BRIEF LOCAL ITEMS

Order your Fall Fair printing today. Cheer up! Warmer weather looming again. There is no coal shortage in Acton this fall. Hillsburg Horticultural Society's Annual Exhibition will be held today. The weather on Labor Day was not very pleasant. It was cold and cloudy all day.

NEWS OF LOCAL IMPORT.

Peel County Contribution \$54,000. At a special session of Peel County Council it was decided to raise \$54,000 to provide for the soldiers and the protection of the families they left. This is equivalent to one dollar for every man in the army.

Labour Day - A Popular Holiday. Money was observed very generally as a holiday, as the statute provided. Business in town was very generally suspended and holiday trips were taken by many of our citizens - principally to Toronto.

Purchasing British Remounts. Mr. J. H. Kelly, M. P., Hamilton, and Dr. Verduy, of the veterinary department, Toronto, were here on Tuesday, selecting remounts for the British army. From the horses brought in they purchased five.

The New Williams' Home. The pretty new home of the family of the late John Williams, on Mill Street, is about completed. Contractor Swankhauser completed his work and the painting will be finished in a few days. It is a comfortable and attractive home.

Press Day at Toronto Fair. Halton newspapers were well represented on Press Day at the Toronto Exhibition. The Toronto Star, the Toronto Daily News, the Hamilton Standard, the Milton Evening Herald, the Gazette, Burlington's Editor Westy of the Record, Oakville, and Editor Moore's Acton Freeman Column of the York Press, Acton, were present.

Improving Church Street Roadway. Last week two cars of Dundas crushed stone were spread on Church Street. This stone car just arrived will complete this stone coating from John to Guelph Street. The stone roller commenced operation yesterday morning and will spread the rest of the work in consolidating the stone. This will make a greatly improved roadway.

Notes for the Volunteers. The Upper Canada Bible Society has arranged to place a copy of the scriptures in the hands of every Canadian soldier leaving for the front. Each book contains the following inscription: "Presented by the British and Foreign Bible Society to the Canadian soldiers in the war of 1914. 'Be strong and of good courage.'"

Author Gift for Acton Volunteers. Mrs. H. Leung and Miss Lachman have sent to the Acton soldiers at Valcartier a number of neatly-made "Housewives" the right or two compartments of which were filled with a generous supply of sewing and darning needles, thread, buttons, shoe laces, safety pins, etc. These are most useful gifts and will undoubtedly be appreciated by the recipients.

Special Feature for Acton Fall Fair. A special feature of the Acton Fall Fair will be an exhibit from the local branch of the Department of Agriculture. The District Representative, Mr. Hare, will be in charge and will demonstrate drainage methods and poultry house construction. This feature will also be a special feature. Do not fail to attend for the fair and meet your Agricultural Representative of the County.

Materially Helps the War. The man preparing for an auction sale sometimes hesitates at the additional expense of two or three dollars for having the entire list of articles offered for sale inserted in the local paper. The fact, however, of having the whole list thus enumerated in the home paper, making it possible for the reader to sit by his own stove and read the announced articles from item renders this method of great value to the person holding the sale.

Red Cross Aid Society's Activities. Acton Red Cross Aid Society sent its first consignment of comforts to our soldier boys at Valcartier on Tuesday. The parcel consisted of 27 knitted wool stockings, 40 pairs socks, and 33 pairs woolen cuffs. The ladies will continue the work of knitting articles of comfort for the soldiers and they invite all the ladies of Acton to join in this work by the forward of further articles for our men at the front. As the fall and winter weather approaches the needs of the men will increase.

A Case of Common Sense. Arthur Whitaker, engineer of the electric railway construction engine, was charged by Judge, foreman of the bench, with assault in Police Court last Thursday evening. H. P. Moore, J. P., was on the bench. When the information was laid Whitaker pleaded guilty, but alleged he had been interfered with in his work by the foreman and made the assault. He was fined \$1.00 and costs. The contractor discharged Whitaker for his assault.

Dr. Buck Celebrates His Birthday. A unique family reunion took place at the home of Dr. Buck, on the occasion of the 81st birthday of Dr. Buck, Palenon, Halton County's "grand old man" and chief physician. Dr. Buck, who has practiced 42 years, has filled many public offices, and in the forty years Councillor and Mayor of his town of Shelburne. Despite his four score years and the fact that six years ago he was stricken with paralysis, the old doctor is of keen intellect and alert for war news. He served as an army surgeon at the time of the American war.

GOOD DOUGHNUT. I have been for a number of years trying to get a fried one or doughnut that would not soak up the hot fat they were cooked in and at last I have it. Take three eggs, one cup sugar, one pint of new milk (including whole milk), salt, nutmeg, and flour enough to permit the spoon to stand upright in the mixture. Add two teaspoonfuls good baking powder. Beat until very light. Make into desired shape and drop in the hot fat to cook. These doughnuts will not absorb particles of the fat, and will not produce a stinker. It has been claimed that if the hole in a doughnut was surrounded with nothing, there would be less dyspepsia in the world. But it is not so with this recipe. Try it. -Mrs. A. H. Y.

There is more Guelph in this section of the country than in all the other diseases put together, and until the last few years it was supposed to be the best. A great many years ago doctors pronounced it a local disease and prescribed local remedies, and by constantly falling to cure it by local treatment, pronounced it incurable. Science has proven otherwise to be a constitutional disease and therefore requires a constitutional treatment. Hall's Catarrh Cure, manufactured by Dr. J. C. Kenney & Co., Toledo, Ohio, is the only cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: Dr. J. C. KENNEY & CO., Toledo, Ohio. Sold by Druggists, 70c. Take Hall's Family Pills for constipation.

OUR SOLDIERS GET GOOD PAY

With Board and Clothing they get the Equivalent of \$12.70 per Week. The government is treating our Canadian soldiers with commendable generosity in the matter of pay. Many married men who have gone to the front may find that they receive more themselves and have more money for their families than if they stayed at home or if the world was at peace.

Canadians at the front are receiving \$1.15 a day, or \$7.70 a week. They have no expense for clothing or for board and as even their tobacco is supplied free, there is no drain on the pay. In addition the family of the married man will receive \$5.00 a week by the decision of the Government, and if this is not sufficient to care for their needs there is the Patriotic Fund to look after them.

Many men will also receive their salaries while they are away. The Government, however, reserves the right to withhold the separation allowance. Figuring that the soldier's clothing and board are worth \$3.00 a week, his soldier's job is equal to \$12.70 in money.

ON WEDNESDAY. Family Reunion at Jas. Campbell's. Homeless Black of Distemper.

The farmers are busy with their fall seeding. It is hoped an extra large acreage will be sown this fall to meet the demands there will be next year. Mushrooms are very plentiful this year; some very nice ones being gathered in this vicinity.

Mr. John Crewson has a couple of horses sick with distemper. A family reunion was held at the home of Mr. and Mrs. Jas. Gamble on the evening of Labor Day, when their son and daughters with their families assembled to spend a social evening together at the old home.

Among the holiday visitors we noticed the following: Mr. Alger Cripps with friends at Campbellville; Mr. Joe. Crewson, Guelph, at his mother's; Mr. H. H. Brown, Guelph, at his parents; Mr. and Mrs. Chas. H. Gamble, Buffalo, and Mr. and Mrs. W. J. VanNorman and children, Guelph, at Mr. J. Gamble's; Miss Maggie Crewson at Campbellville; Mrs. Chas. Lambert and children at Hamilton and Toronto.

If women ever break into the political arena they will have to learn to handle campaign lies for them.

Mr. and Mrs. D. D. Christie and Mr. and Mrs. Gamble and children, of Guelph, were guests at the home of D. Henderson, M. P., on Tuesday.

Mr. W. H. Stewart and Miss M. Z. Bennett, were in Milton on Saturday, attending a meeting of the Executive of the Teachers' Institute.

Mr. John Firstbrook, Mr. and Mrs. Wm. Firstbrook and daughters motored from Toronto on Tuesday afternoon and returned yesterday morning.

Mrs. D. H. Freeman and Mrs. Stirling, of Ridgeway, have been visiting their sister, Mrs. Thos. Bonarville, and other friends here this week.

Mr. Fred McLaughlin returned to the city on Monday after spending a couple of weeks' holidays, one in Detroit and the other at his home here.

Mr. C. D. Weaver arrived home from his trip to the west on Thursday afternoon and Mrs. Weaver and the children reached home from Stenaville that evening.

Dr. Kenneth D. Dunton, of Vancouver, B. C., spent Sunday in town with his sons, Mr. and Mrs. Wm. Dunton. He was on his way to Valcartier to join the hospital corps that will shortly leave for the scene of the war.

CELEBRATED THREE DIAMOND WEDDINGS. The Father and Mother of Mr. Henry Avey Sixty Years Married.

Sixty years ago on the 24th September, Mr. and Mrs. Gideon Avey, of Vergas, were married at Hamilton. For thirty-three years they lived on Lot 22, Co. 2, township of Erin, but twenty-seven years ago last April they retired from active farming to live in Vergas where they still reside.

On Saturday with their children and grandchildren, and great grandchildren, numbering seventy in all, they assembled at Mulberry Hall, the old homestead, to celebrate their diamond wedding anniversary in such a manner as the occasion demanded.

Besides the immediate relatives there were also present Mrs. Irvin, Mr. Avey's only sister, who was the bridemaid of thirty years ago, Mr. and Mrs. R. Reed, of Hillsburgh, Mr. and Mrs. N. Reed, of Hamilton, Mr. Wm. Reed, of Gargill, and Mr. Robt. Reed, of Everton. Two of the above Messrs. Reed, of Hillsburgh, and R. Reed, of Everton, were also present at the happy event threescore years ago.

Although sixty years have also rolled by, the aged couple now eighty-six and seventy-six years of age, are still enjoying fair health.

Besides their four sons and four daughters, Mr. and Mrs. Avey have fourteen grandsons, nineteen grand-daughters seven great-grandsons and six great-granddaughters.

The following are the sons and daughters: Henry, of Acton; Wm. John, on the old homestead; Leonard, of Erin; and Herbert N., of Ottawa; Mrs. Matthew Reed and Mrs. William Reed, of Guelph, and Mrs. Wm. Leslie and Mrs. George Leslie, of Hillsburgh, Ontario Township.

POPE BENEDEKT XV

Cardinal Olesca, of Bologna, Italy, Elected to Succeed Pope Pius X.

Cardinal Olesca, of Bologna, Italy, was elected Thursday to succeed Pope Pius X. He will assume the name of Benedict XV.

Cardinal Della Chiesa was assistant to Cardinal Morry Del Val, Secretary of State under the late pontiff. He is an Italian and archbishop of Bologna. He is one of the most recent additions to the Sacred College, having been made a cardinal by Pope Pius at the last consistory in May. He was born at Pegli in the Diocese of Genoa, Nov. 21, 1854, and was ordained a priest Dec. 21, 1878.

There is a good story told by George Birmingham, the author. An Irish Chief Secretary was doing his duty by the west coast of Ireland in a small steamer, and was extremely seasick. At one point he was not conversed with a friendly pilot. "I have heard," he said, "that the power of the Church is unlimited in the west of Ireland. Couldn't you arrange that we should not be quite so sick as we are?" "Oh," said the pilot, "the power of the Church extends to high water mark. Beyond that it's Rule Britannia!"

Can't do any better anywhere of quite so good generally. For a Dutch price are right. If you require anything in the printing line, from a visiting card to pamphlets let us have your order.

Few families who have domesticated cats in their closets have sense enough to keep them there. This is a suspicious world. A man can't always borrow money upon his grandfather's reputation for honesty.
