A MAJORITY

"It whi't no use," said Bill one day, "Things that are'll have to stay. When speakin' of luck, I'm always late. An' he sput on the floor and cussed his fate "Folks say that Trouble's my middle

Whorever I go it's just the same. The lost my grip an' am slipping fast : This year's lad just like the last." "Homething's wrong with the world I say. When poor people auffer and rich

What's the use when the ille's been cast, I'm that by heredity hard and fast." "The folks that win were born that way Why, say, I couldn't sell a load of hay. When it comes to business I'm not there But of all hard luck I got my chare." Just then came along a little law

Who happened, that way, from relico "Why Hill," she said, "Why look so say "My mamma sex it'll all come right. If we just believe with all our might It ain't no use to worry and frot For what we think that's what we get.

"An' Pa, he sex, that Fear's a post That keeps us from doing our very bost You don't have to die to get to Heaven, I'm there now and I'm only seven." Old Hill's cont sloove brushed off a tear And then and there he lost his fear. He sex, "I've always been in the minority But God and Me's a majority."

They tell us, sir, that we are weak, unable to cope with so formidable an adversory. But aball we be atronger? Will it be the next week or the next year? Will it be when we are totally disarmed and when a British guard shall be station. In each house? Shall we gather strength by tresolution and inaction? Shall we negulre the means of effective resistance by lying supluely on our backs and laugging the delusive plantom of hope until our enemies lave bound us hand and foot? Bir. we are not weak if we make a proper use of those means which the God of nature both placed in our power. Three millions of people, armed In the holy cause of liberty and In such a country on that which we possess, are invincible by any force which an enemy can send against us. Resides, sir, we shall not fight our luttles alone. There is a just tied who presides over the destines of nations and who will raise up friends to fight our battles for us. The futtle. sir, is not to the strong slone. It is to the vigilant, the active. the brave. Healden, ulr. we have no election. If we were have enough to desire it, it is now too late to retire from the contest. There is no retreat but in submission and slavery. Our chains are forged. Their clinking may be heard on the plains of Boston. The war is inevitable, and lot it

## STRAIGHTENING OUT THE PUR-

come!-Patrick Henry.

come! I repost it, sir, lot it

One boy turned his head in surprise toward the captain's neatly kept place. "Oh, I don't mean that kind, lad, don't mean land furrows," continued the captain so soberly that the boys became breathless as be went on a

"When I was a fail about the age of you troubling her, I knew it was changing her time I had of it at first. Still I liked the large sum. water and I liked journaying around from

"Then I settled down to business in a foreign land and soon became prosperous and now began sending her something beaides those empty letters. And such beautiful letters as she always wrote me during those years of absence. At length I noticed how longing they graw-longing for the presence of the son who used to try her so, and it woke a corresponding longing in my own heart to go back to the dear waiting soul.

place to place.

"So when I could stand it no longer came back and such a welcome, and such a exercise. My mother is not a very old lady boys, but the first thing I noticed was the whiteness of her heir and the deep furrows on her brow and I knew I had helped to blench that hair to its snowy whitenow and had drawn those lines in that smooth forehead. And those are the furrows ! have been trying to straighten out.

"But last night when mother was sleap-

"Her face was very peaceful and the expression as contented as possible, but the farrows were still there! I hadn't succeeded in straightening them out-and-I -mever-shall-nover!

"When they lay my mother-my fair old sweetheart-in her casket, there will be farrows in her brow ; and I think it a wholesome lesson to teach you, that the namical you offer your parents' counsel now, and the trouble you cause them, will abide, my laddies, it will abide."-- Presbyterian Standard.

Only those things that are put into liing are learned.

## OLDER BUT STRONGER

strength of middle life we too often forget that neglected colds, or careless treat-ment of slight sches and pains, simply undermine strength and bring thronic

To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing moperties of Scott's Rampision which is a mode a tonic and a medicine to keep your bland rich, alleviate rheumatism and make alchness. At any drug store Scott & Bowns, Yosonto, Oak.

### THE SECRET OF SUCCESS

Nor is it something new. Nor is it some thing hard to scoure. To become mecossful, become more officient. Do the little things better. He work that will require loss supervision. The supervision is needed by the mercu makes the fawest mistakes. Its what you oun do, and what you should do for the stitution for which you are working, and do it in the right way, and the size of your Incomo will take cure of Itself. Let you alm over he to better the work you are

doing. But remember always that you cannot better the work you are doing without bettering yourself. The thoughts that you think, the words that you speak, and the deeds you perform are either make ing you letter or worse. Realize with Hen ley that you are the master of your fate and the captale of your soul. You can what you will to be. Forget yourself in rendering service to others. In an em player, strive to make yourself of greater value to your employer. Look upon yourself us a manufacturer. Think of your solf as being in business for yourself. He gard yourself at a maker and seller services and over bond your thought and your energies toward the improvement of your product. The wise manufactures nover injures his machinery wilfully Your body, your mind, your soul serve a your plant. Eat and drink only that which will nourish your body, entertain only those thoughts that will sarich your mind, and if you feed your body with the best physical food and your mind with the best mental food, you will build up a service factory that will that its products in constant domand. The world is hungry

HOW IT WORKS

To the Editor There has been a great deal of theorising would work. I would like to lay before your realers a few examples of how it does work in places that have it. I will begin

with a low places in Russia. From Orel the report is "prohibition ha reduced crime by eighty per cent. as com pared with previous months." In Voronagh the police report that in the first half of July when the liquor shops were open there were in this city twenty seven murlers or other serious crimes. the first half of August when the liquor

shops were closed there were only eight. The police of Ekaterimoslar report that crimes attributable to drunkenness have wholly could. In Eksterimodur the police report that orime has decreased ninuty per cent

is absolutely quiet.

hooliganism has disappeared and the town

In Baratol the monthly average of crimes has fallen from one hundred and thirty to "Boys," he said, "I've been trying every sixty. The asylum for alcoholica day of my Ufe for the last two years to empty. The river stevedores have put or straighten out furrows - and I can't do new clother and are sending money home. In Varoslow the registers of the Justices of the Peace show that between the 31st of July and the 28th of August there was brought before the magistrates only one case. In the same length of time before I do that Y' the closure of the liquor shops the number

of cases often exceeded two hundred. I will not occupy your valuable space boys, I was what they called a 'hard case,' with any more. These are enough to show not exactly had or violous but wayward and how probibition works in places where it is wild. Well, my deer old mother used to carried out. In this country we seem to coax, pray and punish-my father was dead linve got the notion that part of the taxes tadking it all the harder for her-but she could not be collected if the money was not never got impatient. How in the world first spent in drink. From a study of how lasks, our celler fills with water every time she bore with all my stubborn, vexing it works in other parts of the world I am it rains, our radiators thump, our furnace ways so patiently will always be to me one convinced that our taxes especially in the is too small for the house, its appatitude too of the mysteries of life. I knew it was cities, would be reduced twenty-five per large for our income, our gutters have cent. or more by probibition. Why not ! rusted away, the porch sage, the house pretty face, making it look anxious and The money that is spent for crime, poverty hasn't had a new coat of paint for seven eld. After a while, tiring of all restraint, half of the insanity and in many other years, the wallpaper hange loose in every I ran away, went off to sea-and a rough ways caused by drink would amount to a room, and the chimney is shorter after

## WITH PROLONGED COUCHING.

TRIED NEARLY EVERYTHING

FINALLY .

DR. WOOD'S NORWAY PINE SYRUP CURED HIM.

Mr. Wallace II. Grange, Vancouver, H.C., writes: "During a cold spell here about the middle of last October (1918). I caught a cold which got worse despite all treatments I could obtain, until ing in her chair, I sat thinking it all over, about November 22nd, a friend sald, and looked to see what progress I had | 'Why not try Dr. Wood's Norway Pina Syrup?' Really, I had no faith in It at the time as I had tried nearly every other remedy I had heard of, to no avail but I thought I would give this last remedy a trial. I purchased a 50 cent bottle, and in three days I was feeling a different man. My cold was so hard, and the coughing so prolonged, that womiting occurred after a hard spell of coughing. I carried the bottle in my pocket, and every time I was select with a coughing spell I would take a small dose. I can most heartly recommend Dr. Wood's Norway Pine Strup to unyone with a severe cold, as its powers are most

marvelous, and I never intend being without it at all times." When you sak for "Dr. Wood's" see that you get what you nak for. It is put up in a yellow wrapper; three pine trees the trade mark; the price, 25c and 50; manufactured only by The T. Milburg Co., Limited, Toronto, Out.

## THE WEAK SPOT IN THE BACK-

When the kidneys get ill the back

But the back is not to blame. The ache comes from the kidneys which lie under the small of the back. Therefore, dult pain in the back, or sharp, quick twinges, are warnings of sick kidneys—warnings of kidney trouble. Plasters and linkments will not cure a had back, for they cannot reach the kidneye which cause it.

Doan's Kidney Pills reach the kidneys themselves. They are a special hidney and bladder medicine. They heal the diseased surface of kidneys and bladder, and help them to act freely and naturally Mrs. Chester Montaln, Port Coulongs, Que., writes: "I had been troubled with tore back for over four years, and could get nothing to do me any good until beard of your Donn's Kidney Pills. I got three boxes, and took them and now I am completely cured."

Doan's Kidney Fills are 50c a box

Harriero did so, and the man appeared. Murger then got up and

Barriere looked round for the bell

Nine hundred years ago a dispute between Modern and Bologua over a well bucket began a war which devastated Europe. A Chinese emperor once went to war over the breaking of a teapot; Sweden and Poland flew at each other's throats in 1654 because the King of Bweden discovered that his name in an official dispatch was followed by only two etceteras, while the King of Poland's had three. The spilling of a glass of water over the Marquis de Torey lad to war between France and England, and a small boy, by throwing a pebble at the Duc de Guise, led

The enormous production of sugar prises of Peru. Where it is grown the land is level and planting is at easy matter. When the cane reaches the height of two feet further attention in regard to cultivation is said to be unnecessary, and in from eighteen to twenty-four months maturity is reached. That the growth is luxurious may be seen from the faci that an average crop of forty tons an acre is obtained, while sixty and even seventy tons is not uncommon In other sugar growing countries, including Cuba, twenty-five tons per acre are considererd a good average,

The word "divan" means "council of state" in Arabic and Turkish. Both Milton and Pope use the word in the sense of council in general. From meaning council the word came to mean council chamber and from that the arrangement of cushions round the chamber. A divan in this sense is strictly a row of cushious ranged along the walls of a room, either on the floor or on a relacd step or on a banch. Hence we speak of a sofs or couch as a divan and of a thickly
