NEWS OF LOCAL IMPORT

Lillian Root, Allie Brown, Edith Daniels
and Messrs. J. Victor Coleman and James
Loutlet, are attending the Epworth League
Summer School at Oakville from Acton.

The New Government Clock
The clock for the new Post Office and
Customs House arrived last week and
Roove Hynds, who has the contract for its
installation, is arranging for its being
placed in position as soon as possible.
The clock has four dials and will be
illuminated at night.

Successful in Normal Examinations
The results of the Provincial Normal
School examinations, published on Satur-
day, show that Misses Maudie C. Manalax,
and Nellie A. Williams, who attended
Hamilton Normal School, were both suc-
cessful. They now have the status of pro-
fessional second grade teachers.

More War Casualties Reported
News comes that another of Acton's
contingent, Pte. John Hall, has been
wounded in action. While his wounds are
serious he is making fair progress toward
recovery and is now being treated in one of
the leading hospitals in England. It is re-
ported that one of the soldiers from George-
town and two from Burlington have been
killed in action during the week.

Rev. Mr. Avison Next Sunday
The first services of Rev. H. W. Avison,
M. A., B. D., the new pastor of the Methu-
en Church, will be held on Sunday next.
There will be no doubt be large con-
gregations to greet the new minister. He
has already met many of the members,
although his duties as Secretary of Hamil-
ton Conference Epworth League Summer
School have kept him at Oakville since
last Saturday.

Meeting in Interest of Red Cross
A public meeting of the Red Cross Aid
Society will be held on Friday afternoon,
July 9th, at 4.30 o'clock, in the Baptist
Church. Miss Arnold, of Toronto, late of
Sharncliffe, England, will address the
meeting. All the ladies of Acton are
urged to be present. If the weather is un-
favorable the meeting will be held at 7
o'clock. Miss Arnold goes to Guelph at
8.25 to address a meeting there.

Another Case With the Austrians
The Railway afternoon Mike Anusk,
charged under Colchani, a boaster, both
Austrians, with stealing \$25 from his
house, before the Magistrate. While the
Magistrate was engaged in taking the in-
formation and preparing a warrant to
seize the Jews in the continuation and
execution of Christ is the same as that
which has characterized the Prussian
militarism.

Present Made by the Kings Orderlies
A much appreciated gift was very un-
expectedly presented to Rev. C. D.
Draper on the eve of his removal to Milton.
It was a large easy chair upholstered in
leather, a fine piece of furniture indeed.
It was quietly delivered by Johnstone A.
Co., the furniture people, bearing only a
simple card to indicate the donors, as fol-
lows: "To Rev. C. D. Draper, a small
gift tokening great esteem for a pastor,
teacher and friend who has done much to
promote greater class efficiency and higher
individual character." Mr. Draper ap-
preciated this thoughtful and valuable gift
most highly.

St. Alban's S. S. Pic-nic
The picnic excursion to Victoria Park,
Berlin, arranged by St. Alban's S. S. took
place on Wednesday next, July 7th. The
Victoria Park will be looking lovely after
the recent rains and a more ideal spot for
a picnic could not be found. The special
train service will enable those who take
the trip to have a good long day. Full
particulars of the excursion can be obtained
from the posters distributed around
town. The executive calls attention to the
fact that tickets can only be obtained
at the station. Being an open excursion
all arrangements have been made with a
view to suit the general public as far as
possible. A good crowd is therefore expect-
ed. The usual custom with regard to
tickets will be observed. They will be ap-
preciated. Children under five are carried
free.

Very Successful Pic-nic at Oustie
The picnic organized by Rev. Father
Traynor in the interests of St. Peter's
Church, Oustie, was held on Dominion Day
and was a great success. A immense con-
course of people gathered and enjoyed the
program. The rain which fell in the
middle of the afternoon interfered with the
athletic contests for an hour or so, but
after the storm cleared away the proceed-
ings were resumed with fervor. A feature
of the afternoon was the singing by
Messrs. Goodwin and O'Connor, of St.
Mary's Church, Hamilton. These
talented young musicians presented a
series of high-class selections. In the base-
ball match between Guelph and Acton the
team from the Royal City won out. Faith-
ful cooperation of outside friends and
especially of those in Acton in this enter-
prise.

On Prohibited List and Drunk
J. Collier came before H. P. Moore, J.
P., on Saturday morning charged by Con-
stable Harvey with being drunk, he being
on the list of persons being prohibited from
being served with intoxicating liquor. He
pleaded guilty. The wife of the defendant
testified that a certain young man in town
had, she suspected, taken her husband
liquor. She saw them both in the latter's
shop the previous afternoon, and there was
a liquor bottle there. She further stated
this was not the first time. He had pre-
viously taken liquor to her husband. It
was in a bottle labeled "Whiskey." The
lowest penalty that can be imposed upon a
prohibited person is \$10 and costs. This
fine was imposed. The Magistrate stated
that he has sympathy with a man who is
compelled, but absolutely none for the
monster and if information is laid against
him on the charge of giving, selling or
possessing liquor for a man on the prohibi-
ted list, and evidence is adduced to war-
rant a conviction, he would impose on the
young man the several penalty provided
by the recent amendment to the Liquor
Law, viz. \$50 and costs or imprisonment.

FATHER TRAYNOR IS PROMOTED
Is now the Parish Priest at Kenil-
worth, a Strong Rural Charge

FATHER FLAVIEN SUCCEEDS HIM
Rev. Father Traynor has been appointed
to the charge of Kenilworth Parish, a
strong field in the westerly section of Wel-
lington County, about seven miles from
Mount Forest. This is a populous Roman
Catholic section. The church is a con-
siderable well-built structure, and being
erected about ten years ago, is modern
and attractive. There is also a new par-
sonage. Father Traynor appreciates very
much the confidence reposed in him by the
authorities of the church as manifested in
his appointment to this important charge.

For four and a half years Father Traynor
has had charge of St. Joseph's Church,
here, as well as of the churches at George-
town and Oustie. He has been indefatig-
able in his efforts in behalf of the three
congregations. The church properties
have each been materially improved as a
result of his activities. His energy has
especially given evidence of this, both in his
exterior improvement and in the chaste
and beautiful decorations effected in the
interior.

Father Traynor leaves many friends in
Acton not only among the members of St.
Joseph's Church but throughout the com-
munity. The best wishes of all go with
him.
The successor in the parishhood here is
Rev. F. Flavien. Father Flavien has
for three and a half years been minister at
Patrick's Church, Hamilton, his home city.
He has always been earnest and popular,
and is a young man of pleasing manner.
He commenced his ministry here on Sunday
last.

Prior to Father Traynor's removal he
was the recipient of complimentary ad-
dresses and substantial sums of money
from his three congregations at George-
town, Oustie and Acton. St. Joseph's
congregation made their presentation last
Friday evening at the closing service held
in Acton by Rev. Father Traynor. He
deeply appreciated those tokens of the love
and esteem of the members of his flock.

Mr. J. M. Brody's Son Killed
Mr. James R. Brody, Toronto, traveller
for W. H. Storey & Son, who was here on
Saturday, received a cable the day before
stating that his eldest son had been killed
in action in France. Brody's second son
is with the second contingent in
England.

Three Charges Against a Motorist
On Monday a man named Higgins, agent
for a well known Toronto oil house, made
a sensation in Milton by speeding his
new motor truck on the main road. On
Tuesday a young lady had a narrow escape
from being run over. Three charges,
speeding, being drunk while driving a car,
and using profane language have been laid
against Higgins. Police Magistrate Dice
will dispose of his case on Wednesday, 10th
inst.—Champion.

Fine Appointment for Dr. Brown
Dr. J. N. E. Brown, Superintendent of
Detroit General Hospital, has been ap-
pointed head of the new 2,000-room Henry
Ford Hospital in Detroit. Dr. Brown is a
native of East Missouri, Ontario county,
being a son of the late John Brown of that
township. He was formerly Superintendent
of Toronto General Hospital, and is a
brother-in-law of Dr. J. F. Uron, formerly
of Acton.

Dominion Day—An Enjoyable Holiday
Last Thursday was very generally
observed as a holiday. The delightful
summer weather in the morning enticed
people out to enjoy the beauties of nature.
The sights and sounds and sweet perfumes
everywhere were most grateful to the
senses. Motoring was very popular, pic-
nics were freely indulged in, friendly vis-
itations were exchanged and the day was
filled with much pleasure. Elsewhere in a
few localities interfered with outside activi-
ties, but the rain was so much needed that
all inconvenience was quite willing to
forgo outside pleasures for the time and
so thankful that the thirsty land was being
refreshed.

Wearing Apparel and House Furnishings That Bear
THE MARK OF QUALITY
"Quality First"—this is the watchword of the Macdonald Store.
It is the corner stone in the foundation of this leading business house. It is
matter that grounds a years-old reputation, the solid rock that stands for
steadfast principle. Quality first—no matter what the price. Quality first—no
matter what the circumstance, no matter when the opportunity to dispose of
inferior merchandise at superior prices. High qualities with prices that are
moderate, not lower than are practical for maintaining business, not higher than
a reasonable, workable profit demands. It is this combination of high grade qual-
ities and moderate prices that win for us the satisfaction of our customers and the
confidence of the public. Cheap qualities and cheap prices find no welcome in
our midst. For you to choose them would not be in accordance with true econ-
omy. For us to use them would not be consistent with our high standards and
ideals.
Sterling worth distinguishes all our Summer merchandise. Men, women and
children can depend on the values they secure at Macdonald's.
