British Columbia meetings in India.

Last Thursday night Franklin Hall, a young man who was stealing a ride on a G. T. R. train, fell off between Acton and Guelph and was killed. The remains were taken to Guelph and at the inquest the jury exonerated the train crew from all responsibility.

Steel laid ready to Guelph.

The tracklaying of the Toronto Suburban Electric Railway have reached the vicinity of Guelph. On Saturday night they were as far as Cook's bridge, west of Arkell. They were held up a few days by the diamond crossing the C. P. R. at this point was placed. The Mercury says: Mackenzie and Mann, the promoters of the railway, are in the old country to complete the road, and it will be, it is expected, running into Guelph before the snow flies. The structural steel for the 40-foot bridge over the river at the parish fair was taken over the line from Acton last week and will give a brief account at the close of the fall prior to the opening of the concert.

There is more Cather in this section of the country than in any other part of it. I hope it will last for years. It is supposed to be inevitable. For a great many doctors pronounced it a local disease and presented local remedies by completely pulling it out with local treatment, pronounced it incurable. Science has proven cataract to be a constitutional disease and there are no local remedies. Hall's Imperial Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional remedy for cataract. It is not a cure. It acts directly on the blood and nervous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and address to: Address: F. J. CHENY & CO., Toledo, Ohio.

Action Schools' Field Day

The parents and the friends of the students of Action High and Public Schools are invited to attend the field day sports on the school grounds on the afternoon of Friday, September 18th, commencing at 3 o'clock.

Action Day Next Sunday

Billy Day will be held on Sunday in the Methodist High School. There are designed to stimulate new interest after the interruption of the half-year season. Every Methodist family is invited to be present in full strength and the membership of each class is expected to be present. A most interesting program, with numerous choruses and recitations, has been arranged.

Action's Brilliant Autumn Voltage

The prospects are promising for the first display ever of autumn foliage. The summer season has resulted in foliage unusually verdant for this time of year. Occasionally a single thrust a flaming torch into the roadside already, and the early frosts which ought to be coming along almost any day now, will speedily do the rest. The Autumn Leaf excursions of 1914 will have full foliage from which to choose.

Visited the Old Landmarks

Mr. W. Arthur of Chicago, Ills., was here Monday visiting some of his early boyhood days. When a boy he lived with his stepfather, the late Thomas Hosmer, Jr., on the fourth line. Between thirty and forty years he left for Toronto and became a railway man. In a few years he moved to Chicago where he has resided for over thirty years. Mr. Arthur is a prosperous businessman in the iron trade.

Reapalve to Tammany Smoke Week

Operations have been in progress during the week on the tall chimney at the sole leather tannery. Some time ago it was necessary to remove and rebuild thirty or forty feet at the top. After being replaced this portion did not properly settle, and again became dangerous, necessitating another removal. Mr. Milligan has been in partnership with the late John Smith, M. P. P., the well-known tanner in Peel County. He has had wide experience and his knowledge in handling stock renders his services unusually valuable as a witness.

An Official Visit

Mr. W. R. Hare, our county representative of the Normal School of Agriculture, spent yesterday in our community, accompanied by his stepfather, the late Thomas Hosmer, Jr., on the fourth line. Between thirty and forty years he left for Toronto and became a railway man. In a few years he moved to Chicago where he has resided for over thirty years. Mr. Arthur is a prosperous businessman in the iron trade.

1914 Yearnings in Thessalon

The Normal School enrollment of the Province for the term which opened the first of September was 1134 students. These institutions are now turning out a supply of school teachers for Ontario, and the department considers the showing this year as encouraging in the face of considerable unrest, which has been felt in educational circles. The seven Normal schools of the Province are situated in Toronto, London, Hamilton, Peterborough, North Bay and Stratford.

Men's Saturday Evening Club

A number of young men met in the Parish Hall on Saturday evening and completed the organization of the Men's Saturday Evening Club. The officers are as follows:

President—John Wood.

Secretary—H. King.

Committee—C. H. Moore, C. N. Gridland and R. G. Gunton.

The members will spend their Saturday evenings in the Parish Hall in music, games and other pastimes. Their invitation to men to participate is very hearty.

The Old Boys and Girls Invited

The great pleasure arising out of the visit of the Acton Old Boys and Girls of Toronto, Guelph, and other cities to Acton Fall Fair last year is still remembered with great interest. Mr. J. M. Warren, Toronto, who organized so successfully the Toronto contingent last year, had made preparations for another visit this year, but the influence of the war had put him off the plan, and there will therefore be no large contingent. However, scores of former residents of Acton are planning to come and the number may after all be larger than usual. Low fares will be given on all railways.

A cordial welcome will be extended to all who come. Don't be caught this way.

On account of the fact that the uniforms and a number of the men of the 4th Highlanders Band, which had been engaged to play at Acton Fall Fair, accompanied their regiment to Waterloo, en route to these war bands, will be unable to march in the Fall Fair. Handbell Blatter found it necessary to cancel the engagement with Acton. The Directors at once set about to secure a leading band elsewhere to fill the vacancy and have engaged the Gale Killers' Band. This change will no doubt be quite acceptable. The 4th Highlanders' Band was originally organized to represent the Battalion Day and the Guelph contingent never have been here before. Their visit will therefore be regarded with much interest. They will arrive on the 9th, and remain until 8.30 in the evening.
