Poetry.

A OREED .

"Lot me be brave

And hear my portion Of the fight

With courage; not

The I may be

Accounted groat .

May still keep hourt

"Wirant to me-wisdom !

May pose us one Who's clambaral high,

When hope sooms gene

In victory.

Not that I

And count myself

To those loss learned.

Hatterfor clay

For wislogi and

A clearer mind,

"Lot me be strong

And teach me

And brave of heart,

How to play my part As one who tolls

Not just for gold :

Thus, I'd not have

Hot lot mo serve

As heat Years,

My God, my house, My fellow man."

Belect Family Heading

My lifetory told ;

Who come belief.

But that unother

And face the night

Carrio wouldn't like it." "What they don't know won't trouble if anything is the matter."

amartman. Angela laughed and Rachel made no reply. Hut after what the said she was a little feelings. startled to licur Augela announce at the breakrant tulde the next morning that they would not be bone for supper.

"We've been invited to Maude's," Au-I her to join in the expedition of which the gone far enough." disapproved. She looked up, her face

. "I don't care to go, Augela," she tabl. "What nomenso! Of course you'll go," Angela threw an angry glance at her comin and Angela's mother, too, studied the girl's flushed face with interest. Hie had nover been particularly proposessed in favor-of her daughter's ment intimate friend, and now, Ruchel's abrupt rejection of the invitation excited her auspicions. Nothing more was said at the time, he after breakfast she called linched to her. "My dear, why le it that you do no

want to account Mando's invitation?" "I'd rather not go, Aunt Carry. I really

"You, but why?" Rachel hesitated. "Please unk Augela shout it," who said at last, and her aunt promptly noted on the suggestion. And inco Angela was a truthful girl, though he had been deceitful, enough of the trut came out to give her mother most unwelcome enlightment. Maude's visits were discouraged and a close supervision was exercised over Angela's leisure. Perhaps t was not strange that Angela's indigna-

tion against her cousin was unbounded. "We were just going to supper. weren't going to do the other thing," explained wrathfully. "And now you've nade mamma suspicious of Maudo and polled everything. I shan't ever forgive

And with that assurance ringing in her ear it was little comfort to poor Rachel that she had been responsible for unding an intimacy plainly dangerous.

After a year it looked as if the lifelong friendship between the two cousins was a an oul. There had been no letters ex changed between them and Rachel's Christmas gifts had not been acknowledged The upplement condition of affairs had been concealed from the girls' grandmother who had arranged to have her grand daughters visit her at the same time and had kent the secret of the other's coming from each one, in order to give both a gela took Rachel's umbrells and led the pleasant surprise. Had she known all the way up the stairs to the pretty little room circumstances of the case, it was Grandmother listes who would have been surtwised, though there would have been little

that was pleasant in the revolution. In the days that followed the girls daveloped histrionio mitts which their nearout friends would never have attri uted to them. In their grandmother's presence they were friendly, discussing all sorts of matters with perfect naturaluses. When left in each other's society, they at ouce lapsed into absolute sikues. Augela was careful to lot Rachel understand that her

indignation had not declined in the passing of the year. And Rachel, though her conscience was clear, or perhaps indeed because of that.

was a little uncompromising in her manner. And so two weeks of the visit went face suggested an impulse to refuse. Then by and neither girl could be said to be Perhant in spite of the ulris' efforts to appear perfectly natural in her presence Grandmother Bates realized that something

Two hoys were studying writhmetic Hov. J. W. Has and Mr. C. Moffat, the together, and one of them kept his finger in the page where the rule was written out, and turned to it before beginning each new example. "That's not right," be Mr. Z. A. Hall, of Ponotanguishene, has exclaimed after a little, when his comrade written approving of the proposed Robert resoled the result some time sheed of blue. A "You get the right answer, but you don't nonchalantly, "Oh, I make my own rule

This cort of workers are very puraling to Thursday evening last, in the interests of the "precedent" worshipers in the present day Sunday-school movement. As a mattor of fact, the world reserves its cholosist prizes for the one who breaks his own reads us he goes along. Oftentimes while others are standing by, "precedent" this one has reached the goal and anatolied the crownel
