FOR LUCK

The Mary of a bit of Journaline

MARY E. ALLBRICHT \Box

'Hat you must have hope, and you must have faith t You must love and be strong, and so you work, if you walt, you will find the Where the four-leaf clovery grow."

ALDWIN DRUMMOND stool Chicago hotel in the midst of "olty canone." He was turning over his hand, with a half-touter, half-quizzical green-enamel four-leaf clover with a diamond centre, the two words "For Luck."

engraved in gold on the back. "Will she undorstand," he asked him self, "what I mean by it, that it isn't just an ordinary birthday mift? Doss 'luck' stand for the same thing with her as with mo! I wonder. Luck! Taken by itself there isn't really any such thing. But what it ought to stand for is true." He swung from the window to a deak

dashed down four lines of an old song, and udded "For you-and me." Then he folded the paper, tied it, with the little box, into a mackage addressed, Miss Florence Vull.

Stone Cottage, Marlishaul. Mausachunatte and sent it on its remantic mission through

the prossin agency of bell-boy and registered mail. "Now for Oregon and the big trees," with a toss of healthily abundant hair and a squaring of broad shoulders. "IL Drummond, you've got your chance; see what's in you. Don't whine to me about bly risk and heavy responsibility. Get hold of every sizable force you know of, inside und out, and hang on to it. Ho shead and buy Shoe that lumber. Start your sawmill. Believe and a sparkle. und dare. God's in Seattle se well as in licaton, and you can take your soul along

with you. Buccess ! It's out there, waiting, sitting on a log." drop in the contre. And with this energetic harangue to himself the author of it went down to

breakfast, delivered his keys, and took the ten-thirty train for the far West. Bown at Marblehead, along the sea road, ancient waves were bombarding ancient the pla in his hand. rooks on the one side, and society summer life, with every newest ful and fancy, exploiting its triumphs and its heartaches on

the other. The Stone Cottage-modestly misleading name-with cool rooms and wide plarges, with its refinements, conveniences and luxuries, was typical; so also was Miss Vail, favored guest of the establishment

for the entire souson. The registered package postmarked "Chloage" found that young lady drowing for dinner on the evening of her birthlay, August fifteenth. She was in a beautiful room with beautiful furnishings and the mirror in the dressing table told her that she was beautiful too. Ho she was in a happy and complacent most-only-

where she couldn't got at it-s certain won. teacing ambition in the very warp and woof of her, a restless challenge to some England farmhouse, where the riot and pin ?" power, for more and better; a sense of intensity of autumn color appealed dumbly "I did," began the big fallow, inanely, Millan; Mesers, R. R. Johnston, Thos. P. elegant temporariness, a resolving not up, to those who were hungry for warmth and when some good angel whispered in his Watkins, J. J. Lawson. Total cost of but out and around -no, she wasn't satis. beauty. Glorious, in the forests of Oregon, ear, fiel or altogether happy. That was a fact | where all isbigand flourishing and world-in- "There is a tide in the affairs of most that was not to be home. There was some clusive. 'And glorious also in the city in Which, taken at the flood, lands on to for-
