FAILING TO BE A MAN

Do not let the desire for a smoothly running existence betray you into cowardice. There are some men so determined to be thought "good fellows," that they have friends among the clergy and among the keepers of dives and gambling halls. They pay money for the spread of missions, and pat the saloon keeper on the back. Their motto is to agree with everybody, to respect integrity and wink at evil.

It is worth more to be a man than to be a "good fellow," and a man must make some enemies, do some fighting, sometimes censure and condemn. Do not hope to live smoothly, to escape all conflict, to die without making an enemy. For if you should achieve such a purpose, it would mean only that you had failed to be a man.

Asthma Overcome. The triumph over asthma has assuredly come. Dr. J. D. Kellogg's Asthma Remedy has proved the most positive blessing the victim of asthmatic attacks has ever known. Letters received from thousands who have tried it freely is testimonial which leaves no room for doubt that here is a real remedy. Get it to-day from your dealer.

Experience is man's best teacher, but she keeps his pants frazzled out at the heels hustling around to pay the tuition fees.

To rejoice is another's prosperity is to give content to your own lot, to mitigate another's grief is to alleviate or dispel your own.—Edwards.

THE ONES WHO ARE ON TIME

The excuse habit is never harder worked than in explaining a lack of promptness. There are so many reasons apparently, to keep some people from getting to an appointment on time that the wonder is they ever succeed in keeping an appointment. Inopportune calls, a clock "a little slow," blockaded cars—all seem to help some people from keeping their word good.

The trouble with such is they apply excuses to the wrong end. If the habitually tardy ones made a practice of starting on time, they would find trifling delays not a serious matter. Instead of putting off their start till the last possible minute they should themselves throw in the time at the start for reasonably delays. The people who are on time with an appointment, are not given to making excuses.

SPOILED THE JOB

Howell—When you want a thing done right, do it yourself.

Powell—I guess that's good advice; I never got a fellow to lie for me when he didn't make a mess of it.

How little we pay our way in life! Although we have our purses continually in our hand, the better part of services goes still unrewarded.—R. L. Stevenson.

Her HEART and NERVES
Were So Bad She Could Not Sleep.

To those who sleep in a kind of a way, but whose rest is broken into by fearful dreams, nightmares, sinking and smothering sensations, who wake in the morning as tired as when they went to bed, we can recommend Milburn's Heart and Nerve Pills. By taking these you can have your old, peaceful, undisturbed, refreshing sleep back again.

Mrs. Chas. Teel, Stonecastle, Ont., writes:—"Just a few lines to let you know what Milburn's Heart and Nerve Pills did for me. My heart and nerves were so bad I could not sleep, and the least noise or excitement would make me feel so that I used to think I was going to die, and I would tremble until I could hardly stand. I took doctor's medicine, but it did not do me much good. At last I tried Milburn's Heart and Nerve Pills, and I can certainly say they did me a great amount of good. I can recommend them to anyone who is suffering as I was."

Milburn's Heart and Nerve Pills are 50c. per box, 3 boxes for $1.25 at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

PAT WAS PUZZLED

Pat was puzzled in a station. He put a penny in a machine bearing the inscription—"Pull the handle with a jerk." After Pat had put the penny in the slot he began looking all over the machine.

A porter passing at the time said, "Hallo, Pat; won't the machine work?" "Begorra," said Pat, "I dunno. It says pull the handle with a jerk; but where is the jerk to pull it with?"

A Severe Cold
Settled On Her Lungs.

Mrs. Geo. Murphy, Spence, Ont., writes:—"I have had occasion to use Dr. Wood's Norway Pine Syrup, and can say it most certainly is a wonderful medicine. Last winter my little girl, just a year old, took a severe cold which settled on her lungs. I tried everything, and was almost in despair, when by chance I read of Dr. Wood's Norway Pine Syrup, and decided to try it. I got two bottles, and as soon as I started to use it I could see it was taking effect. I gave her three bottles in all, and they completely cured her."

Dr. Wood's Norway Pine Syrup is a universal remedy for sufferers from all bronchial troubles. Coughs and Colds of all kinds, Bronchitis, Sore Throat, Hoarseness, Croup, Asthma, Whooping Cough, and Throat and Lung Troubles, disappear quickly after a few doses have been taken.

It will stop that distressing, tickling sensation in the throat which causes coughing and keeps you awake at night. Price, 25c; large family size, 50c. Put up in a yellow wrapper; three pine trees the trade mark; manufactured by The T. Milburn Co., Limited, Toronto, Ont.

PIMPLES
Are an
"EYE SORE."

Pimples are caused by the blood being out of order. These little festering sores appear on the forehead, on the nose, on the chin and other parts of the body, and although they are not a dangerous trouble they are very unsightly to both you and your friends.

There is only one way to get rid of them, and that is to purify the blood.

Burdock Blood Bitters is without a doubt the best remedy on the market for this purpose.

Wm. F. Donohue, Jr., Hamilton, Ont., writes:—"About six months ago my little son's face was literally covered with pimples. I tried every preparation I was told of by my friends, but to no avail. Soon I thought I could not have them fixed up, and would have to wait, and let him grow out of them, but thanks to Burdock Blood Bitters they are all gone, and I gladly recommend it to anyone."

Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Always Serviceable.—Most pills lose their properties with age. Not so with Parmelee's Vegetable Pills. The pill mass is so compounded that their strength and effectiveness is preserved and the pill can be carried anywhere without fear of losing their potency. This is a quality that few pills possess. Some pills lose their power, but not so with Parmelee's. They will maintain their freshness and potency for a long time.

After getting the worst of it in an argument she says to him, "Now, why can't you be sensible?"

THEY DIDN'T MEET

A minister in a small western town surprised his audience one Sunday by reading the following notice from the pulpit:

The regular session of the Donkey Club will be held as usual after the service. Members will line up just outside the door, make remarks and stare at the ladies who pass, as is their custom.

The club didn't meet that Sunday.

Watch Your Liver.
If It Is Lazy, Slow or Torpid Stir It Up By the Use of Milburn's Laxa-Liver Pills.

A lazy, slow or torpid liver is a terrible affliction, as it holds back the bile, which is required to move the bowels, and lets it into the blood instead, thus causing Constipation, Catarrh of the Stomach, Sick Headache, Langour, Pain under the Right Shoulder, etc.

Mrs. Wesley Estabrooks, Midgic Station, N.B., writes:—"For several years I had been troubled with pains in the liver. I have had medicine from several doctors, but was only relieved for a time by them. I then used Milburn's Laxa-Liver Pills, and since then have had no trouble with my liver. I can honestly recommend them to every person who has liver trouble. Milburn's Laxa-Liver Pills are 25c. a vial, or 5 vials for $1.00, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
