Don't fret if your neighbor seems more than you do.

OPENING A CASH REGISTER
There is never much sympathy wasted on a man who tries to buy counterfeited money and get away with it.

It was found that the "method" was imparted by means of a small circular. This circular gave instructions to secure an accurate weighing.

Then the pupil is to take his position before the register he wishes to open, advance the left foot, stand firmly, swing the left arm, both hands, and then strike the register with all his might.

This recalls the "potato-bug" extirpator which was advertised some years ago. The victims of that article were honest people in search of legitimate information.

There is nothing repulsive in Miller's Worm Powders, and they are pleasant to take as sugar, so that few children will refuse the "method."

Children Cry FOR FLETCHER'S CASTORIA
Almost any man can succeed if he has a little good sense and a little good nature.

Worms in children, if they be not attended to, cause convulsions, and often death. Miller's Worm Powders are the best.

Hope is a phantasmic fire that is frequently smothered. You often can lead with the silken cord of love when all the cables of logic would fail.

Review of life reveals that the things we most regret at the time are the ones to which we owe most.

And a wise bachelor always talks for the sake of them who are being given, that he intends to be an old man.

The hours we pass with happy progeny in view are more pleasing than those crowned with fruition.

The CHANCE THAT IS NEEDED
Most people who are not satisfied with their lives are wise enough to realize that a change is necessary.

It is the probability that in all such cases the change necessary is neither of place nor occupation, but one of mind.

What you do is not a change of work or a change of place, but a change in your mind.

THE BAIN WAS SMART

An American "doing the sight" in Edinburgh arranged with the hotel boy to show him around the city.

It was a hard task to raise any spark of appreciation of the sight in the eyes of the American.

"What's that for," he asked presently, pointing at a passing vehicle carrying an enormous bar of iron.

A giant came in the juvenile cry as he answered, sirly: "They're building a new hotel up the road, sir, and that's the kitchen boiler."

WHEN SILENCE IS GOLDEN
Talking over your employer's business with outsiders is more than indiscretion.

It is a breach of confidence. It gives your most certain confidence for any place of trust.

Your employer's personal confidentialities and fallings should not furnish material for the entertainment of friends.

Was Subject to Hot Flushes, PALPITATION OF THE HEART, SHORTNESS OF BREATH.

Mrs. J. CARROLL, Mount View, Ont., writes: "I am an elderly woman now, and about two years ago I became faint, was subject to hot flushes, palpitation of the heart and shortness of breath."

I went to a doctor but seemed to remain the same, until one of my neighbors recommended MILLER'S HEART AND NERVE PILLS.

After the windfall
A poor but worthy old couple had a rare stroke of good fortune. A near relative died and left them £30.

WOMAN A GREAT SUFFERER
Tells How She Was Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Tisbury, Ont. "I could praise Lydia E. Pinkham's Vegetable Compound as much as I please for what it has done for me."

Case of Mrs. Tully
Chicago, Ill. "I take pleasure in writing to you for what Lydia E. Pinkham's Vegetable Compound has done for me."

WATCH FOR THIS ECLIPSE.

It Will Come in 1911 and Will Be a Remarkable One. For long distance predicting Professor David Todd of Montreal has made his mark.

As eclipses are the only opportunities for studying certain qualities of the sun and sunlight and as the energy from the sun which supports all life on earth, is produced in the sun.

One reason why it will be a remarkable eclipse is that it will be total for 10 minutes 10 seconds.
