## To Suffer From Headaches MAXES LIFE MISERABLE.

It takes a person who has had and is subject to braduche to describe the suffer-ing which attends it. The duli throbbing, the intense paid, sometimes in one part of the bind, sometimes in another, and then again over the whole bind, varying in its severity by the cause which brings it on, purely indicates that there is something amiss with the system. The fact that Burdock Blood Bitters reaches the seat of the trouble is due to its success. in relieving and permanently curing the cause of the beadache.

Mrs. Andson, 416 15th Ave. East, Cal-gary, Alta., writes: "For three years I was troubled all the time with sick beadschie, and suffered also with constipation, and kept breaking out in pimples and sores on my face. I tried everything till at last a friend told me of Burdock Blood Bitters. I took two bottles, and my skin is as clean and pure as a baby's, and I have never been troubled with the headsches since."

MR. FRANK TERRACE, ADDRESSING THE Good Roads Convention at Tacoma, Washington, gave the following enthusiastic testimony in favor of good roads:

"I am a cabbage grower. I haul my produce to the sauerkraut factory at South Seattle. Before the road over which I travel was built, I had to get up at 4 o'clock in the morning to start on my journey. The limit of the load I could haul with a team of 1800 pound borses was 2500 pounds, and after visiting the factory I would arrive back at my home late in the evening. But look at the difference now that a permanent hard surface has been laid down. I start on my trip about ! o'clock and need only a team weighing 1400 pounds to haul a load of 5000 pounds of cabbage. which is double my previous capacity. And, best of all, I find on my return to the house early in the afternoon, that I have finished the day's work without the horses having turned a hair."
