughter of the late John Chisholm, twenty-four years ago. Two sons and a daughter, constituted the family.

The death of the eldest son, Clifford, three years ago, on the 4th July, when he was about completing his apprenticeship with the Faxe Pianos, was a great sorrow.

The family removed to Toronto in 1910 and Mr. Ramshaw has been in the building business there since.

The funeral will be held here upon arrival of the 3:21 p. m. train from Toronto this afternoon. Interment will take place in the family plot at Fairview Cemetery.

BALLINAFAD

The monthly meetings of the W. P. M. and Ladies Aid Societies were held in the Presbyterian Church last Tuesday afternoon. Arrangements are being made to hold a garden party on the manse grounds soon.

Miss Waddell, who has been teaching in Hamilton, Ont., came home last week for the holidays.

Miss Pio Sherlock, Toronto, is having a holiday with her friend Miss J. McDonald.

Mr. J. Leslie spent the week-end with Mr. and Mrs. H. Leslie.

Mrs. and Miss Sinclair 10th Ave. spent Sunday with Mr. and Mrs. G. Thompson.

Miss Viola Kenter spent last week with friends in Georgetown.

Mr. and Mrs. H. Kerr spent Sunday with Mrs. A. McColl, Inglewood.

The fifth line people lost one of their best families last week when Mr. and Mrs. A. Green and Miss Annie Green, who had just moved to 10th Street, Acton.

Mr. A. McLean's dog had an encounter with a porcupine early last Monday morning. It got about twenty quills in its nose and mouth as a result.

HOW LICENSE LAW WORKS

DEAN STIR: I looked in vain in the columns of the Standard for a notice for a protest against the indiscriminate sale of liquor which took place in Acton on Dominion Day. There were drunks everywhere, and I saw men who were for liquor going into hotels and coming out intoxicated and comparatively helpless.

More than this I saw a number of boys, not more than 10 or 17 years of age, drunk on the street and at the same time they were leaving for home by the evening trains. Some one certainly violating the law either in selling or giving these lads the liquor that turned them into fools for the time.

In this way the boasted License Law, which so many of our leading citizens advocated and claimed would stop all drunkenness, is being foisted on the community.

THANKS OF THE COUNCIL

Letter of Appreciation to the Women's Institute

The President of the Women's Institute has received the following letter from Mrs. James L. Warren:

On behalf of the Council of our village I have much pleasure in acknowledging the gift of the very handsome set of stage furniture which the ladies of your Institute have presented for use in the town hall. The Council would express its appreciation to the ladies of your Institute for this very useful and beautiful gift, which we are sure will be much appreciated by the citizens generally.

Yours truly, G. H. HYNE, Reeve.

New County Registry Office

At last week's meeting of the County Council the standing committee on county buildings was authorized to engage the architect to prepare plans and give an estimate of the cost of a new Registry Office. It is proposed that the new building shall be the office proper and the old one used for filing of records.

LIMHOUSE

The Old Holiday picnic on Saturday was very largely attended in spite of the threatening weather. Half an hour before train time the crowd began to gather and kept growing until the train arrived, upon which they were to travel to Guelph. Arrive at Guelph they found street cars waiting to take them to Riverside Park where the picnic was held. When the park was reached all were ready to enjoy the lunch. After lunch the children and most of the ladies enjoyed a street car ride around the city and returned in time to see the baseball game between Rockwood and Linnhouse.

The Grey and Black decided to win the game of dip in the attempt, and worked hard from start to finish. It did not take McDowell as long as usual to get warmed up and if a hit was made off him he did not need to worry as the fielders were almost sure to get the man at first. Rockwood only got one man past first in the first five innings, but they got after McDowell in the sixth, when he weakened a little, and made their hits count runs. They had four men over the plate before McDowell was out. McDowell said the danger he was in and lightened up and they never scored again. Richardson was in the box for Rockwood and was in trouble all the time as he had nothing the Grey and Black could not hit. After the second inning he lightened up a little until the sixth inning when things went bad again and Linnhouse scored three runs. He held them from this out but it was too late as the game was lost, Linnhouse winning 8-4. Mr. Williams umpired the game. The score:

Rockwood 1 2 3 4 5 6 7 8 9
Linnhouse 1 2 0 0 1 3 1 0 x-8

All returned home on the nine o'clock train having enjoyed the day's outing very fully.

Mr. Fred Swachamer from British Columbia is spending a few days at his home here.

Mr. Wm. Marshall and his son, of Toronto, spent the week-end with his parents.

Miss Lilla Swachamer was home over Sunday.

Miss Lindsay has returned home after spending a few weeks with her sister in St. Catharines.

Mrs. W. Urie and babe, of Bradford, are visiting at the home of Mr. P. P. Evans.

Messrs. Harold and Rex Polkinghorne, were home from Toronto over Sunday.

Nearly all the population attended the Sunday School picnic to Guelph on Saturday. A most enjoyable day was spent under the management of the Superintendent, Messrs. W. Gowdy and G. E. Polkinghorne.

Mrs. T. P. Evans spent a few days in Bradford last week.

SILGAM

The garden party at the home of Mr. Charles McKown last Thursday evening was one of the most enjoyable and meritorious ever held in this vicinity. The programme rendered by the Royal City Concert Company, of Guelph, was really of a high order.

The attendance was not as large as was hoped for and as a result the Ladies Aid have not a very large balance to aid in meeting the cost of repairs to the church, which was the object of the function.

The repairs to the church are nearly completed. The members of the congregation will appreciate getting back to their church home again.

Having in to call upon Mr. W. G. T. P. Evans spent a few days in Bradford last week.

THE EXHIBITION CITY

The new Livestock Department at the Canadian National Exhibition will give splendid accommodation for the fine animals for which the Big Fair is noted. It also adds a finish to the appearance of the grounds more than anything else has done. The Exhibition, with its \$2,000,000 worth of buildings, its paved streets and its lighting plants has no rival on the American continent.

Most people would be benefited by the occasional use of Dr. Morse's Indian Root Pills. Gently, thoroughly, and without discomfort, they free the system of the waste which clogs the blood and lowers the vitality. See a box at your Druggist's or make a direct order to Dr. Morse's Indian Root Pills, 176 Dundas Street, Toronto.

BAD CONDUCT UNCHALLENGED

Dear Mr. Editor: I was very much surprised on First of July evening, when driving up Mill Street, to see a bunch of drunks. Well, it was not the seeing of them that surprised me. I am getting used to that now, but to hear them, and see that they were allowed to shout insulting remarks to ladies walking quietly on the opposite side of the street. I was much surprised that this conduct was allowed to continue without protest by officer or citizen.

A drunk could not do this in Toronto, nor in other such smaller places. Surely when we are forced to live in the midst of such surroundings as we have at present, ladies are, to say the least, entitled to a little more protection from the drunks who are so frequently met with on the streets in Acton.
