#### EDITORIAL NOTES

By-law at the next Municipal Election. The Council gave two readings to a local option by-law last week. No petitions had been prepared and the Council simply antal on its own initiative at the request of a deputation of citizens. The sentiment OTHER IMPROVEMENTS ALSO SUGin favor of bar abolition is atrong in Oakville, and the backers of the movement are confident the By-law will carry.

THE AM THYRRITANOM Of telegrams between Premier Asquith, of Great Britain, and Premier Briand, of France, congratulating such other upon the "Confrateruity of arms." Mr. Asquith says: "Whatever chances time and circumstances may bring I know that in France, as in England, the will to defend our common cause until a decisive violory is won, remains unahakeable, and wasre sure of winning."

Mr. N. W. Rowker's forlors Lope of four years are—the abolition of the ber looks to-day like one of the coming events vide for an additional tember and the that cast their shadows before. On his forty-eighth birthday and the fourth anniversary of his essumption of the Liberal present leadership in Ontario Mr. Rowell had the satisfaction of sealing the bare close at o'clock justeed of 11. Not quite the halfway bouse to total prohibition, but an samest of what is to come.

Desertes all denials it is scarcely to be doubted that Garmany seeks peace. The allies reply with unmistakable resolution that the war must no on. The lasue apparently whether peace is to be made while Germany is is occupation of Belgium at least. It is to be assumed that Germany must either withdraw or renounceult advantage in beace negotiation of har coounation. If she will not do either the war must go on -Weskly Sun.

THE EXPORT AMOCTATION of Canada actfor under the auspices of the Canadia Government and the Canadian Manufa terers Association met recently in Londo to Inaugurate a co-operative movement extend Canadian trade especially countries where Corman commercial ficence has been dominant. An executive committee was formed to organice vigorous campaign, especially in velation to trade with Russia, Berbis, Italy, France and Orest Hritian.

In View of the wide spread "Patriotiess and Production"campaign waged in Canada | doctor's home to say good-bye and wish last automs, expectations of farmers were blm Codepard and a safe return to bis sangulas in regard to markets for their native town. products. Recent events have fortunately After a few remarks by J. M. Moore, justified increased production. For cattle, the Mereld, the chairman of the evening for home, for wheat and other grains, a Mr. John Dearing, of Palermo, presidented standy demand has come from the south the Halton Conservative Association, read and from Kurope. The producer has the an address, and Reeve Little, of Milton double advantage of excessive production treasurer of the Association, presented the and relatively high prices. This fact doctor with a well-filled pures .- Herald. stands in the background to give impetus to the commercial life of the country.

It to Excornating under existing condi tions to learn that the customs revenue of Church shows anleaded increases. For the month of October there was an increase of 1914, and was attached to the 6th Hatno less than \$2,804,002, one of the largest tallon, returned on Monday. Viotor has isoresses for a mouth on record. The quite an experience to relate. He was revenue for October, 1914, was \$5,705,030, select with typhold fever the day before and for this year \$8,200,131. The increase | the famous engagements at Vpres. for the seven months of the fleoal year was A small shrapnel wound in the lag added \$4,920,000, nearly all in the last two to his suffering from fever and he spent the months. The figures for the seven months time from April in hospitale and conveles. are \$52,969,962 and for the seven months | cent homes in England. of last year \$48,740,983.

HONOR ROLL FOR OUR SOLDIERS List of Acton Soldiers Enlisted to be Placed in Council Chamber

SMALL DOCKET OF BILLS PASSED At the Council meeting Monday evening I all members were present, Roove Hynds in the chair. A communication from the Militia De

another formed into an honor roll and hung | epiaties ; in the Council Chamber. The 10th report of the Committee inance was read and the following

W. Ititohie, teaming ...... ... Gilibons, work at cometery .... .... Htorey, work at cometery ..... Win. Cutting, work at consistory ... D. Alex. Niven, blue prints ..... Goo. Hitchie, Inter..... Acton Tenning Co., electrical sup-

Move by A. Hall, seconded by C. E. Hailey, that this Council heartily approves of the suggestion of the Militia Department and fer with the proper military authorities our county and elsewhere to ascertain the names of all Acton men who have colleten ed for overseas service, with a view having an Honor Roll placed in the Council Chamber and a copy sent to the Militia Department at Otlawa -Carried. The Council then adjourned.

### OAKVILLE Is to vote on a Local Option INSPECTOR WANTS ADDITIONA

To the Staff of the Public School Owing to the Large Registration

Inapector Denyes visited the schools here last week and at the meeting of the Board of Education on Monday evening a letter of

suggestions by him was presented. The Impactor says that the crowded condition of the primary rooms-50 scholars in one and 62 in the other-necessitates the employment of an additional teacher. He also recommended the secur ing of a quantity of supplies and appliances for manual and constructive work.

The Board gave the matter careful con alderation and concluded that with the changing character of a section of the population, and the fact that no sum was placed in the setimates for the year to pro equipment such engagement would necessitate, that the matter be deferred for the

Principal Stewart was authorized secure a supply of the constructive materials suggested. The eleventh report of the Committee on

Finance passed the fellowing accounts : Geo. M. Hendry Co., supplies..... N. Forbes, repairs to furnace arch, ames Hymon, paints, etc. ... ... Acton Free Press, printing ...

The supports for the new flag pole have seen put in and the pole will shortly be
