Equating Fair Very Successful
The Fall Fair at Georgetown last Wednesday and Thursday was favored with excellent weather, and the combined efforts of the President, J. T. Moore, the experienced Secretary, Mr. J. A. Tracy, and the Board of Directors, resulted in a gratifyingly successful fair. The hall exhibit was quite the equal of past fairs in most respects, although as in other fairs this fall there was a noticeable absence in some classes, such as potatoes, apples, dairy products, etc. The showing of stock was very good, and attracted a large attendance. The trials of speed were, however, hardly worth the money spent on them. The show was a noticeable success and the patriotic fund should receive a good round sum, as the profits of the fair were to be thus devoted.

Thanksgiving Entertainment
The old time tea-meeting of the Presbyterian Church on Thanksgiving evening proved very successful and pleasurable. The attendance was good. A fine series of lantern slides illustrating features of the war were shown by Mr. A. T. Brown, whose success in photography and the manufacture of lantern views has been previously demonstrated. Miss Agnes M. Tooley, of Fergus, won the audience with her splendid elocutionary numbers. She was repeatedly encouraged and applauded by the audience. Miss May Wildgust acted as usual rendered for solo with fine effect. The numbers of the Church quartette and the Church Choir were also much enjoyed. Rev. H. W. Avison, M. A., B. D., of the Methodist Church, delivered a brief address, both the spirit and delivery of which all appreciated. Rev. Mr. Wilson, the minister, was the Chairman.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional cure. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The cure is guaranteed. Send for our free literature that offer One Hundred Dollars for any case that it fails to cure. Sold by all Druggists, 75c.

Runaway With Load of Stoves
There was an exciting runaway last Thursday from the door of Rymon's hardware store. The delivery rig of the house had driven up to the door with a load of stoves and the driver was called inside. No Shop Licenses For Milton
An application has been made to the Provincial License Commissioners for a shop license in Oakville, and there is going to be a strong opposition to it being granted. It's a long, long time since there was a liquor shop in Milton, and it's rather late now to start them up again in view of the present advanced stage of the temperance question. A liquor shop will do more harm to the community any day than a harmless hotel. It is to be hoped this application for one in Oakville will not be granted.—Milton Telegram.

Georgetown is Bounding up Truants

One case was tried before Magistrate Owens and near on Saturday last the boy was more than \$30 in fine for truancy. The boy's regular attendance at school in future. The law governing truancy is very strict. Any parent guilty of allowing a child to remain away from school must be fined not less than \$20, or more than \$30, in lieu of the fine the magistrate may require the parent to give a bond for \$100 as a guarantee of future punctual attendance of child.—Herald.

20 Cents and Costs for Following Women
Alexander McConnell, who was discharged at a few weeks ago from Niagara Camp for incapacity upon medical examination, came before H. P. Moore, J. P., Wednesday afternoon charged by Mr. James H. Anderson with following his wife and other ladies on the street on Tuesday evening and making insulting remarks to them. The case was clearly proven. The prisoner was fined \$20 and costs or two months in goal at hard labor. He went to goal.

A WORD FOR MOTHERS
It is a grave mistake for mothers to neglect their babies and suffer in silence—this only leads to chronic sickness and often shortens life. If your work is trying, if you feel languid, weary or depressed, you should know that Scott's Emulsion procures just such conditions. It possesses its concentrated form the very elements to invigorate the blood, cleanse the liver, nourish the nerves and build strength. Scott's is strengthening thousands of mothers—and will help you. Try it.

Meeting the Fall and Winter
Needs of this Large Community

With wearables for men, women and children and furnishings for their homes in the comprehensive wideness of range that only such a large store can offer

The reliability of a year's old reputation stands behind the qualities we guarantee. The largeness of our buying power makes possible the lowness of our prices. This is a specially good place to do shopping of special importance. Here are a few jottings from this store's daily news:

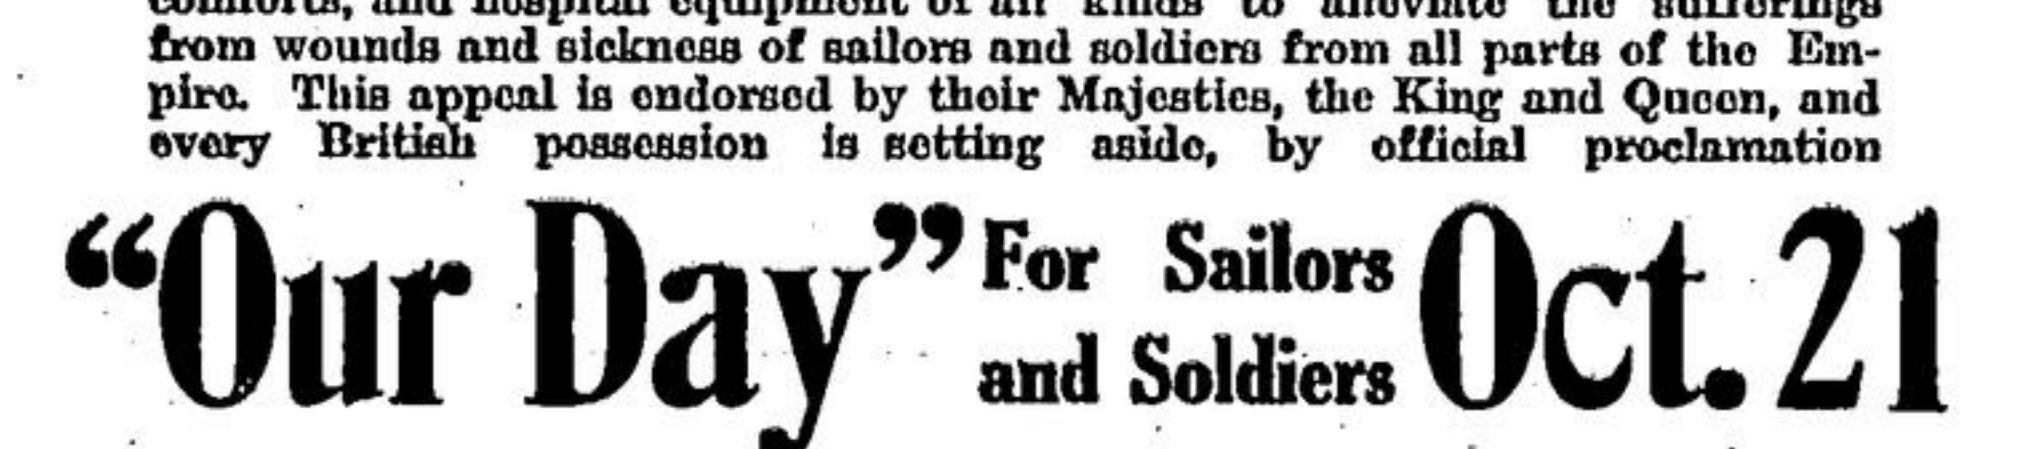

A Sale of Flannels takes place this Saturday, offering values limited to one day only. Many such sales occur in this store during the week-end, making Saturday a profitable day to visit this large business house.

Our Menswear Lines at present include many anti-war prices and values, which now are considered extra-special bargains, in view of the serious inferiority in the qualities and the enormous advances in the prices of lines that manufacturers are now showing.

As for Rugs and Carpets, most of our prices are of the old unadvised and our selection being notably extensive and our quality of before-war standards.

Women's Wearables in the various Women's Departments of this large store are carefully selected. Styling therefore are exclusive, qualities are dependable and prices satisfactory. In fashion we lead.

An urgent appeal has gone forth from the Marquis of Lansdowne, President of the British Red Cross, for funds to provide medicines, appliances, comforts, and hospital equipment of all kinds to alleviate the sufferings from wounds and sickness of sailors and soldiers from all parts of the Empire. This appeal is endorsed by their Majesties, the King and Queen, and every British possession is setting aside, by official proclamation
