SEVERE COLD ON LUNGS AND CHEST QUICKLY RELIEVED

By Dr. C. H. Caldwell, M.D. Licentiate in Medicine, Licentiate in Chiropractic, Licentiate in Naturopathy.

Two weeks ago I took a severe cold which settled on my lungs and my chest was very sore, breathing light and severe hacking cough. I was feeling miserable.

I took a bottle of Dr. C. H. Caldwell's Lung and Chest Remedy and after a few doses I felt great relief and I went into a sound sleep. A day or two later I was able to do some light work.

Next day I was able to do some light work. Next day I was able to do some light work. Next day I was able to do some light work.

SIR JAS. WHITNEY HOME AGAIN

But His Condition is Very Critical and Promises Little Hope

Mr. James Whitney, Premier of Ontario, was removed from New York on Sunday night. He stood the journey well and expressed great pleasure at being in his own home city again.

His condition since his return to this country has improved. He is very restless, desiring much of the time and gradually growing weaker.
