For a dog sometimes can seem so wise Wise to looks at you with his bonest eyes ! Ho frank, so true, and so free from guile That you trust your friend of the morry My dog loves me ! And I always fool

My deg is a big, black, shappy beast, With an apport to for his daily feast t He does must everything but talk When we take our way for the country He licks my hand and he wage his tail As we climb the hill and we skin the dale,

And when I rest by the road and dream ! I love my day, for he seems to me From all that is false in life so free! You know, so often the friends we hold Who is the man As our firmest friends, with a chain of gold at mockery. That links them unto us, rain or sline, Hometimes forget. But this dog of mine In fair or foul or the good or ill, Is my faithful, the old follower still!

Relect Family Reading

They Wece Bals BY CAYHARINE COUPE.

YMYHEY had always been "just puls" even from school days, when Jim.

my lad invarially let Carolina carry home her own books. In fact, many times Carolino had carried Jimmie's that he might skip off untrammelled to a game of tall in the field or to hunt birds' eggs. It is true that Jimmy always made offer of duplicate erres to Caroline but not unlaw he had two of the species.

Naturally enough as they grow up to gother sach relied upon the other up an ever-ready comrade. They had attended all the youthful dances togother clently because Carolino's parente would not permit her to go with a stranger, and Jimmy had been quito content. Caroline was so easy to entertain and her program was swiftly filled without trouble on his part. bored Jimmy because he was not a boy

admiration. "I hope the fallow you hook up to some day will approclate you." about the same time, Jimmie, laughed Caroline, "otherwise we will miss sach other fearfully."

" I think I would be one of those souls," he promptly informed her.

his newest dealgus and ideas. "How is that !" he would exclaim with cager longing for praise. What Caroline lacked in creative art

souse- a correct estimate of values, of lay her head on the table, solding. His color. Jimmy sometimes scoffed at and wept because she know that she had mar handler than my emergency corner. Tack sometimes accepted her suggestions.

of coloring for a breakfast room. "Find the man, Carolino-it may bring no famo and fortuna." so," laughod Carolino. "If he should is one thing, but putting it into practice I will shorten my visit and return here to manhood!

give you the contract." "You might telegraph it," laughed Jimmy and drews long aigh. "By love ! it will be lenesouse this summer." "Perlups loneliness for you may drag me inck, too," Caroline told him, and looked at her hig liandsonia committe with laughter-leving eyes; "you are a treat to the vision," she added, maybe you will let

me kiss you good bye this time when I to have what was called an ordeal by "Just try me," laughed Jimmy. It had been no life threat with Carolina for whom she taft for the west und hor truin was all last juffing away from New

ON THE SPOT

"I'm suro I don't know," he answered

One is a woman that wandered Through the fields of honey and sin. And came to the house of care and carouse Where they lock the mistaken in. The other it watching the outcast

And fearing the Hystem's lan. The other, the rising mun. And the whole of his manhood shrink When taking the toll from a fallen woul, But he rises or else he sinks. Be they meet and they pity each other, While they talk of Life's serry plan.

The one is the fallen woman-The other, the rising man. -By William F. Klek.

A VORTUNATE PINDING

"This here housecleaning is the worst nulsance since the seventeep-year locusts. It's six weeks before a man can find so much us a collar button."

The impatient speech was not character-

letic. To those who know the equipuble

disposition of John Mustireger it was sug-

gestive of overtaxed nerver. His daugh-

ter, Felicia, looked at him in great amuzo-

"Why pa, what is it. inything in particular." "It's particular onough." Gregor drew out his fandkerchief, mouplag his brow. "It is Hemlerson's note for six hundred dollars. Of course it's around here somewhere, but it ain't where I put t. Houseolsaning is worse than the ten

plagues of Egypt, rolled up into one." The desultory search begun that more ng was continued with increasing care for days and weeks. It was taken for granted that the paper would be found. Mrs. Mc-Gregor, a worn-looking little woman lad met ber hisband's ournity with a batted

lisko of the head. "Don't remember any such tooking paper, John. But I know it's somewhere. don't ever destroy anything without tooking to see just what it is, and I know it ain't never been burnt up or anything like it. All we've got to do is keep on

looking till we find it." Apparently this was easier said than lone. As the days passed without auccess, Felicia devoted more and more of her this to the search. She flugered over the files of receipted bills, some of them yellow with any but centiously retained, till the words swam before her eyes. She emptied drawers in the old-fashioned malogany chests, returning the articles one by one in he hope of discovering the missing paper alipped in between bundles of old letters, or temporarily colleged by faded photographs. Found any sign of it. Velicla ?' her father would ask, his face hope-

ful for the instant, and then falling into similows as sho mutely shook her head. The weeks rounded out a month, and the paper was not found. The search had become un obsession in the McGregor family. Day after day Mr. Motiregor went over the same explantions, not that the searchers needed any new incentive, but that he found a curious rollef in the

hare statement of the case. "It wouldn't matter if 'twus another man. There's some who don't need a paper with their name to it to hind 'em. If they know they had the money and I know it, that would be enough. But Abe Henderson's a allupary customer. Fortunately the note was finally found, and the "alippery customer" satisfied. Too but that every

The young lawyerdidn't like the minister. and so he thought to corner him. "Now, Boctor," he asked, "suppose the pursuas and the dort should have a lawmit, which party do you think would

"The davil unquestionably," replied the "Ab !" chuckled the young lawyer.

And will you tall me why?' "Ilecause he would have all the Lawrence on life skile."

HIS BROTHER

The millionaire railway king had a brother who was hand of hearing whilst he "I suppose you lost, then?" Yemarked himself was known as having a very prominout nose. Ogos when dining at a friend's lunes he sat between two young Lulies. They porelated in talking to him very loudly, much to his annoyance. but, wise man,

he said nothing. "Ill you ever," remarked one of them to the other in an ordinary tone during a full In the conversation, "see such a nose?"

"Pardon me, ladies," broke in the milliousire, "it is my brother who is deaf."

HE GEJECTED "What are those follows doing?" asked the boy as he approached the schoolhouse. "Putting in an electric switch." was the

"Well, I quit right here," said the boy. "I won't stand for any school where they do the licking by electricity."

HIGAMEWER Miss Wilkins was just moting her small "Nums one thing of importance that did not exist a hundred years ago," she said. Ralph Franklin, an only child, who was seated in the front row, promptly rose and

Choked for Air .- Some little irritant becomes ladged to the broschiel tubes. others gather, and the awful choking of authors results. Nothing offers quite such quick and positive relief as Dr. J. D. Kallogg's Asthma Remady. The healing, soothing amoke or vapor penetrates, clears the namages and gives untold relief. Usually it completely ourse. It has behind it years of success. It is the sure remedy for every authorer.

Cloun Stomach, Clear Mind .- The stomsobisthe weekshop of the vital functions and when it gots out of order the whole and then dejectally led the way into the system close in sympathy. The spirits there, the mind droops and work becomes impossible. The first care should be to restore healthful action of the stomach and the best proparation for that purpose is Parinelec's Vegetable Pills. General use for years has wen them a leading
