BRIEF LOCAL ITEMS

—Winter weather now. You may get ready for winter now. —Now for a livelier hustle to business. —It is taking steps toward becoming a city. —The second instalment of taxes are due on Saturday. —Early buyers for Christmas are already making selections. —Advise any stray or straying stock in the Park Place. —The mercury registered fifteen degrees of frost yesterday morning. —Guelph Winter Fair will be held from the 5th to the 16th December. —Local sportsmen have had great sport in shooting cottontails and hares this fall. —"Attend to your knitting," is the watchword of the British around the world. —The Examiner and Saturday Morning newspapers in Montreal have amalgamated. —Oakville's chief of police is Sweet, but the night watchman's name is Constable Hage. —Arthur is moving in the direction of securing a Carnegie library building for that village. —The Fourth Division Court last Thursday had a light docket. Judge Elliott occupied the bench. —Morris Bavo's store on Hill Street has a much improved appearance since being veneered with brick. —The farmers are naming their farms. Orders for printed writing paper and envelopes are coming in. —Some neighboring farmers had as much as three acres of turnips laid in the ground when Monday's cold spell came. —Sunday's twenty-four hours' rain filled up the swamps well for winter. Last fall when frost set in they were nearly dry. —Mr. J. M. Pittsford, of Knox College, will give an illustrated address to the Knox Young People's Guild, next Monday evening. —Acton Checker Club has secured very comfortable quarters for their winter. A meeting of all the members will be held this evening. —The students and teachers of Acton High School will hold their annual At Home in the town hall on Tuesday evening, 22nd December. —Here's a good slogan, "What we have we'll hold; so keep the wheels going, keep the crops growing, and keep the dollar at home." —One of the lumber wagons of Henderson's saw mill came to grief on Howar Avenue on Monday with a load of lumber, through a broken axle. —Townspopular generally will be glad to learn that the saw factory is again running full time, although with reduced staff—Milton Reflector. —Mayor McVety, of Ottawa, has issued an order forbidding civic officials from frequenting bar-rooms or public drinking places when either on or off duty. —The Oakville Footwear Association has shipped 17,000 pairs and 1,600 boxes of shoes, three cars of pairs and three cars of bulk shoes this fall. —London's rate for electric current now is 30 per cent. discount for current, with 10 per cent. discount for current, with 10 per cent. discount for current. —Constable Ward is having his quarters at the town hall taxed to accommodate the troops who might apply for permission to occupy the doney (?) coaches in the city. —The King's Orphanas Bible Class have very generously undertaken to entertain the Official Board and Trustees Board of the Methodist Church at a banquet next Monday evening. —A unique and helpful service was held by the Young People's Guild of Knox Church on Monday evening. Ten members each gave one point emphasizing a feature of a helpful society. —Jack Henderson, son of Jno. A. Henderson, and Herbert McKague, son of Dr. McKague, both of Winnipeg, have enlisted for the second contingent. Both these leave young men were born in Acton. —A Guild of Christian Endeavor has been organized at Boston Presbyterian Church, Esquimaux. The Guild meets every Friday night in the church, and the executive committee are arranging an interesting programme. —The Milton Reflector has celebrated its thirtieth birthday. Editor White who was its founder, has always been at the helm. A fair measure of success has rewarded his efforts, and he is good for many years of service even under the grating experience of a journalistic career.

HAPPILY WEDDED YESTERDAY

Popular Acton Couple Joined in the Bonds of Holy Matrimony
Promptly at three-thirty o'clock yesterday afternoon, at the home of the bride's parents, Main Street, two of our most popular young folks were happily wedded. The contracting parties were Miss Bertie, eldest daughter of Mr. and Mrs. N. P. Molan, and Mr. John Cole, only son of Mr. and Mrs. Henry Cole, residing, Secretary-Treasurer of W. H. Storey & Son, Limited.

The bride, who was given away by her father, was daintily gowned in cream silk with plumed tulle and carried a bouquet of lily-of-the-valley. The bridegroom was unattended. The wedding march was played by Miss Nickel, of Rockwood, cousin of the groom. Rev. C. D. Draper, of the Methodist Church, the pastor of the bride, officiated and was assisted by Rev. J. C. Wilson, B. A., of Knox Church, the pastor of the groom. After the ceremony the company, which numbered between forty and fifty, partook of a delightful wedding repast, followed by congratulatory speeches and happy replies. The bride and groom left by the 6.24 train for Toronto and other points east. The bride's going away gown was a pretty costume of dark blue tulle, with velvet hat trimmed with blue plumes. Upon their return Mr. and Mrs. Cole will reside in their fine home on Main Street recently purchased from Mrs. Jennie Smith.

PATENTS PROMPTLY SECURED

Apply to W. H. McVety, 111 St. Catherine St. W., Toronto.

At the annual convention of the American College of Surgeons at Washington

the past week fellowships were conferred on sixteen Canadian doctors. Of those four came to Ontario, one of whom is Dr. J. F. Usher, Toronto, formerly of Acton.

Classed His Foot With an Axe

Mr. Victor Douglstaff, a surveyor on the N. O. N. R. line, met with a nasty accident Tuesday afternoon, while he was at work between Acton and Guelph. He was using the head of an axe to remove some obstacle on the survey, when the axe slipped, and the sharp edge fell on his foot, inflicting a nasty gash. A number of stitches were required to close the wound. —Guelph Mercury.

Moved to a Larger Place

Mr. Robert Rowland, who recently removed from the small farm on Queen Street to the handsome farm on the second line, is getting comfortably settled in his new surroundings. The farm buildings and fences have been improved and the premises generally present an attractive appearance. This is the farm which was for so many years the home of Arch. McPherson and family.

How Outdated View It

Referring to the new pastor invited to the Methodist Church for next Conference the Guelph Herald says: "Rev. Mr. Avison is to be congratulated on being called to the pastorate of the Acton Church, which is one of the best in the smaller places of the Hamilton Conference. The church was only recently restored and redecorated. The Acton people are also to be congratulated on securing the services of such a man as Mr. Avison, who is a young man of exceptional ability and a splendid preacher."

Good Positions

Apply to W. H. McVety, 111 St. Catherine St. W., Toronto.

Why Our Prices are Lowest
When building a house you must reckon the price by the cost of the raw material, the labor and the supervision of same, and it is just the same in whatever you want to buy. The cost is summed up in the cost of the raw material, labor, transportation and the cost of doing business. The store that can bring merchandise from where it is produced to where it is used, most directly and most economically, should be able to sell at lowest prices. We believe that our prices are the lowest for all the various kinds of merchandise of standard quality sold here. The quantities distributed are such that enable us to collect from the original sources of supply, thereby securing every advantage possible in price, packing, shipping, etc. The overhead charges of this store are lower than those of any establishment we know of handling similarly large quantities. Some of the best time and money-saving devices known are used to carry on this business in the best interests of the public, and just now when so much is needed, it is well to be sure that the merchandise you buy is good and the price right. As we have said before, it is not unusual to find our retail prices as low as the prices paid to wholesale distributors or jobbers by some others.

The Way to Make Your Home Spotlessly Clean WITH LESS WORK AND EXPENSE

THE EUREKA Electric Vacuum Cleaner
cleans so thoroughly that, after a short time you could beat your carpets and rugs and no dust could be seen. It disturbs no dust into the air, the strong suction completely removing every speck of dust and dirt with which the noxae comes in contact.
It weighs less than 10 pounds and runs over the rugs and carpets with hardly any effort. The cleaner sets on rollers and the wide 24 inch nozzle covers a large space with every stroke, enabling rapid work.
You now discard your broom and carpet sweeper and use the Eureka entirely for your cleaning. Your furniture, walls, ornaments, pictures, plate rails, etc., do not become dusty because the dust is not allowed to reach them. The periodical housecleaning time comes no more because there is no more dirt to be found.
The Eureka is the only method that brings perfect cleanliness. It is the use of the broom and carpet sweeper that makes dusting and housecleaning, that keeps the air full of dust and germs, that requires so much time, that makes cleaning a drudgery and that is the most costly. The Eureka is a saver of time, money and time. It makes the atmosphere of the home pure and best of all it keeps your home spotless.
Costs Only 1-2c. per Hour to Operate

Publicity

THE Printed Matter you require.
There is no need of sending out of town for it, in fact the business man who does so demonstrates that he does not care whether the community prospers or not.

Isn't it foolish policy? Now, we want all the work you can give us and if there is any reason why we should not get it kindly let us know. Again we say, don't have your work done away from home when your own printer can do the work as well as any city printer, in down-to-date styles and at reasonable prices.

A DOLLAR spent at home reacts in its benefits with unceasing general profit. Sent out of town its life is ended. Kept with the home merchants it is a messenger of continuous benefit.

Business men should awake to the importance of keeping this dollar at home and make a bid for it by Judicious Advertising.

Not Too Far To Telephone!

THE man you want to reach may not be within your immediate circle, but he's not so far away but that you may reach him by Telephone. From the instrument in your office or your house you can talk with satisfaction either to those within your own talking circle or beyond it to remote interlinking circles.

Consider what this means to your business—the saving in time, labor and travelling expense! We are receiving daily testimony to the value of the long distance telephone as an aid to the economical transaction of business. Men in all lines of business are able to keep things running at normal, and at the same time reduce expense by making methodical and careful use of the long distance telephone. And there is another factor—the buoyancy and optimism resulting from these personal talks between business men is accountable for much of the revival in business.

Are you applying the telephone to your business?
Every Bell Telephone is a Long Distance Station.
