DR. WOOD'S NORWAY PINE SYRUP CURED HIML

Mr. Wallace H. Grunge, Vancouver B.C., writes: "During a cold spell bere about the middle of last October (1913), I caught a cold which got worse despite ult treatments I could obtain, until about November 22nd, a friend sald, 'Why not try Dr. Wood's Norway Pine Syrup?' Really, I had no faith in it at the time as I had tried nearly every other remedy I had heard of, to no avail, but I thought I would give this last remedy a trial. I purchased a 50 cent bottle, and in three days I was feeling a different man. My cold was so hard, and the coughing so prolonged, that vomiting occurred after a hard spell of coughing. I curried the bottle in my pocket, and every time I was select with a coughing spell I would take a small dose. I can most heartily recommend Dr. Wood's Norway Pine Syrup to anyone with a severe cold, as its powers are most marvelous, and I never intend being without it at all times."
