LETTER FROM SANDLING CAMP

Interesting Description of the Country and Camp Life Experiences CANADIANS ARE EQUAL TO ANY

The following letter was received last week by Mrs. Anna Maddook from her son Pto. E. G. Maddock, who is on the boad quarters' staff at Sandling Camp, England Bandling Camp, Hythe, Kent, Co., Eng.

Vriday, April 30th, 1013. Dear Mother Well, we have arrived safely and the arriving was not at all painful, in fact i was extremely pleasant, and we are certain

ly in a apleudid camp and in a lovely country, by far the most beautiful country I luve ever soon. If it was at all possible for a man to make a decent living here, and if this country was under the Canadian flag, and the Canadian government, I was going to say under the Conservative 20.00 Clovernment, I would be glad to live here. We arrived in Avonmouth on Thursday 7.85 10 s.m. Everything went off without a Social Service and Evangelian \$15. Other hitch of any kind. We were then put \$200.47 right on board the train, and it was the funnicat, little, old train you ever naw. It clothes cuplicard. Then we were locked in by the guard : eight of us in a cupboard and the ventilation by no means good-After a lot of shouting around and yelling

the country at that rate in three and a When one sees this country for the first time it seems to be so small, (out in the country) as none of the fields have more than a pouple of acres at the most, and instead of having forces they have hadges Just now they are all in bloom and look the schools of the township of Esqueeing very pretty indeed. Then the whole place is used either for flowers or garden truck, the rest of the fields are just like a huge lawn. Of course they are used as pasture

for sheep and cattle and in that way the grass is kapt short, but it is so green and mooth that one would imagine it he liese goes over with a roller, and when walking along out of sight of any house ting, and a warm fellowship of workers has you would think you were in some hug-We had a lovely trip up the Britis

Channel and while we had sighted land done at Bristol and there are only the straightened up again. docks at Avonmouth, so I guass it is an important place. All the C. P. R, freight boats and some of their passenger boats

through country that was really beautiful driven the enemy off the face of the sea, respective share in contributing to the cities, and sometimes there would be whole field of perhaps two sores planted

> We came right through Loudon and city, and all the way from Avonmouth to here there were crowds of people at each station and of all the obsering you ever heard. They surely do know how to give a fellow a warm reception in this country but I really believe I would rather has the reserve of the Canadians and know there is here, for it gross to the other
